CONSUMER GUIDE TO AGENCY RELATIONSHIPS

We are pleased you have selected United Country Real Estate and Auction Services to help you with your real estate needs. Whether you are selling, buying or leasing real estate, we can provide you with expertise and assistance. It is important to understand the role of the agents and brokers with whom you are working. Below is some information that explains the various services that United Country Real Estate and Auction Services can offer and our options for working with you.

Permissible Agency Relationships in Ohio:

Representing Sellers

Most sellers of real estate choose to list their property for sale or lease with a real estate brokerage. When sellers do so, they sign a listing agreement that authorizes the brokerage and the listing agent to represent their interests. As the seller's agent, United Country and Real Estate Services and the listing agent must: follow the seller's lawful instructions, be loyal to the seller, promote the seller's best interests, disclose material facts to the seller, maintain confidential information, act with reasonable skill and care and account for any money they handle in the transaction.

Representing Buyers

When purchasing or leasing real estate, buyers usually choose to work with a real estate agent as well. Often the buyers want to be represented in the transaction. This is referred to as a buyer's agent. United Country Real Estate and Auction Services, and the buyer's agent that represents a buyer's interest in a transaction must: follow the buyer's lawful instructions, be loyal to the buyer, promote the buyer's best interests, disclose material facts to the buyer, maintain confidential information and account for any money they handle in the transaction.

Dual Agency

Occasionally the same agent who represents the seller also represents the buyer. This is referred to as dual agency. When United Country Real Estate and Auction Services and its agents become "dual agents," they must maintain a neutral position in the transaction. United Country Real Estate and Auction Services and the agent may not advocate the position of one client over the best interests of the other client, or disclose any confidential information to the other party without written consent.

In the event that you refuse to consent to the dual agency or seek to terminate the agency relationship as a result of the proposed dual agency management may determine which agency relationship to terminate. You may request that a separate agent United Country Real Estate and Auction Services be appointed to represent your interests or you may terminate your agency relationship and seek representation from another brokerage, however, you may be obligated to pay a commission to us.

Different Agents Representing the Buyer & Seller

On occasion, the buyer and seller will each be represented by two different agents from United Country Real Estate and Auction Services this case the agents may each represent the best interest of their respective clients but, United Country Real Estate and Auction Services and its management level licensees will be considered dual agents. As a dual agent, and its management level licensees will maintain a neutral position and cannot advocate for the position of one client over another. We will also protect confidential information of both parties.

Sub-agency

United Country Real Estate and Auction Services does not act as a subagent nor allow other brokerages to act as a subagent for a seller. Sub-agency refers to when a brokerage, in this case United Country Real Estate and Auction Services, hires a separate and unaffiliated brokerage to work on the Client's behalf, as a "sub-agent" of United Country Real Estate and Auction Services. United Country Real Estate and Auction Services does not accept and will not offer Sub-agency

Auction Services

Cooperating With Other Brokerages

United Country Real Estate and Auction Services will cooperate with other brokerages on an equal and consistent basis. This means United Country Real Estate and Auction Services will make its listings available to other brokerages to show, provide information that is not confidential, and present all offers written by other brokerages in a timely and objective manner. A buyer's broker may be compensated by a seller through an United Country Real Estate and Auction Services offer of compensation, unless specifically requested otherwise by the seller, even though the buyer's broker represents the buyer's interests. Alternatively, a buyer's broker may be compensated directly by the buyer pursuant to an agreement between buyer and buyer's broker. We do reserve the right, in circumstances, to vary compensation offered through marketing services. United Country Real Estate and Auction Services will not offer compensation to nor cooperate with sub-agents.

Fair Housing Statement – Residential Transactions & Vacant Land

It is illegal, pursuant to the Ohio Fair Housing Law, division (H) of Section 4112.02 of the Revised Code and the Federal Fair Housing Law, 42 U.S.C.A. 3601, as amended, to refuse to sell, transfer, assign, rent, lease, sublease or finance housing accommodations, refuse to negotiate for the sale or rental of housing accommodations, or otherwise deny or make unavailable housing accommodations because of race, color, religion, sex, familial status as defined in Section 4112.01 of the Revised Code, ancestry, military status, disability as defined in that section, or national origin or to so discriminate in advertising the sale or rental of housing, in the financing of housing, or in the provision of real estate brokerage services. It is also illegal, for profit, to induce or attempt to induce a person to sell or rent a dwelling by representations regarding the entry into the neighborhood of a person or persons belonging to one of the protected classes.

We hope you find this information to be helpful to you as you begin your real estate transaction. When you are ready to enter into a transaction, you will be given an Agency Disclosure Statement that specifically identifies the role of the agents and brokerages. Please ask questions if there is anything you do not understand.
