If you are searching for Maine lakefront land for sale on a high-quality cold-water lake—without being hundreds of miles from everyday conveniences—Lot 2 Loop Road in Enfield deserves serious consideration. This 3.85± acre surveyed waterfront parcel offers 200 feet of frontage on the crystal-clear waters of Cold Stream Pond, one of central Maine’s most desirable deep-water lakes.

Despite the “pond” name, Cold Stream Pond spans approximately 3,600 acres, reaches depths of over 100 feet, and features more than 10 miles of shoreline. The water clarity here is exceptional, supporting a renowned cold-water fishery with landlocked salmon and lake trout. Whether you enjoy boating, paddling, swimming, or fishing, this lake provides the kind of recreational value that drives long-term demand for waterfront property in Maine. The location strikes an ideal balance between privacy and access. The property is on Loop Road in Enfield, just 12.5 miles from Lincoln, where you’ll find a hospital, grocery stores, restaurants, and shopping. Bangor is under an hour away, while Portland and Boston remain within reasonable driving distance for weekend or seasonal use. The area is also within reach of the University of Maine in Orono (UMO), Maine’s largest university, adding regional stability and economic influence.

For outdoor enthusiasts, the surrounding region is a major draw. Within 24 miles, you'll find the Nicasious Islands area and the Duck Lake Unit of Public Reserve Lands—together encompassing over 50,000 acres of contiguous conservation lands. That means hunting, hiking, ATV riding, and exploration opportunities well beyond your own waterfront acreage.

The land itself is surveyed at 3.85± acres with clearly marked corner pins. Elevations range from approximately 190 to 340 feet above sea level, providing varied topography and potential for elevated lake views. A 250-foot lake setback governs building placement, offering a structured framework for development while preserving shoreline integrity. The soils are mapped primarily as Plaisted loams according to NRCS data. While the slopes are better suited to forest growth than farming, prior soil testing was favorable for subsurface wastewater disposal.

Access is via a private road with a road maintenance association, currently \$400 per year. Electric lines run along Loop Road, simplifying the process of bringing power to your future lakefront home or cabin.

Priced at \$225,000 with annual property taxes of \$1,330, this 200-foot waterfront lot represents an opportunity to secure buildable Maine lakefront acreage on one of the region's premier cold-water lakes—combining recreational quality, accessible location, and long-term investment appeal

## REAL ESTATE BROKERAGE RELATIONSHIPS FORM

### Right Now You Are A Customer

Are you interested in buying or selling residential real estate in Maine? Before you begin working with a real estate licensee it is important for you to understand that Maine Law provides for different levels of brokerage service to buyers and sellers. You should decide whether you want to be represented in

a transaction (as a client) or not (as a customer). To assist you in deciding which option is in your best interest, please review the following information about real estate brokerage relationships:

Maine law requires all real estate brokerage companies and their affiliated licensees ("licensee") to perform certain basic duties when dealing with a buyer or seller. You can expect a real estate licensee you deal with to provide the following **customer-level services**:

- ✓ To disclose all material defects pertaining to the physical condition of the real estate that are known by the licensee;
- ✓ To treat both the buyer and seller honestly and not knowingly give false information;
- ✓ To account for all money and property received from or on behalf of the buyer or seller, and
- ✓ To comply with all state and federal laws related to real estate brokerage activity.

Until you enter into a written brokerage agreement with the licensee for client-level representation you are considered a "customer" and the licensee is not your agent. **As a customer, you should not expect the licensee to promote your best interest, or to keep any information you give to the licensee confidential, including your bargaining position.**

### You May Become A Client

If you want a licensee to represent you, you will need to enter into a written listing agreement or a written buyer representation agreement. These agreements **create a client-agent relationship** between you and the licensee. As a client you can expect the licensee to provide the following services, **in addition to** the basic services required of all licensees listed above:

- ✓ To perform the terms of the written agreement with skill and care;
- ✓ To promote your best interests;
  - For seller clients this means the agent will put the seller's interests first and negotiate the best price and terms for the seller;
  - For buyer clients this means the agent will put the buyer's interests first and negotiate for the best prices and terms for the buyer; and
- ✓ To maintain the confidentiality of specific client information, including bargaining information.

### COMPANY POLICY ON CLIENT-LEVEL SERVICES — WHAT YOU NEED TO KNOW

The real estate brokerage company's policy on client-level services determines which of the three types of agent-client relationships permitted in Maine may be offered to you. The agent-client relationships permitted in Maine are as follows:

- ✓ The company and all of its affiliated licensees represent you as a client (called "**single agency**");
- ✓ The company appoints, with your written consent, one or more of the affiliated licensees to represent you as an agent(s) (called "**appointed agency**");
- ✓ The company may offer limited agent level services as a **disclosed dual agent**.

#### WHAT IS A DISCLOSED DUAL AGENT?

In certain situations a licensee may act as an agent for and represent both the buyer and the seller in the same transaction. This is called **disclosed dual agency**. *Both the buyer and the seller must consent to this type of representation in writing.*

Working with a dual agent is not the same as having your own exclusive agent as a single or appointed agent. For instance, when representing both a buyer and a seller, the dual agent must not disclose to one party any confidential information obtained from the other party.

**Remember!**  
*Unless you enter into a written agreement for agency representation, you are a customer—not a client.*

#### THIS IS NOT A CONTRACT

It is important for you to know that this form is not a contract. The licensee's completion of the statement below acknowledges that you have been given the information required by Maine law regarding brokerage relationships so that you may make an informed decision as to the relationship you wish to establish with the licensee/company.
