PROPERTY OVERVIEW

Historic beauty located in beautiful downtown McAlester. This Home features the original craftsmanship dating back from 1870's when the house was originally built. It began as a log house with four rooms in then Indian Territory and over time was transformed to include a two-story Queen Anne style house. The home was renovated in the 1960's and was added to the National Register of Historic Places in 1980. Features include refurbished hardwood floors through-out, updated kitchen with stainless steel appliances, dramatic crown molding, original copper gas lantern fixtures and tile work. Large ballroom is ideal for gatherings and don't forget the large fenced-in 2 acre lot. The grand wrap-around porch gives it that final touch to add additional outdoor seating for any event.
