40 Acres of 8-9 year old recreational property with creek frontage and pine timberland for sale located in Pike County MS just SW of McComb MS. This land tract for sale is only minutes from McComb MS and has water frontage on the Little Tangipahoa River, has approx 1000 ft pf paved road frontage on a nice dead end road and has electricity and high speed internet available at the property. The property is 100% pine timber and would make a nice long term timber investment. It would also make a nice hunting tract or place for a recreational getaway with all the modern amenities. The land has a gated entrance and interior road.
