LICENSE TO OPERATE this facility is hereby granted to the owner. This license simply grants permission to operate this facility; it does not guarantee its successful operation. Routine maintenance and proper functioning are the sole responsibility of the owner. KEEP THIS LICENSE with important papers. You will need it when selling your house or if a malfunction occurs.

THIS LICENSE REMAINS in effect until such time as there is evidence that this facility is not operating properly and may constitute a threat to the health of the people of Coryell County and surrounding areas. This serves to notify all persons that an OSSF owned by the above named property owner has satisfied design, construction and installation requirements set forth by Coryell County and the Texas Commission on Environmental Quality (TCEQ). This Coryell County OSSF Original Permit is issued for the operation of the above identified on-site sewage facility, not to exceed 270 gallons per day.

All aerobic systems require ongoing maintenance and a copy of the maintenance contract must be provided to this office. All manufacturer's maintenance requirements must be maintained.
