To: tracyoalexander@gmail.com <tracyoalexander@gmail.com>

Good afternoon,

A meter request was recently received for CR 194 Jonesboro GPS coordinates 31.56822, -97.85894 and a meter request for CR 194 Jonesboro GPS coordinates 31.56768, -97.85999. Both meter requests have been approved with the requirement of a road bore for each. Each road bores start at \$4,000.00 and meters are \$4,030.00 each. We would need payment in full as well as an easement and service agreement for each location. If you would like to proceed with this request, you can find all our forms on our website. If you have any questions or concerns please let us know.

Thank you,
