Mr. Hammill,

On March 14, 2023 the Cabarrus County Planning and Zoning Commission acted to approve your request to rezone PIN 6603-89-3130 from OI (Office Institutional) to AO (Agricultural Open Space). All rezoning requests that are approved by a three-fourths majority vote of the Planning and Zoning Commission are considered expedited and approved. Therefore, your request does not have to be forwarded to the Board of Commissioners for a final decision unless an appeal is filed within 15 days of the date of the Commission's decision. No appeal was filed, the decision of the Planning and Zoning commission stands and no further action is required.

Should you have any questions, feel free to contact me at (704)920-2181.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Howell".
