### Appraisal and Tax Rate Information

#### Santa Fe County Tax Assessment Center

#### Calculate Estimated Property Taxes

Enter the estimated market value of the property, select the tax district in which the property is located from the drop down list, and press the calculate button to compute the estimated taxes. If you are uncertain of the tax district, use the search buttons above to locate the property to determine the tax district.

Enter Estimated Market Value: **\$49,000**

District: **2023 - 8T-R - Moriarty School District - Outside Edgewood town limits (Residential)**

Your Estimated Taxes: **\$334.03**

**\*Important\*** -- This is an estimated property tax calculation, based on the latest mill rate set by State and Local governments. The estimated tax calculation does not take into consideration any exemptions, ie; head of household, veterans, etc ...

**\*Disclaimer:** The estimated Property Tax Levy is calculated using the stated price and estimates of the applicable tax rates. The County Assessor is required by law to value the property at its "current and correct" value, which may differ from the listed price. Further, the estimated tax rate may be higher or lower than those that will actually be imposed. Accordingly, the actual tax levy may be higher or lower than the estimated amount. New Mexico law requires your real estate Broker or agent to provide you an Estimated Property Tax Levy on the Property you have submitted or intended to submit an offer to Purchase. All real estate Brokers and agents who have complied with these disclosure requirements shall be immune from suit and liability from suit relating to the Estimated Property Tax Levy.
