STATES REALTY**

Here's your chance to own a secluded 40 acres with an off grid cabin, a pond, two large food plots and covered in mature plantation pine and mature hardwood timber along the creek bottom. This place is a hidden gem and has great hunting potential being surrounded by multiple large land owners of similar timber types and habitat. The camp is 100% self sufficient with a watering system and it is also set up to run off of a generator. Everything is turnkey and ready to enjoy so call and schedule your appointment today!
