

Fully furnished 1 Bed, 1 Bath river cabin on 5 acres with a beautiful sandbar/rockbar fronting the Bogue Chitto River. One of the prettiest swim holes on the river makes this camp great for fishing, kayaking, canoeing or just relaxing on the river's edge. The river is just a short path away from the fully furnished cabin that includes a brand new central AC/heat unit, new refrigerator, new microwave, new wood laminate flooring and all new furniture. The property is privately located down a long, gated driveway and has a water well, septic system and big porch overlooking the woods. These type properties do not come along often. Call today to view this rare, secluded river cabin. You will not want to leave!!!!
