SOUTHERN STATES REALTY

Welcome to the Deer Creek 532 located in Lorman, MS. This property is full of potential with high deer and turkey numbers, a manicured road system, 5 large acreage food plots all including box stands and a new 43' x 43' shop. The landowner is currently working on building a new pond on the north end of the property, potentially 7-9 acres. The pond site can be easily viewed from the hilltop where a house pad has already been cleared and leveled along with the new shop sitting just behind it. There is power run all the way to the camp/shop site as well as community water. We have a great inventory of trail camera photos as well as past harvest pics from recent hunting seasons. This one is set up and ready to hunt, so don't wait, CALL TODAY!
