Online bidding is subject to technology faults and issues which are outside the control of the auction company. Bidder(s) are encouraged to use the "Maximum Bid" feature on the bidding platform and lock in their maximum bid amount if they are concerned about technology failure during the auction. The SELLER and/or Auction Company reserves the right to **(pause)** the online auction bidding in the event of any internal or external technology failure, to preserve the integrity of the auction event and maintain a fair and impartial bidding environment.
- 16) **Soft Close:** If a bid is received within the last 2 minutes of the auction, the auction close time will automatically extend 2 minutes to allow other bidders an opportunity to competitively bid prior to the auction closing. All lines drawn on maps, photographs, etc. are approximate. Buyers should verify the information to their satisfaction. Information is subject to change without notice. - 18) **Buyer's Broker Fee:** A Buyer's Broker Fee of (2%) is offered to VA State Licensed Real Estate Brokers under the following conditions: Buyer's agent must contact the Auction company, submit a Broker Participation Form signed by the buyer, and register buyer 48 hours prior to auction date. Therefore, all properties are subject to pre-auction sales. Pre-auction offers must meet all off the auction terms and conditions and must be submitted to the Auctioneer on the Auction Real Estate Sales Contract, along with the required earnest deposit. Properly submitted offers will be presented to the Seller in a timely manner. Seller may accept or reject such offer at their sole and absolute discretion. When a pre-auction offer is submitted, all properly registered online bidders will be notified that "an offer" has been submitted and on which specific property, however the amount of the offer shall remain confidential. All pre-auction offers must allow a minimum of 24 hours for seller's acceptance. A Broker Fee of (2%) is offered to a cooperating VA State Licensed Real Estate Broker on any pre-auction offers that are properly completed and submitted on the appropriate forms provided by the auction company.

This district is intended to add to the physical variety of the overall residential area while promoting balance and stability.

Seller's Initials \_\_\_\_\_

Purchaser's Initials \_\_\_\_\_

The information contained in the association disclosure packet shall be current as of a specified date which shall be within 30 days of the date of acceptance of the Contract by the Seller. Purchaser may cancel this Contract: (i) within 3 days after the date of the Contract, if on or before the date that Purchaser signs the Contract, Purchaser receives the association disclosure packet or is notified that the association disclosure packet will not be available; (ii) within 3 days after hand-delivered receipt of the association disclosure packet or notice that the association disclosure packet will not be available; or (iii) within 6 days after the post-marked date, if the association disclosure packet or notice that the association disclosure packet will not be available is sent to Purchaser via the United States mail. Purchaser may also cancel the Contract, without penalty, at any time prior to Settlement if Purchaser has not been notified that the association disclosure packet will not be available, and the association disclosure packet is not delivered to Purchaser. Purchaser's notice of cancellation shall be either hand-delivered or sent via United States mail, return receipt requested, to Seller. Purchaser's cancellation pursuant to this subsection shall be without penalty. If more than 6 months have elapsed between the date of ratification of this Contract and the Settlement Date, Purchaser may submit a copy of the Contract to the property owners' association along with a request for assurance that the information required by Virginia Code § 55-512 previously furnished to Purchaser in the association disclosure packet remains materially unchanged; or, if there have been material changes, a statement specifying such changes. The purchaser shall be provided with such assurances or such statement within 10 days of the receipt of such request by the property owner's association. The purchaser may be required to pay a fee for the preparation and issuance of the requested assurances. Said fee shall reflect the actual costs incurred by the property owners' association in providing such assurances but shall not exceed \$100.00 or such higher amount as may now or hereafter be permitted pursuant to applicable statutes.

Any rights of the Purchaser to cancel the Contract provided by the Act are waived conclusively if not exercised prior to Settlement.

(b) **Virginia Residential Property Disclosure Act.** The Virginia Residential Property Disclosure Act (§55-517 et seq. of the Code of Virginia) requires the owner of certain residential real property, whenever the property is to be sold or leased with an option to buy, to furnish to the purchaser a RESIDENTIAL PROPERTY DISCLOSURE STATEMENT stating the owner makes certain representations as to the real property. Said form is attached.

(c) **Virginia Condominium Act.** Pursuant to Virginia Code § 55-79.97, Seller represents that the Property is not a condominium unit. If the Property is a condominium unit, this Contract is subject to the Virginia Condominium Act that requires Seller to furnish Purchaser with certain financial and other disclosures prior to entering into a binding contract. If the required disclosures are unavailable on the date of ratification, Seller shall promptly request them from the unit condominium owners' association and provide them to Purchaser who shall acknowledge receipt in writing upon delivery. If Purchaser fails to receive the disclosures within 15 days after the date of ratification of this Contract or the disclosures are found unacceptable to Purchaser, Purchaser may

void this Contract by delivering notice to the Broker within 3 days after the disclosures are received or due (if not received) and Purchaser's Deposit shall be returned promptly.

If more than 60 days have lapsed between the date of ratification of this Contract and the Settlement Date, Purchaser may submit a copy of the Contract to the unit owners' condominium association with a request for assurance from the unit owners' condominium association that there have been no material changes from the previously furnished information from the unit owners' condominium association.

Purchaser may declare this Contract void within 3 days after either receipt of the required disclosures or of notice that there are material changes, or the failure of the condominium unit owners' association to provide assurances (within 10 days after receipt of Purchaser's request) that there have been no material changes.

(d) **Mechanics' and Materialmen's Liens.**

NOTICE

Virginia law (Virginia Code § 43-1 *et seq.*) permits persons who have performed labor or furnished materials for the construction, removal, repair or improvement of any building or structure to file a lien against the Property. This lien may be filed at any time after the work is commenced or the material is furnished, but not later than the earlier of (i) 90 days from the last day of the month in which the lienor last performed work or furnished materials or (ii) 90 days from the time the construction, removal, repair or improvement is terminated.

AN EFFECTIVE LIEN FOR WORK PERFORMED PRIOR TO THE SETTLEMENT DATE MAY BE FILED AFTER SETTLEMENT. LEGAL COUNSEL SHOULD BE CONSULTED.

(e) **Notice of Principal Residence.** Purchaser does \_\_\_\_ or does not \_\_\_\_ intend to occupy the Property as Purchaser's principal residence.

(f) **Title Insurance Notification.** Purchaser may wish at Purchaser's expense to purchase owner's title insurance. Depending on the particular circumstances of the transaction, such insurance could include affirmative coverage against possible mechanics' and materialmen's liens for labor and materials performed prior to Settlement and which, though not recorded at the time of recordation of Purchaser's deed, could be subsequently recorded and would adversely affect Purchaser's title to the Property. The coverage afforded by such title insurance would be governed by the terms and conditions thereof, and the premium for obtaining such title insurance coverage will be determined by its coverage.

(g) **Lead-Based Paint Disclosure.** The certification, required pursuant to the Lead-Based Paint Hazard Reduction Act of 1992, is signed by Seller on any residence built prior to 1978. The home was built in 1956 and lead base paint disclosures apply.

Purchaser's Initials \_\_\_\_\_

(h) **Choice of Settlement Agent.** Virginia's Consumer Real Estate Settlement Protection Act provides that the purchaser or borrower has the right to select the settlement agent to handle the closing of this transaction. The settlement agent's role in closing this transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, the lender for the purchaser will instruct the settlement agent as to the signing and recording of loan documents and the disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Virginia and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.

Variation by agreement: The provisions of the Consumer Real Estate Settlement Protection Act may not be varied by agreement, and rights conferred by this chapter may not be waived. The Seller may not require the use of a particular settlement agent as a condition of the sale of the property.

Escrow, closing and settlement service guidelines: The Virginia State Bar issues guidelines to help settlement agents avoid and prevent the unauthorized practice of law in connection with furnishing escrow, settlement or closing services. As a party to a real estate transaction, the purchaser or borrower is entitled to receive a copy of these guidelines from your settlement agent, upon request, in accordance with the provisions of the Consumer Real Estate Settlement Protection Act.

## 7. **Standard Provisions.**

(a) **Deposit.** If the Purchaser fails to complete settlement on or before the Settlement Date, time being of the essence, the Deposit shall be forfeited to the Seller. Such forfeiture shall not limit any liability of the defaulting Purchaser or any rights or remedies of the Seller with respect to any such default, and the defaulting Purchaser shall be liable for all costs of re-sale of the Property (including attorney's fees of Seller), plus any amount by which the ultimate sale price for the Property is less than the defaulting purchaser's bid. After any such default and forfeiture, the Property may, at the discretion of the Seller, be conveyed to the next highest bidder of the Property whose bid was acceptable to the Seller. In the event the Seller does not execute a deed of conveyance for any reason, the Purchaser's sole remedy shall be the refund of the deposit. Immediately upon delivery of the deed for the Property by the Seller, all duties, liabilities, and obligations of the Seller, if any, to the purchaser with respect to the Property shall be extinguished.

(b) **Expenses and Prorations.** The Seller agrees to pay the costs of preparing the deed, certificates for non-foreign status and state residency and the applicable IRS Form 1099, and the recordation tax applicable to grantors. Except as otherwise agreed herein, all other expenses incurred by Purchaser in connection with the Contract and the transaction set forth therein, including, without limitation, title examination costs, insurance premiums, survey costs, recording costs, loan document preparation costs and fees of Purchaser's attorney, shall be borne by Purchaser. All taxes, assessments, interest, rent and mortgage insurance, if any, shall be prorated as of

Seller's Initials \_\_\_\_\_

Settlement. In addition to the Purchase Price, Purchaser shall pay Seller (i) for all propane remaining on the Property (if any) at the prevailing market price as of Settlement and (ii) any escrow Deposits made by Seller which are credited to Purchaser by the holders thereof.

(c) **Title.** At Settlement, Seller shall convey to Purchaser good and marketable fee simple title to the Property by **Deed of Special Warranty**, free of all liens, tenancies, defects and encumbrances, except as otherwise indicated herein, and subject only to such restrictions and easements as shall then be of record which do not affect the use of the Property for residential purposes or render the title unmarketable. If a defect is found which can be remedied by legal action within a reasonable time, Seller shall, at Seller's expense, promptly take such action as is necessary to cure the defect. If Seller, acting in good faith, is unable to have such defect corrected within 60 days after notice of such defect is given to Seller, then this Contract may be terminated by either Seller or Purchaser. Purchaser may extend the date for Settlement to the extent necessary for Seller to comply with this Paragraph but not longer than 60 days.

## SUMMARY OF RIGHTS AND OBLIGATIONS OF SELLERS AND PURCHASERS UNDER THE VIRGINIA RESIDENTIAL PROPERTY DISCLOSURE ACT

Virginia's Residential Property Disclosure Act (the "Act") (Virginia Code § 55.1-700 et seq.) requires real estate licensees to inform the parties to a transaction with whom they deal of their rights and obligations under the Act. The licensee providing this information to you is prepared to answer any questions you may have about what the Act means to you, and to furnish you with a copy of the Act at your request.

The Act applies to sales, exchanges, installment sales, or leases with option to purchase of residential real property improved with one to four dwelling units. The Act does not apply to: transfers pursuant to court order (estate administration, pursuant to writ execution, foreclosure, bankruptcy, condemnation, or by decree for specific performance); transfers among co-owners; transfers among spouses; transfers among parents or grandparents and their children or grandchildren; tax sales; transfers involving a government or housing authority; or (subject to certain exceptions discussed below) sales of new homes.

The Act requires sellers to furnish purchasers with a disclosure statement developed by the Virginia Real Estate Board. The statement must be furnished to the purchaser before final ratification of the purchase contract or the purchaser may terminate the contract or sue later for damages. The disclosures will be current as of the date of delivery. The seller will not be required to provide updated or additional disclosures if a transaction pursuant to a ratified real estate contract proceeds to settlement after the effective date of legislation amending any of the disclosures under § 55.1-700, provided that the correct disclosures were delivered under the law in effect at the time of delivery. The statement will direct purchasers to the RESIDENTIAL PROPERTY DISCLOSURES web page ([https://www.dpor.virginia.gov/Consumers/Disclosure\\_Forms](https://www.dpor.virginia.gov/Consumers/Disclosure_Forms)) for important information about the real property. Purchasers are advised to consult the webpage.

A seller, in furnishing a disclosure statement, makes no representations or warranties as to the condition of the property or any improvements located thereon nor with respect to the matters set forth and described at the RESIDENTIAL PROPERTY DISCLOSURES web page ([https://www.dpor.virginia.gov/Consumers/Disclosure\\_Forms](https://www.dpor.virginia.gov/Consumers/Disclosure_Forms)). Purchaser is advised to exercise whatever due diligence purchaser deems necessary, including a home inspection, as defined in Virginia Code § 54.1-500, in accordance with the terms and conditions of the purchase contract, but in any event prior to settlement.

A builder of a new home must disclose to a purchaser in writing all known material defects which would constitute a violation of any applicable building code. In addition, for property located wholly or partially in any locality comprising Planning District 15 (the City of Richmond, the Town of Ashland, and the counties of Charles City, Chesterfield, Goochland, Hanover, Henrico, New Kent and Powhatan), the builder (or seller, if the owner is not the builder) shall disclose in writing whether mining operations have previously been conducted on the property or the presence of any abandoned mines, shafts or pits. This disclosure does not abrogate any warranty or other obligations the builder may have to the purchaser, and must be made (i) when selling a completed home, before acceptance of the purchase contract, or (ii) when selling a home before or during construction, after issuance of a certificate of occupancy. No disclosure or statement of any kind is required if there is no such information to disclose. Any required disclosure may be, but need not be, contained in the disclosure statement described in this summary.

A purchaser must be furnished with a disclosure statement signed by the seller prior to final ratification of the purchase contract. If such statement is received after final ratification, the purchaser's sole remedy shall be to terminate the purchase contract by sending written notice to the seller either by hand delivery or U.S. Mail, postage prepaid, at or prior to the earliest of (i) three days after receiving the statement (if delivered in person); (ii) five days after postmark (if sent by U.S. Mail, postage prepaid); (iii) settlement; (iv) occupancy by purchaser; (v) purchaser's making written application for a mortgage loan if such application discloses that the termination right ends upon application; (vi) purchaser's execution of a written waiver of the right to terminate (such waiver may not be in the purchase contract).

If the seller fails to provide the required disclosure statement, the contract may be terminated as set forth above. If the seller fails to provide the required disclosure statement or the seller misrepresents, willfully or otherwise, the information required in such disclosure, except as a result of information provided by the locality in which the property is located, the purchaser may bring an action to recover actual damages suffered as a result of such violation. No purchaser of property located in a noise zone designated on the official zoning map of the locality as having a day-night average sound level of less than 65 decibels shall have a right to maintain an action for such damages. Any such action must be brought within one year of the date the purchaser received the disclosure statement. If no disclosure statement was provided to the purchaser, the action must be brought within one year of the date of settlement, or purchaser's occupancy of the property by lease with option to purchase.

Purchasers should be aware that neither a seller nor a real estate licensee is obligated to disclose facts or occurrences which have no effect on the physical structure of the property, its physical environment, or the improvements located thereon, or the fact that the property was the site of a homicide, felony, or suicide. Furthermore, it is a violation of federal law to disclose whether a previous occupant of the property was afflicted with the HIV virus or has AIDS.

RVAR Sum 07/22

(14) The seller makes no representations with respect to whether the property is located on or near deposits of marine clays (marumsco soils), and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary in accordance with the terms and conditions as may be contained in the real estate purchase contract, including consulting public resources regarding local soil conditions and having the soil and structural conditions of the property analyzed by a qualified professional.

(15) The seller makes no representations with respect to whether the property is located in a locality classified as Zone 1 or Zone 2 by the U.S. Environmental Protection Agency's (EPA) Map of Radon Zones, and purchasers are advised to exercise whatever due diligence they need necessary to determine whether the property is located in such a zone, including (i) reviewing the EPA's Map of Radon Zones or visiting the EPA's radon information website; (ii) visiting the Virginia Department of Health's Indoor Radon Program website; (iii) visiting the National Radon Proficiency Program's website; (iv) visiting the National Radon Safety Board's website that lists the Board's certified contractors; and (v) ordering a radon inspection, in accordance with the terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract.

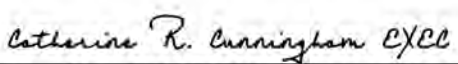

(16) The seller makes no representations with respect to whether the property contains any pipe, pipe or plumbing fitting, fixture, solder, or flux that does not meet the federal Safe Drinking Water Act definition of "lead free" pursuant to 42 U.S.C. § 300g-6, and purchasers are advised to exercise whatever due diligence they deem necessary to determine whether the property contains any pipe, pipe or plumbing fitting, fixture, solder, or flux that does not meet the federal Safe Drinking Water Act definition of "lead free", in accordance with terms and conditions as may be contained in the real estate purchase contract, but in any event prior to settlement pursuant to such contract.

For purposes of this paragraph, "defective drywall" means the same as that term is defined in Virginia Code § 36-156.1.

(18) The seller makes no representation with respect to the condition or regulatory status of any impounding structure or dam on the property or under the ownership of the common interest community that the owner of the property is required to join, and purchasers are advised to exercise whatever due diligence a particular purchaser deems necessary to determine the condition, regulatory status, cost of required maintenance and operation, or other relevant information pertaining to the impounding structure or dam, including contacting the Department of Conservation and Recreation or a licensed professional engineer.
