Loan Obligations: The Buyer agrees and/or certifies as follows:

- (1) Within three (3) days after the Binding Agreement Date, Buyer shall make application for the loan and shall pay for credit report. In the event Seller is subject to Tax Withholding as required by the Foreign Investment in Real Property Tax Act, (hereinafter "FIRPTA"), Seller additionally agrees that such Tax Withholding must be collected from Seller by Buyer's Closing Agent at the time of Closing. In the event Seller is not subject to FIRPTA, Seller shall be required as a condition of Closing to sign appropriate affidavits certifying that Seller is not subject to FIRPTA. *It is Seller's responsibility to seek independent tax advice or counsel prior to the Closing Date regarding such tax matters.*

Buyer shall then have one (1) day to deliver Earnest Money/Trust Money in immediately available funds to Holder. In the event Buyer does not deliver such funds, Buyer is in default and Seller shall have the right to terminate this Agreement by delivering to Buyer or Buyer's representative written notice via the Notification form or equivalent written notice. In the event Buyer delivers the Earnest Money/Trust Money in immediately available funds to Holder before Seller elects to terminate, Seller shall be deemed to have waived Seller's right to terminate, and the Agreement shall remain in full force and effect.

Code Ann. § 62-6-301, et seq. as may be amended. Seller shall cause all utility services and any pool, spa, and similar items to be operational so that Buyer may complete all inspections and tests under this Agreement. Buyer agrees to indemnify Seller from the acts of Buyer, Buyer's inspectors and/or representatives in exercising Buyer's rights under this Purchase and Sale Agreement. Buyer's obligations to indemnify Seller shall also survive the termination of this Agreement by either party, which shall remain enforceable.

Buyer waives any objections to matters of purely cosmetic nature (e.g. decorative, color or finish items) disclosed by inspection. Buyer has no right to require repairs or alterations purely to meet current building codes, unless required to do so by governmental authorities.

B. Initial Inspections. Buyer and/or Buyer's inspectors/representatives shall have the right and responsibility to enter the Property during normal business hours, for the purpose of making inspections and/or tests of the Property. Buyer and/or Buyer's inspectors/representatives shall have the right to perform a visual analysis of the condition of the Property, any reasonably accessible installed components, the operation of the Property's systems including but not limited to the following components: heating systems, cooling systems, electrical systems, plumbing systems, structural components, foundations, roof coverings, exterior and interior components, any other site aspects that affect the Property, and environmental issues (e.g. radon, mold, asbestos, etc.).

C. Wood Destroying Insect Infestation Inspection Report. If desired by Buyer or required by Buyer's Lender, it shall be Buyer's responsibility to obtain *at Buyer's expense* a Wood Destroying Insect Infestation Inspection Report (the "Report"), which shall be made by a Tennessee licensed and chartered pest control operator. Requests for treatment or for repair of damage, if any, should be addressed in the Buyer's request for repairs pursuant to Subsection 8.D., Buyer's Inspection and Resolution below.

D. Buyer's Inspection and Resolution. Within _____ days after the Binding Agreement Date ("Inspection Period"), Buyer shall cause to be conducted any inspection provided for herein, including but not limited to the Wood Destroying Insect Infestation Inspection Report AND shall provide written notice of such to Seller as described below. *In the event Buyer fails to timely make such inspections and respond within said timeframe as described herein, the Buyer shall have forfeited any rights provided under this Section 8, and in such case shall accept the Property in its current condition, normal wear and tear excepted.*

In said notice Buyer shall either:

(1) In consideration of Buyer having conducted Buyer's good faith inspections as provided for herein, the sufficiency of such consideration being hereby acknowledged, Buyer shall furnish Seller with a list of written specified objections and immediately terminate this Agreement via the Notification form or equivalent written notice. All Earnest Money/Trust Money shall be returned to Buyer upon termination.

OR

(2) accept the Property in its present "AS IS" condition with any and all faults and no warranties expressed or implied via the Notification form or equivalent written notice. Seller has no obligation to make repairs.

OR

- (3) furnish Seller a written list of items which Buyer requires to be repaired and/or replaced with like quality or value in a professional and workmanlike manner via the Repair/Replacement Proposal or equivalent written notice. Seller shall have the right to request any supporting documentation that substantiates any item listed.

Resolution Period. Seller and Buyer shall then have a period of _____ days following receipt of the above stated written list ("Resolution Period") to reach a mutual agreement as to the items to be repaired or replaced with like quality or value by Seller, which shall be evidenced by the Repair / Replacement Amendment or written equivalent(s). The receipt by Seller of the above stated written list or Repair/Replacement Proposal marks the end of the Inspection Period and the beginning of the Resolution Period. *The parties agree to negotiate repairs in good faith during the Resolution Period.* Buyer reserves the right to withdraw the above stated written list or Repair/Replacement Proposal during the Resolution Period via the Notification form or equivalent written notice. Upon withdrawal, Buyer shall be deemed to have accepted the Property in its present "AS IS" condition and Seller shall have no obligation to make repairs.

This Agreement shall terminate at the end of the Resolution Period with a refund of Earnest Money/Trust Money to the Buyer, unless one of the following occurs:

(1) Seller and Buyer enter into a Repair/Replacement Amendment or written equivalent(s);

OR

(2) Buyer provides written notice to Seller that Buyer is accepting Property "AS IS";

OR

(3) Seller and Buyer enter into a written amendment extending the Resolution Period.

- ☐ Buyer waives the option to request items to be repaired and/or replaced under D (3) above and there shall be no Resolution Period. Buyer retains the right to perform Buyer's Inspections and to timely furnish Seller with a list of written specified objections and immediately terminate this Agreement as provided in D (1) above or accept the Property in its present AS IS condition as provided under D (2) above.

☒ E. Waiver of All Inspections. THIS BOX MUST BE CHECKED TO BE PART OF THIS AGREEMENT.

Buyer, having been advised of the benefits of inspections, waives any and all Inspection Rights under this Section 8 (including but not limited to the Wood Destroying Insect Infestation Inspection Report).

- 9. Completion of Repairs.** In the event a Completion of Repairs Deadline is not established in a Repair/ Replacement Amendment or written equivalent, the Buyer shall use the Final Inspection to determine that all repairs/ replacements agreed to during the Resolution Period, if any, have been completed.

In the event repairs have not been completed by the established deadline, Seller shall be considered in default of this Agreement and Buyer may terminate via the Notification Form or written equivalent. Upon termination, Earnest Money/ Trust Money shall be returned to Buyer.

- 10. Final Inspection.** Buyer and/or Buyer's inspectors/representatives shall have the right to conduct a final inspection of Property on the Closing Date or within 3 day(s) prior to the Closing Date only to confirm Property is in the same or better condition as it was on the Binding Agreement Date, normal wear and tear excepted. Property shall remain in such condition until Closing at Seller's expense.

Closing of this sale constitutes acceptance of Property in its condition as of the time of Closing, unless otherwise mutually agreed upon in writing.

- 11. Buyer's Additional Due Diligence Options.** If any of the matters below are of concern to Buyer, Buyer should address the concern by specific contingency in the Special Stipulations Section of this Agreement.

A. Survey and Flood Certification. Survey Work and Flood Certifications are the best means of identifying boundary lines and/or encroachments and easements or flood zone classifications. Buyer may obtain a Mortgage Inspection or Boundary Line Survey and Flood Zone Certifications.

B. Insurability. Many different issues can affect the insurability and the rates of insurance for property. These include factors such as changes in the Flood Zone Certifications, changes to the earthquake zones maps, the insurability of the buyer, and previous claims made on the Property. It is the right and responsibility of Buyer to determine the insurability, coverage and the cost of insuring the Property. It is also the responsibility of Buyer to determine whether any exclusions shall apply to the insurability of said Property.

C. Water Supply. The system may or may not meet state and local requirements. It is the right and responsibility of Buyer to determine the compliance of the system with state and local requirements. [For additional information on this subject, request the "Water Supply and Waste Disposal Notification" form.]

D. Waste Disposal. The system may or may not meet state and local requirements. It is the right and responsibility of Buyer to determine the compliance of the system with state and local requirements. In addition, Buyer may, for a fee, obtain a septic system inspection letter from the Tennessee Department of Environment and Conservation, Division of Ground Water Protection. [For additional information on this subject, request the "Water Supply and Waste Disposal Notification" form.]

E. Title Exceptions. At Closing, the general warranty deed shall be subject to subdivision and/or condominium declarations, covenants, restrictions and easements of record, which may impose obligations and may limit the use of the Property by Buyer.

12. Disclaimer. It is understood and agreed that the real estate firms and real estate licensee(s) representing or assisting Seller and/or Buyer and their brokers (collectively referred to as "Brokers") are not parties to this Agreement and do not have or assume liability for the performance or nonperformance of Seller or Buyer. Buyer and Seller agree that Brokers shall not be responsible for any of the following, including but not limited to, those matters which could have been revealed through a survey, flood certification, title search or inspection of the Property; the insurability of the Property or cost to insure the Property; for the condition of the Property, any portion thereof, or any item therein; for any geological issues present on the Property; for any issues arising out of the failure to physically inspect Property prior to entering into this Agreement and/or Closing; for the necessity or cost of any repairs to the Property; for hazardous or toxic materials; for the tax or legal consequences of this transaction; for the availability, capability, and/or cost of utility, sewer, septic, or community amenities; for any proposed or pending condemnation actions involving Property; for applicable boundaries of school districts or other school information; for the appraised or future value of the Property; for square footage or acreage of the Property; for any condition(s) existing off the Property which may affect the Property; for the terms, conditions, and availability of financing; and/or for the uses and zoning of the Property whether permitted or proposed. Buyer and Seller acknowledge that Brokers are not experts with respect to the above matters and that they have not relied upon any advice, representations or statements of Brokers (including their firms and affiliated licensees) and waive and shall not assert any claims against Brokers (including their firms and affiliated licensees) involving same. Buyer and Seller understand that it has been strongly recommended that if any of these or any other matters concerning the Property are of concern to them, that they secure the services of appropriately credentialed experts and professionals of Buyer's or Seller's choice for the independent expert advice and counsel relative thereto. Buyer and Seller acknowledge that photographs, marketing materials, and digital media used in the marketing of the property may continue to remain in publication after Closing. Buyer and Seller agree that Brokers shall not be liable for any uses of photographs, marketing materials or digital media which the Broker is not in control.

13. Brokerage. As specified by separate agreement(s), the parties agree and acknowledge that the Brokers involved in this transaction may receive compensation for their services; the compensation may come from more than one party. All parties to this Agreement agree and acknowledge that any real estate firm involved in this transaction shall be deemed a third-party beneficiary only for the purposes of enforcing their compensation rights, and as such, shall have the right to maintain an action on this Agreement for any and all compensations due and any reasonable attorney's fees and court costs. Broker compensation is not set by law and compensation rates are fully negotiable.

14. Default. Should Buyer default hereunder, the Earnest Money/Trust Money shall be forfeited as damages to Seller and shall be applied as a credit against Seller's damages. Seller may elect to sue, in contract or tort, for additional damages or specific performance of the Agreement, or both. Should Seller default, Buyer's Earnest Money/Trust Money shall be refunded to Buyer. In addition, Buyer may elect to sue, in contract or tort, for damages or specific performance of this Agreement, or both. In the event that any party hereto shall file suit for breach or enforcement of this Agreement (including suits filed after Closing which are based on or related to the Agreement), the prevailing party shall be entitled to recover all costs of such enforcement, including reasonable attorney's fees. In the event that any party exercises its right to terminate due to the default of the other pursuant to the terms of this Agreement, the terminating party retains the right to pursue any and all legal rights and remedies against the defaulting party following termination. The parties hereby agree that all remedies are fair and equitable and neither party shall assert the lack of mutuality of remedies, rights and/or obligations as a defense in the event of a dispute.

15. Home Protection Plan. This is not a substitution for Home Inspection. Exclusions to coverage may apply. (Select the appropriate box below. Items not selected are not part of this Agreement).

☒ **Home Protection Plan.** Seller to pay \$499 for the purchase of a limited home protection plan to be funded at Closing. Plan Provider: Americas Preferred Home Warranty, Inc. Ordered by: United Country Blue Ridge Land & Auction (Real Estate Company)

430 **A. Binding Effect, Entire Agreement, Modification, Assignment, and Binding Agreement Date.** This Agreement
 431 shall be for the benefit of, and be binding upon, the parties hereto, their heirs, successors, legal representatives and
 432 approved assigns. This Agreement constitutes the sole and entire agreement between the parties hereto and no
 433 modification of this Agreement shall be binding unless signed by all parties or approved assigns to this Agreement.
 434 No representation, promise, or inducement not included in this Agreement shall be binding upon any party hereto. It
 435 is hereby agreed by both Buyer and Seller that any real estate agent working with or representing either party shall not
 436 have the authority to bind the Buyer, Seller or any approved assignee to any contractual agreement unless specifically
 437 authorized in writing within this Agreement. Any approved assignee shall fulfill all the terms and conditions of this
 438 Agreement. The parties hereby authorize either licensee to insert the time and date of receipt of the notice of
 439 acceptance of the final offer. The foregoing time and date shall be referred to for convenience as the Binding
 440 Agreement Date for purposes of establishing performance deadlines.

441 **B. Survival Clause.** Any provision contained herein, which by its nature and effect is required to be performed after

 455 are those days deemed federal holidays pursuant to 5 U.S.C. § 6103(a). In calculating any time period under this
 456 Agreement, the commencement shall be the day following the initial date (e.g. Binding Agreement Date).

457 **F. Responsibility to Cooperate.** Buyer and Seller agree to timely take such actions and produce, execute, and/or deliver
 458 such information and documentation as is reasonably necessary to carry out the responsibilities and obligations of this
 459 Agreement. Except as to matters which are occasioned by clerical errors or omissions or erroneous information, the
 460 approval of the closing documents by the parties shall constitute their approval of any differences between this
 461 Agreement and the Closing. Buyer and Seller agree that if requested after Closing, they shall correct any documents
 462 and pay any amounts due where such corrections or payments are appropriate by reason of mistake, clerical errors or
 463 omissions, or the result of erroneous information.

 469 party for all purposes under this Agreement as may be amended, unless otherwise provided in writing.

470 **H. Risk of Loss.** The risk of hazard or casualty loss or damage to Property shall be borne by the Seller until transfer of
 471 title. If casualty loss prior to Closing exceeds 10% of the Purchase Price, Seller or Buyer may elect to terminate this

TENNESSEE RESIDENTIAL PROPERTY CONDITION EXEMPTION

1 Property Address: 1131 Cherry Springs Lane ; Trade, TN 37691
 2 Seller: James B. Page and Teresa W. Page

3 The Tennessee Residential Property Disclosure Act requires sellers of residential real property with one to four dwelling units
 4 to furnish to a buyer one of the following: (1) a residential property disclosure statement (the "Disclosure"), or (2) a residential
 5 property disclaimer statement (permitted only where the buyer waives the required Disclosure). Some property transfers may
 6 be exempt from this requirement (See Tenn. Code Ann. § 66-5-209). The following is a summary of the buyers' and sellers'
 7 rights and obligations under the Act. A complete copy of the Act may be found at Tenn. Code Ann. § 66-5-201, et seq.

- 8 1. Sellers must disclose all known material defects, and must answer the questions on the Disclosure form in good faith to
 9 the best of the seller's knowledge as of the Disclosure date.
- 10 2. Sellers must give the buyers the Disclosure form before the acceptance of a purchase contract.
- 11 3. Sellers must inform the buyers, at or before closing, of any inaccuracies or material changes in the condition that have
 12 occurred since the time of the initial Disclosure, or certify that there are no changes.
- 13 4. Sellers may give the buyers a report or opinion prepared by a professional inspector or other expert(s), or certain
 14 information provided by a public agency, in lieu of responding to some or all of the questions on the form (See Tenn. Code
 15 Ann. § 66-5-204).
- 16 5. Sellers are not required to have a home inspection or other investigation in order to complete the Disclosure form.
- 17 6. Sellers are not required to repair any items listed on the Disclosure form or on any past or future inspection report unless
 18 agreed to in the purchase contract.
- 19 7. Sellers involved in the first sale of a dwelling must disclose the amount of any impact fees or adequate facility taxes paid.
- 20 8. Sellers are not required to disclose if any occupant was HIV-positive, or had any other disease not likely to be transmitted
 21 by occupying a home, or whether the home had been the site of a homicide, suicide or felony, or act or occurrence which
 22 had no effect on the physical structure of the property.
- 23 9. Sellers may provide an "as is", "no representations or warranties" disclaimer statement in lieu of the Disclosure form only
 24 if the buyer waives the right to the required disclosure, otherwise the sellers must provide the completed Disclosure form
 25 (See Tenn. Code Ann. § 66-5-202).
- 26 10. Sellers may be exempt from having to complete the Disclosure form in certain limited circumstances (e.g. public auctions,
 27 court orders, some foreclosures and bankruptcies, new construction with written warranty, or owner has not resided on the
 28 property at any time within the prior 3 years). (See Tenn. Code Ann. § 66-5-209).
- 29 11. Buyers are advised to include home, wood infestation, well, water sources, septic system, lead-based paint, radon, mold,
 30 and other appropriate inspection contingencies in the contract, as the Disclosure form is not a warranty of any kind by the
 31 seller, and is not a substitute for any warranties or inspections the buyer may desire to purchase.
- 32 12. Any repair of disclosed defects must be negotiated and addressed in the Purchase and Sale Agreement; otherwise, seller is
 33 not required to repair any such items.
- 34 13. Buyers may, but do not have to, waive their right to receive the Disclosure form from the sellers if the sellers provide a
 35 disclaimer statement with no representations or warranties. (See Tenn. Code Ann. § 66-5-202).
- 36 14. Remedies for misrepresentations or nondisclosure in a Property Condition Disclosure statement may be available to buyer
 37 and are set out fully in Tenn. Code Ann. § 66-5-208. Buyer should consult with an attorney regarding any such matters.
- 38 15. Representations in the Disclosure form are those of the sellers only, and not of any real estate licensee, although licensees
 39 are required to disclose to all parties adverse facts of which the licensee has actual knowledge or notice.
- 40 16. Pursuant to Tenn. Code Ann. § 47-18-104(b), sellers of newly constructed residences on a septic system are prohibited
 41 from knowingly advertising or marketing a home as having more bedrooms than are permitted by the subsurface sewage
 42 disposal system permit.
- 43 17. Sellers must disclose the presence of any known exterior injection well, the presence of any known sinkhole(s), the results
 44 of any known percolation test or soil absorption rate performed on the property that is determined or accepted by the

Department of Environment and Conservation, and whether the property is located within a Planned Unit Development as defined by Tenn. Code Ann. § 66-5-213 and, if requested, provide buyers with a copy of the development's restrictive covenants, homeowner bylaws and master deed. Sellers must also disclose if they have knowledge that the residence has ever been moved from an existing foundation to another foundation.

The Buyers and Sellers involved in the current or prospective real estate transaction for the property listed above acknowledge that they were informed of their rights and obligations regarding Residential Property Disclosures, and that this information was provided by the real estate licensee(s) prior to the completion or reviewing of a Tennessee Residential Property Condition Disclosure, a Tennessee Residential Property Condition Disclaimer Statement, or a Tennessee Residential Property Condition Exemption. Buyers and Sellers also acknowledge that they were advised to seek the advice of an attorney on any legal questions they may have regarding this information or prior to taking any legal actions.

The Tennessee Residential Property Disclosure Act states that anyone transferring title to residential real property must provide information about the condition of the property. This completed form constitutes that disclosure by the Seller. The information contained in the disclosure is the representation of the owner and not the representation of the real estate licensee or sales person, if any. This is not a warranty or a substitute for any professional inspections or warranties that the purchasers may wish to obtain.

Buyers and Sellers should be aware that any sales agreement executed between the parties shall supersede this form as to the terms of sale, property included in the sale and any obligations on the part of the seller to repair items identified below and/or the obligation of the buyer to accept such items "as is."

WORKING WITH A REAL ESTATE PROFESSIONAL

Pursuant to the Tennessee Real Estate Broker License Act, every Real Estate Licensee owes the following duties to every Buyer and Seller, Tenant and Landlord (collectively "Buyers" and "Sellers"):

1. To diligently exercise reasonable skill and care in providing services to all parties to the transaction;
2. To disclose to each party to the transaction any Adverse Facts of which Licensee has actual notice or knowledge;
3. To maintain for each party in a transaction the confidentiality of any information obtained by a Licensee prior to disclosure to all parties of a written agency agreement entered into by the Licensee to represent either or both parties in the transaction. This duty of confidentiality extends to any information which the party would reasonably expect to be held in confidence, except for any information required by law to be disclosed. This duty survives both the subsequent establishment of an agency relationship and the closing of the transaction;
4. To provide services to each party to the transaction with honesty and good faith;
5. To disclose to each party to the transaction timely and accurate information regarding market conditions that might affect such transaction only when such information is available through public records and when such information is requested by a party;
6. To give timely account for earnest money deposits and all other property received from any party to a transaction; and
7. A) To refrain from engaging in self-dealing or acting on behalf of Licensee's immediate family, or on behalf of any other individual, organization or business entity in which Licensee has a personal interest without prior disclosure of such personal interest and the timely written consent of all parties to the transaction; and
B) To refrain from recommending to any party to the transaction the use of services of another individual, organization or business entity in which the Licensee has an interest or from whom the Licensee may receive a referral fee or other compensation for the referral, other than referrals to other Licensees to provide real estate services, without timely disclosure to the party who receives the referral, the Licensee's interest in such a referral or the fact that a referral fee may be received.

In addition to the above, the Licensee has the following duties to Client if the Licensee has become an Agent or Designated Agent in a transaction:

8. Obey all lawful instructions of the client when such instructions are within the scope of the agency agreement between the Licensee and Licensee's client;
9. Be loyal to the interests of the client. Licensee must place the interests of the client before all others in negotiation of a transaction and in other activities, except where such loyalty/duty would violate Licensee's duties to a customer in the transaction; and
10. Unless the following duties are specifically and individually waived in writing by a client, Licensee shall assist the client by:
 - A) Scheduling all property showings on behalf of the client;
 - B) Receiving all offers and counter offers and forwarding them promptly to the client;
 - C) Answering any questions that the client may have in negotiation of a successful purchase agreement within the scope of the Licensee's expertise; and
 - D) Advising the client as to whatever forms, procedures and steps are needed after execution of the purchase agreement for a successful closing of the transaction.

Upon waiver of any of the above duties contained in 10. above, a consumer must be advised in writing by such consumer's agent that the consumer may not expect or seek assistance from any other licensees in the transaction for the performance of said duties.

Responsibilities of Sellers and Buyers regarding presence of Recording Devices:

Seller is responsible for compliance with state or federal law regarding usage of video or audio recording devices while marketing or showing the property. Seller should seek legal advice regarding their rights or limitations related to their actions.

Buyer is advised of the possibility that some properties may utilize security devices that record physical movements or audio conversations. Therefore, Buyers should limit making comments concerning the value, features, or condition while viewing any property.

AN EXPLANATION OF TERMS

Facilitator/Transaction Broker (not an agent for either party). The Licensee is not working as an agent for either party in this consumer's prospective transaction. A Facilitator may advise either or both of the parties to a transaction but cannot be considered a representative or advocate of either party. "Transaction Broker" may be used synonymously with, or in lieu of, "Facilitator" as used in any disclosures, forms or agreements. [By law, any licensee or company who has not entered into a written agency agreement with either party in the transaction is considered a Facilitator or Transaction Broker until such time as an agency agreement is established.]

Agent for the Seller. The Licensee's company is working as an agent for the property seller and owes primary loyalty to the seller. Even if the Licensee is working with a prospective buyer to locate property for sale, rent, or lease, the Licensee and licensee's company are legally bound to work in the best interests of any property owners whose property is shown to this prospective buyer. An agency relationship of this type cannot, by law, be established without a written agency agreement.

Agent for the Buyer. The Licensee's company is working as an agent for the prospective buyer, owes primary loyalty to the buyer, and shall work as an advocate for the best interests of the buyer. An agency relationship of this type cannot, by law, be established without a written buyer agency agreement.

Disclosed Dual Agent (for both parties). Refers to a situation in which the Licensee has agreements to provide services as an agent to more than one party in a specific transaction and in which the interests of such parties are adverse. This agency status may only be employed upon full disclosure to each party and with each party's informed consent.

Designated Agent for the Seller. The individual Licensee that has been assigned by the Managing Broker and is working as an agent for the Seller or property owner in this consumer's prospective transaction, to the exclusion of all other licensees in licensee's company. Even if someone else in the Licensee's company represents a possible buyer for this Seller's property, the Designated Agent for the Seller shall continue to work as an advocate for the best interests of the Seller or property owner. An agency relationship of this type cannot, by law, be established without a written agency agreement.

Designated Agent for the Buyer. The individual Licensee that has been assigned by the Managing Broker and is working as an agent for the Buyer in this consumer's prospective transaction, to the exclusion of all other licensees in the company. Even if someone else in the Licensee's company represents a seller in whose property the Buyer is interested, the Designated Agent for the Buyer shall continue to work as an advocate for the best interests of the Buyer. An agency relationship of this type cannot, by law, be established without a written agency agreement.

Adverse Facts. "Adverse Facts" means conditions or occurrences generally recognized by competent licensees that have a negative impact on the value of the real estate, significantly reduce the structural integrity of improvements to real property or present a significant health risk to occupants of the property.

Confidentiality. By law, every licensee is obligated to protect some information as confidential. This includes any information revealed by a consumer which may be helpful to the other party IF it was revealed by the consumer BEFORE the Licensee disclosed an agency relationship with that other party. AFTER the Licensee discloses that licensee has an agency relationship with another party, any such information which the consumer THEN reveals must be passed on by the Licensee to that other party.

DISCLAIMER NOTICE

The Broker and their affiliated licensees (hereinafter collectively "Licensees") are engaged in bringing together buyers and sellers in real estate transactions. Licensees expressly deny any expertise with respect to advice or informed opinions regarding any of the following matters. This Disclaimer Notice is an express warning to all sellers and buyers that they should not rely on any statement, comment or opinion expressed by any Licensee when making decisions about any of the following matters, including the selection of any professional to provide services on behalf of buyers or sellers. Any professional selected by buyers or sellers should be an "independent, qualified professional", who complies with all applicable state/local requirements, which may include licensing, insurance, and bonding requirements. It is strongly recommended that buyers include contingency clauses in their offers to purchase with respect to these or any other matters of concern and that buyers, in writing the offer, allow enough time to get an evaluation of the following matters from an independent, qualified professional. The matters listed below are not an exclusive list of actions or circumstances which are not the responsibility of the Licensees with whom you work. These items are examples and are provided only for your guidance and information.

1. **THE STRUCTURAL OR OTHER CONDITIONS OF THE PROPERTY.** Consult with professional engineers or other independent, qualified professionals to ascertain the existence of structural issues, the condition of synthetic stucco (E.I.F.S.) and/or the overall condition of the property.
2. **THE CONDITION OF ROOFING.** Consult with a bonded roofing company for any concerns about the condition of the roof.
3. **HOME INSPECTION.** We strongly recommend that you have a home inspection, which is a useful tool for determining the overall condition of a home including, but not limited to, electrical, heating, air conditioning, plumbing, water-heating systems, fireplaces, windows, doors and appliances. Contact several sources (like the Tennessee Department of Commerce & Insurance (<http://tn.gov/commerce/>), the American Society of Home Inspectors (www.ashi.com), the National Association of Certified Home Inspectors (www.nahi.org), and Home Inspectors of Tennessee Association (www.hita.us) and independently investigate the competency of an inspector, including whether he has complied with State and/or local licensing and registration requirements in your area. The home inspector may, in turn, recommend further examination by a specialist (heating-air-plumbing, etc.). **Failure to inspect typically means that you are accepting the property "as is".**
4. **WOOD DESTROYING ORGANISMS, PESTS AND INFESTATIONS.** It is strongly recommended that you use the services of a licensed, professional pest control company to determine the presence of wood destroying organisms (termites, fungus, etc.) or other pests or infestations and to examine the property for any potential damage from such.
5. **ENVIRONMENTAL HAZARDS.** Environmental hazards, such as, but not limited to: radon gas, mold, asbestos, lead-based paint, hazardous wastes, landfills, byproducts of methamphetamine production, high-voltage electricity, noise levels, etc., require advanced techniques by environmental specialists to evaluate, remediate and/or repair. It is strongly recommended that you secure the services of knowledgeable professionals and inspectors in all areas of environmental concern.
6. **SQUARE FOOTAGE.** There are multiple sources from which square footage of a property may be obtained. Information is sometimes gathered from tax or real estate records on the property. Square footage provided by builders, real estate licensees, or tax records is only an **estimate** with which to make comparisons, but **it is not guaranteed**. It is advised that you have a licensed appraiser determine actual square footage.
7. **CURRENT VALUE, INVESTMENT POTENTIAL, OR RESALE VALUE OF THE PROPERTY.** A true estimate of the value can only be obtained through the services of a licensed appraiser. No one, not even a professional appraiser, can know the future value of a property. Unexpected and unforeseeable things happen.

This form is copyrighted and may only be used in real estate transactions in which Sharon C Roseman is involved as a Tennessee REALTORS® authorized user. Unauthorized use of the form may result in legal sanctions being brought against the user and should be reported to Tennessee REALTORS® at 615-321-1477.

NOTE: A real estate licensee's Comparative Market Analysis (CMA) or Broker's Price Opinion (BPO), etc., while sometimes used to set an asking price or an offer price, is **not** an appraisal.

- 8. BOUNDARY LINES, EASEMENTS, ENCROACHMENTS, ROAD MAINTENANCE, AND ACREAGE.** A survey can provide helpful information, including whether the road to the home is a public or private road. It is strongly advised that you secure the services of a licensed surveyor for a full-stake boundary survey with all boundary lines, easements, encroachments, flood zones, road information, total acreage, etc., clearly identified. It is also advised that you **not** rely on mortgage loan inspection surveys, previous surveys, plat data, or Multiple Listing Service (MLS) data for this information, even if acceptable to your lender.
- 9. ZONING, CODES, COVENANTS, RESTRICTIONS, AND RELATED ISSUES.** Zoning, codes, covenants, restrictions, home owner association by-laws, special assessments, city ordinances, governmental repair requirements and related issues need to be verified by the appropriate sources in writing. If your projected use requires a zoning or other change, it is recommended that you either wait until the change is **in effect** before committing to a property or provide for this contingency in your Purchase and Sale Agreement.
- 10. UTILITY CONNECTIONS, SEPTIC SYSTEM CAPABILITY, AND RELATED SERVICES.** The availability, adequacy, connection and/or condition of waste disposal (sewer, septic system, etc.), water supply, electric, gas, cable, internet, telephone, or other utilities and related services to the property need to be verified by the appropriate sources in writing (including but not limited to fire protection). You should have a professional check access and/or connection to public sewer and/or public water source and/or the condition of any septic system(s) and/or wells. To confirm that any septic systems are properly permitted for the actual number of bedrooms, it is recommended that sellers and/or buyers request a copy of the information contained in the file for the property maintained by the appropriate governmental permitting authority. If the file for this property cannot be located or you do not understand the information contained in the file, you should seek professional advice regarding this matter. For unimproved land, septic system capability can only be determined by using the services of a professional soil scientist and verifying with the appropriate governmental authorities that a septic system of the desired type, size, location, and cost can be permitted and installed to accommodate the size home that you wish to build.
- 11. FLOODING, DRAINAGE, FLOOD INSURANCE, AND RELATED ITEMS.** It is recommended that you have a civil or geotechnical engineer or other independent expert determine the risks of flooding, drainage or run-off problems, erosion, land shifting, unstable colluvial soil, sinkholes and landfills. The risk of flooding may increase and drainage or storm run-off pathways may change. Be sure to consult with the proper governmental authorities, elevation surveyors, and flood insurance professionals regarding flood and elevation certificates, flood zones, and flood insurance requirements, recommendations and costs.
- 12. CONDEMNATION.** It is recommended that you investigate whether there are any pending or proposed condemnation proceedings or similar matters concerning any portion of the property with the State, County and city/town governments in which the property is located. Condemnation proceedings could result in all or a portion of the property being taken by the government with compensation being paid to the landowner.
- 13. SCHOOL DISTRICTS AND OTHER SCHOOL INFORMATION.** It is advised that you independently confirm school zoning with the appropriate school authorities, as school districts are subject to change. Other school information (rankings, curriculums, student-teacher ratios, etc.) should be confirmed by appropriate sources in writing.
- 14. INFORMATION ABOUT CRIMES, METHAMPHETAMINE PROPERTIES, OR SEX OFFENDERS.** You should consult with local, state and federal law enforcement agencies for information or statistics regarding criminal activity at or near the property, the presence of methamphetamine manufacturing, or for the location of sex offenders in a given area.
- 15. LEGAL AND TAX ADVICE.** You should seek the advice of an attorney and/or certified tax specialist on any legal or tax questions concerning any offers, contracts, issues relating to title or ownership of the property, or any other matters of concern, including those itemized in this Disclaimer Notice. Real estate licensees are **not** legal or tax experts, and therefore cannot advise you in these areas.

This form is copyrighted and may only be used in real estate transactions in which Sharon C Roseman is involved as a Tennessee REALTORS® authorized user. Unauthorized use of the form may result in legal sanctions being brought against the user and should be reported to Tennessee REALTORS® at 615- 321-1477.

16. TITLE INSURANCE EXPENSES. As the Buyer of real property, you have the right to obtain an Owner's Title Insurance Policy to protect your ownership. Once purchased, an Owner's Title Insurance Policy protects you for as long as you own the property (and potentially longer). There are two main types of title insurance policies available to the Buyer: (a) a Standard policy (which covers many claims affecting the land) or (b) a "Homeowner's" policy. The Homeowner's policy covers all the claims of a Standard policy – but it is also an expanded policy providing multiple additional coverages not included in the Standard policy, e.g. post policy issues such as an attempted fraudulent deed conveyance. Unlike other title protection alternatives (e.g. attorney title opinion letters) both the Standard and the Homeowner's policy are regulated products provided by insurance companies licensed under Tennessee law. It is the Buyer's responsibility to seek independent advice or counsel prior to Closing from Buyer's Closing Agency regarding the availability and coverage provided under an American Land Title Association Standard Owner's Insurance policy and, if available, a Homeowner's Title Insurance Policy. For more information, please visit these helpful links: <https://www.alta.org/news-and-publications/> **ALTA - Unregulated Title Insurance Alternatives**

17. RECOMMENDED INSPECTORS, SERVICE PROVIDERS, OR VENDORS. The furnishing of any inspector, service provider or vendor named by the real estate licensee is done only as a convenience and a courtesy, and does not in any way constitute any warranty, representation, or endorsement. Buyers and sellers have the option to select any inspectors, service providers or vendors of the buyer's or seller's choice. You are advised to contact several sources and independently investigate the competency of any inspector, contractor, or other professional expert, service provider or vendor and to determine compliance with any licensing, registration, insurance and bonding requirements in your area.

18. RELIANCE. You understand that it is your responsibility to determine whether the size, location and condition of the property are acceptable prior to submitting an Offer on a property. Broker makes no representations as to suitability of a property to your needs. You acknowledge that any images or other marketing materials provided by the seller or brokers involved in the transaction electronically or in print may not display the property's features, flaws, odor(s), or size and that you shall not rely on such images when purchasing a property.

19. MARKETING MATERIALS. You acknowledge that photographs, marketing materials, and digital media used in the marketing of the property may continue to remain in publication after Closing. You agree that Broker shall not be liable for any uses of photographs, marketing materials or digital media which the Broker is not in control.

The Buyer/Seller acknowledges that they have not relied upon the advice, casual comments, media representations or verbal representations of any real estate licensee relative to any of the matters itemized above or similar matters. The Buyer/Seller understands that it has been strongly recommended that they secure the services of appropriately credentialed experts and professionals of the buyer's or seller's choice for the advice and counsel about these and similar concerns.

WIRE FRAUD WARNING

Criminals use many methods to steal our money, even when we are buying or selling a home – particularly involving wire fund transfers. Scammers typically will send an email that APPEARS to be from your agent, broker, lender, or the closing attorney/closing agency. Be on the lookout for:

- Phony email addresses (e.g., a slight change in the domain name), authentic-looking fake websites, phony fax numbers, texts, calls or social media messages from scammers.
- Any communication requesting information or directing you to a fake website, a criminal's email address or a criminal's bank account.

In preparation for closing, Buyers will often need to wire transfer funds from their personal bank to the closing attorney/closing agency.

NEVER ACCEPT WIRING INSTRUCTIONS FROM YOUR AGENT OR BROKER.

FWP Initials *JRP* Initials

Rather, you should receive wiring instructions prior to closing from the closing attorney/closing agency or your lender. If the instructions are sent by email they should be in a secured manner. **DO NOT TRANSFER FUNDS UNTIL** you have verified the authenticity of the wiring instructions by at least one other independent means, including but not limited to the following:

- Call the phone number you used on all your prior calls (if the number came from a personally recognized or known source), or
- Call the closing attorney/ closing agency or lender after verifying their phone number from a known third party source, such as the entity's official website and/or public directory assistance (do not take the phone number directly from the wiring instruction form you received), or
- Make a personal visit to their office at the address you previously met with them.

If you send wiring instructions by email or any electronic means to anyone at your bank or other financial institution in preparation for closing, **DO NOT TRANSFER ANY FUNDS** until after you verify that the correct instructions were received by a known representative at your financial institution. Also, it is important to confirm with the financial institution that the **WIRE INSTRUCTIONS ARE NOT TO BE SUBSTITUTED WITHOUT YOUR PRIOR CONSENT.** Any wiring instructions sent should be sent in a secured manner. Be especially aware of any request to change any of the original wiring/money transfer information, change in the person you have been working with on the transaction, or a subtle difference in their behavior, speech, or grammar. These are some signs of a potential scam. Wiring instructions for closing attorneys, title companies and lenders rarely if ever change, so any request to change this information should be handled with caution.

If you suspect you may be a victim of wire fraud or that you may have received suspicious phone calls, emails, text messages, faxes, social media messages, emails from a fake address, a change in contact person at your bank or mortgage company, or changes to wire transfer or financing institutions:

- **IMMEDIATELY** call your bank and/or mortgage company at the phone number you used in all prior calls.
- Then, call your agent at the phone number you used in all prior calls.

- The size of a chamber system shall be equivalent to the total linear footage required for a three (3) feet wide conventional subsurface sewage disposal system. However, where the soil absorption rate is from ten (10) to sixty (60) minutes per inch, the total linear footage may be reduced by thirty (30) percent. If a portion of a unit is left over after determining the total linear footage required, round up to the nearest whole unit.
