

Stop searching for your poultry farm investment—this is it! Located on 42 acres just west of McComb, MS, this 10-house, 188,800 sq. ft. broiler farm is a great deal. The farm has a long term contract with Wayne Sanderson Farms and produces 7 lb broilers, bringing in over \$555,000 in gross yearly income. This turn-key operation includes a nice manufacture home, litter shed, two large equipment sheds, five wells, community water, and two generators. It's consistently a top performer and earns bonus pay. The sale also comes with a complete tractor package, including two tractors, a skid steer, and all the necessary implements. This farm is ready to go—don't miss out!
