Other Options

| This well log reports the activities of a licensed Montana well driller, serves as the |
|--|
| official record of work done within the borehole and casing, and describes the |
| amount of water encountered. This report is compiled electronically from the |
| contents of the Ground Water Information Center (GWIC) database for this site. |
| Acquiring water rights is the well owner's responsibility and is NOT accomplished |
| by the filing of this report. |
