**SCHEDULE B, PART I
REQUIREMENTS**
(continued)

The Company reserves the right to add additional items or make further requirements after review of the requested information.

9. The search did not disclose any open mortgages or deeds of trust of record, therefore the Company reserves the right to require further evidence to confirm that the property is unencumbered, and further reserves the right to make additional requirements or add additional items or exceptions upon receipt of the requested evidence.
10. A cursory search of the title does not indicate a right of way access to this property. In order to attempt to reduce the potentially vast number of properties that may need to be searched to determine the existence of such right, we require a map showing the physical route taken to and from the Land. No further search for access will be attempted until such map is received. Further, additional charges may be made to make the necessary examinations of property to determine access. However, no work that would incur additional charges shall be commenced without approval of the appropriate parties to this transaction. An exhaustive search of the surrounding properties does not guarantee the existence of insurable access even though the roads providing physical access to the property are maintained by a government entity. In the event this transaction is closed prior to a final determination of the existence of an insurable right of access, the following exception shall be placed in Schedule B of the policy:
- “The lack of a right of access to and from the Land.”
11. The parties to be insured herein acknowledge that they have read Paragraph 5, of Schedule B herein; and that the title insurance policy, when issued, will not insure against lack of access to and from the Land shown in Paragraph 5, Schedule A.

Note: Property address is purported to be known as: 0000 Unknown, Mohave Valley, AZ

Note: Any documents being executed in conjunction with this transaction must be signed in the presence of an authorized Company employee, an authorized employee of a Company agent, an authorized employee of the insured lender, or by using Bancserv or other Company-approved third-party service. If the above requirement cannot be met, please call the Company at the number provided in this report.

WIRE FRAUD ALERT

This Notice is not intended to provide legal or professional advice.
If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. DO NOT use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the number of relevant parties to the transaction as soon as an escrow account is opened.** DO NOT send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and do NOT reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.
