If the Property is within such a development, the Act requires Seller to obtain an association disclosure packet from the property owners' association and provide it to Purchaser.

The information contained in the association disclosure packet shall be current as of a specified date which shall be within 30 days of the date of acceptance of the Contract by the Seller. Purchaser may cancel this Contract: (i) within 3 days after the date of the Contract, if on or before the date that Purchaser signs the Contract, Purchaser receives the association disclosure packet or is notified that the association disclosure packet will not be available; (ii) within 3 days after hand-delivered receipt of the association disclosure packet or notice that the association disclosure packet will not be available; or (iii) within 6 days after the post-marked date, if the association disclosure packet or notice that the association disclosure packet will not be available is sent to Purchaser via the United States mail. Purchaser may also cancel the Contract, without penalty, at any time prior to Settlement if Purchaser has not been notified that the association disclosure packet will not be available and the association disclosure packet is not delivered to Purchaser. Purchaser's notice of cancellation shall be either hand-delivered or sent via United States mail, return receipt requested, to Seller. Purchaser's cancellation pursuant to this subsection shall be without penalty. This Contract shall become void upon cancellation and the Deposit shall be refunded in full to Purchaser upon Purchaser's notice of cancellation.

If more than 6 months have elapsed between the date of ratification of this Contract and the Settlement Date, Purchaser may submit a copy of the Contract to the property owners' association along with a request for assurance that the information required by Virginia Code § 55-512 previously furnished to Purchaser in the association disclosure packet remains materially unchanged; or, if there have been material changes, a statement specifying such changes. Purchaser shall be provided with such assurances or such statement within 10 days of the receipt of such request by the property owner's association. Purchaser may be required to pay a fee for the preparation and issuance of the requested assurances. Said fee shall reflect the actual costs incurred by the property owners' association in providing such assurances but shall not exceed \$100.00 or such higher amount as may now or hereafter be permitted pursuant to applicable statutes.

(c) **Virginia Condominium Act.** Pursuant to Virginia Code § 55-79.97, Seller represents that the Property is not a condominium unit. If the Property is a condominium unit, this Contract is subject to the Virginia Condominium Act that requires Seller to furnish Purchaser with certain financial and other disclosures prior to entering into a binding contract. If the required disclosures are unavailable on the date of ratification, Seller shall promptly request them from the unit condominium owners' association and provide them to Purchaser who shall acknowledge receipt in writing upon delivery. If Purchaser fails to receive the disclosures within 15 days after the date of ratification of this Contract or the disclosures are found unacceptable to Purchaser, Purchaser may void this Contract by delivering notice to the Broker within 3 days after the disclosures are received or due (if not received) and Purchaser's Deposit shall be returned promptly.

If more than 60 days have lapsed between the date of ratification of this Contract and the Settlement Date, Purchaser may submit a copy of the Contract to the unit owners' condominium association with a request for assurance from the unit owners' condominium association that there have been no material changes from the previously furnished information from the unit owners' condominium association.

Purchaser may declare this Contract void within 3 days after either receipt of the required disclosures or of notice that there are material changes, or the failure of the condominium unit owners' association to provide assurances (within 10 days after receipt of Purchaser's request) that there have been no material changes.

(d) **Mechanics' and Materialmen's Liens.**

NOTICE

Virginia law (Virginia Code § 43-1 *et seq.*) permits persons who have performed labor or furnished materials for the construction, removal, repair or improvement of any building or structure to file a lien against the Property. This lien may be filed at any time after the work is commenced or the material is furnished, but not later than the earlier of (i) 90 days from the last day of the month in which the lienor last performed work or furnished materials or (ii) 90 days from the time the construction, removal, repair or improvement is terminated.

AN EFFECTIVE LIEN FOR WORK PERFORMED PRIOR TO THE SETTLEMENT DATE MAY BE FILED AFTER SETTLEMENT. LEGAL COUNSEL SHOULD BE CONSULTED.

(e) **Notice of Principal Residence.** Purchaser does _____ or does not _____ intend to occupy the Property as Purchaser's principal residence.

(f) **Title Insurance Notification.** Purchaser may wish at Purchaser's expense to purchase owner's title insurance. Depending on the particular circumstances of the transaction, such insurance could include affirmative coverage against possible mechanics' and materialmen's liens for labor and materials performed prior to Settlement and which, though not recorded at the time of recordation of Purchaser's deed, could be subsequently recorded and would adversely affect Purchaser's title to the

Property. The coverage afforded by such title insurance would be governed by the terms and conditions thereof, and the premium for obtaining such title insurance coverage will be determined by its coverage.

(g) **Lead-Based Paint Disclosure.** The certification, required pursuant to the Lead-Based Paint Hazard Reduction Act of 1992, signed by Seller on any residence built prior to 1978. Home was built in 1984 and lead base paint disclosures do not apply.

(h) **Choice of Settlement Agent.** Virginia's Consumer Real Estate Settlement Protection Act provides that the purchaser or borrower has the right to select the settlement agent to handle the closing of this transaction. The settlement agent's role in closing this transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, the lender for the purchaser will instruct the settlement agent as to the signing and recording of loan documents and the disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Virginia and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.

Variation by agreement: The provisions of the Consumer Real Estate Settlement Protection Act may not be varied by agreement, and rights conferred by this chapter may not be waived. The Seller may not require the use of a particular settlement agent as a condition of the sale of the property.

Escrow, closing and settlement service guidelines: The Virginia State Bar issues guidelines to help settlement agents avoid and prevent the unauthorized practice of law in connection with furnishing escrow, settlement or closing services. As a party to a real estate transaction, the purchaser or borrower is entitled to receive a copy of these guidelines from your settlement agent, upon request, in accordance with the provisions of the Consumer Real Estate Settlement Protection Act.

7. **Standard Provisions.**

(a) **Deposit.** If Purchaser fails to complete settlement on or before the Settlement Date, time being of the essence, the Deposit shall be forfeited to the Seller. Such forfeiture shall not limit any liability of the defaulting Purchaser or any rights or remedies of the Seller with respect to any such default, and the defaulting Purchaser shall be liable for all costs of re-sale of the Property (including attorney's fees of Seller), plus any amount by which the ultimate sale price for the Property is less than the defaulting purchaser's bid. After any such default and forfeiture, the Property may, at the discretion of the Seller, be conveyed to the next highest bidder of the Property whose bid was acceptable to the Seller. In the event the Seller does not execute a deed of conveyance for any reason, the Purchaser's sole remedy shall be the refund of the deposit. Immediately upon delivery of the deed for the Property by the Seller, all duties, liabilities, and obligations of the Seller, if any, to the purchaser with respect to the Property shall be extinguished.

(b) **Expenses and Prorations.** Seller agrees to pay the costs of preparing the deed, certificates for non-foreign status and state residency and the applicable IRS Form 1099, and the recordation tax applicable to grantors. Except as otherwise agreed herein, all other expenses incurred by Purchaser in connection with the Contract and the transaction set forth therein, including, without limitation, title examination costs, insurance premiums, survey costs, recording costs, loan document preparation costs and fees of Purchaser's attorney, shall be borne by Purchaser. All taxes, assessments, interest, rent and mortgage insurance, if any, shall be prorated as of Settlement. In addition to the Purchase Price, Purchaser shall pay Seller (i) for all propane remaining on the Property (if any) at the prevailing market price as of Settlement and (ii) any escrow Deposits made by Seller which are credited to Purchaser by the holders thereof.

(c) **Title.** At Settlement, Seller shall convey to Purchaser good and marketable fee simple title to the Property by **Deed of Special Warranty**, free of all liens, tenancies, defects and encumbrances, except as otherwise indicated herein, and subject only to such restrictions and easements as shall then be of record which do not affect the use of the Property for residential purposes or render the title unmarketable. If a defect is found which can be remedied by legal action within a reasonable time, Seller shall, at Seller's expense, promptly take such action as is necessary to cure the defect. If Seller, acting in good faith, is unable to have such defect corrected within 60 days after notice of such defect is given to Seller, then this Contract may be terminated by either Seller or Purchaser. Purchaser may extend the date for Settlement to the extent necessary for Seller to comply with this Paragraph but not longer than 60 days.

(d) **Land Use Assessment.** In the event the Property is taxed under land use assessment and this sale results in disqualification from land use eligibility, Seller shall pay, when assessed, whether at or after Settlement, any rollback taxes assessed. If the Property continues to be eligible for land use assessment, Purchaser agrees to make application, at Purchaser's expense, for continuation under land use, and to pay any rollback taxes resulting from failure to file or to qualify.

(e) **Risk of Loss.** All risk of loss or damage to the Property by fire, windstorm, casualty or other cause, or taking by eminent domain, is assumed by Seller until Settlement. In the event of substantial loss or damage to the Property before Settlement, Purchaser shall have the option of either (i) terminating this Contract, or (ii) affirming this Contract, with appropriate arrangements being made by Seller to repair the damage, in a manner acceptable to Purchaser, or Seller shall assign to Purchaser all of Seller's rights under any applicable policy or policies of insurance and any condemnation awards and shall pay over to Purchaser any sums received as a result of such loss or damage.

(f) **Property Sold "As Is".** Purchaser agrees to accept the Property at Settlement in its present physical condition. No representations or warranties are made as to zoning, structural integrity, physical condition, environmental condition, construction, workmanship, materials, habitability, fitness for a particular purpose, or merchantability of all or any part of the Property.

All such counterparts shall constitute a single agreement binding on all the parties hereto as if all had signed a single document. It is not necessary that all parties sign all or any one of the counterparts, but each party must sign at least one counterpart for this Contract to be effective.

(h) **Assignability.** This Contract may not be assigned by either Seller or Purchaser without the written consent of the other.

(i) **Miscellaneous.** The parties to this Contract agree that it shall be binding upon them, and their respective personal representatives, successors and assigns, and that its provisions shall not survive Settlement and shall be merged into the deed delivered at Settlement except for the provisions relating to rollback taxes.
