Online Auction Terms & Conditions

- 1) **Seller Confirmation Auction:** The property is being offered in an Online Only Auction, with all bids being subject to the Seller's approval.
- 2) **Bidding Registration:** Online bidder hereby agrees that they must be properly registered for the online auction. If you need assistance with registration, contact **Kaitlyn Harman at (540) 745-2005 or by email at BlueRidgeLandandAuction@gmail.com**. Seller(s) may at their sole discretion request additional registration requirements from any bidder unknown to them or the auction company.
- 3) **Bidding Opens/Closes:** The Online Only Auction bidding shall be opened and begin closing on the dates and times stated above, subject to the soft close feature as outlined below in (#16).
- 4) **Property Preview Dates:** It is highly recommended that all bidders personally inspect the property prior to placing any bids in the auction. Property inspections are the sole responsibility of the bidders. The property may also be inspected by scheduling an appointment with the Auction Company at (540) 745-2005 or Auctioneer Matt Gallimore at (540) 239-2585.
- 5) **No Financing Contingency:** By participating in this auction, bidders hereby agree that their bid shall **NOT** be subject to the bidder's ability to obtain financing. Financing is NOT a contingency in the purchase agreement. However, if a bidder decides to purchase property with a loan, they should make sure they are approved for a loan and that lender is capable of completing on or before closing date.
- 6) **Buyer's Premium: A Ten Percent (10%)** Buyer's Premium shall be added to the final bid price place online, which will determine the Total Contract Sales Price. Bidders hereby understand that the Buyer's Premium shall be added to the winning bid to create the Total Contract Sales Price for which they are obligated to pay for the property. **Example:** (winning online bid \$100,000 + 10% buyer's premium = total purchase price of \$110,000).
- 7) **Purchase Contract:** Winning bidder hereby agrees to enter into the Real Estate Auction Purchase Contract which has been approved by the Seller, immediately upon being declared the Successful Bidder by the Auctioneer. Upon the close of the auction the winning bidder will be forwarded via email an Auction Real Estate Sales Contract to purchase the property. A sample purchase contract is available for review online prior to placing any bids in the auction.

- 8) **Earnest Money Deposit:** A **\$5,000 PER OFFERING** non-refundable deposit will be wire transferred or hand delivered in the form of certified funds to United Country | Blue Ridge Land and Auction no later than 48 hours following the close of auction. See closing agents contact information below. The balance of the purchase price will be due in full at closing.
- 9) **Closing:** Closing shall be on or before **Monday, March 31st, 2025**. Buyers will be afforded the opportunity to close via email, mail, and wire transfer of certified funds.
- 10) **Easements:** The sale of the property is subject to any and all easements of record.
- 11) **Survey:** No survey is required to transfer title to the property and the Seller shall not provide any additional survey. If the Buyer desires a survey, it shall be at the Buyer's sole expense and shall not be a contingency or requirement in the purchase contract.
- 12) **Possession:** Possession of the property will be given upon payment in full of the purchase price and transfer of title, at closing.
- 13) **Deed:** Seller shall execute a general warranty deed conveying the property to the buyer(s).
- 14) **Taxes:** Seller shall pay any previous year's taxes (if due), and the current year's real estate taxes shall be prorated to the date of closing.
- 15) **Online Auction Technology (Disclaimer):** Under no circumstances shall Bidder have any kind of claim against United Country – Blue Ridge Land and Auction, Broker of record, or anyone else, if the Internet service fails to work correctly before or during the auction. Online bidding is subject to technology faults and issues which are outside the control of the auction company. Bidder(s) are encouraged to use the "Maximum Bid" feature on the bidding platform and lock in their maximum bid amount if they are concerned about technology failure during the auction. The SELLER and/or Auction Company reserves the right to **(pause)** the online auction bidding in the event of any internal or external technology failure, to preserve the integrity of the auction event and maintain a fair and impartial bidding environment.
- 16) **Simultaneous Close of Lot Bidding:** Bidders desiring more than one offering will need to be high bidder on all offerings desired. Each offering will stay open until all bidding is complete, and all offerings will close simultaneously.
- 17) **Soft Close:** If a bid is received within the last 2 minutes of the auction, the auction close time will automatically extend 2 minutes to allow other bidders an opportunity to competitively bid prior to the auction closing. This feature eliminates "snipers" and encourages fair and impartial bidding from all participants.
- 18) **Disclaimer:** All information provided is believed to be accurate; however, no liability for its accuracy, errors or omissions is assumed. All lines drawn on maps, photographs, etc. are approximate. Buyers should verify the information to their satisfaction. Information is subject to change without notice. There are no warranties either expressed or implied

pertaining to this property. Real estate is being sold "As-Is, Where-Is" with NO warranties expressed or implied. Please make all inspections and have financing arranged prior to the end of bidding. The Auctioneer reserves the right to bid on behalf of the Seller up to, but not beyond the Seller's reserve price (if applicable). The property is available for and subject to sale prior to auction. By participating in this auction, Buyers hereby acknowledge that any bid(s) placed by them is a binding agreement to purchase the property, subject to the bid being approved by Seller (if applicable).

- 19) **Broker Referral Fee:** A Broker Referral Fee of 2% (of the High Bid Price) is offered to NC State Licensed Real Estate Brokers or Salesperson under the following conditions: Referring Agent must contact the Auction company and submit a Broker Participation Form signed by the buyer at least 48 hours prior to auction date. Form must be submitted via email to BlueRidgeLandandAuction@gmail.com. If these steps have not been completed, a broker referral fee will not be paid.

- 20) **Pre-Auction Sales:** As an agent for the Seller, the Auctioneer must present any and all bona fide written offers to the Seller, which may be created outside of the online bidding platform. Therefore, all properties are subject to pre-auction sales. Pre-auction offers must meet all off the auction terms and conditions and must be submitted to the Auctioneer on the Auction Real Estate Sales Contract, along with the required earnest deposit. Properly submitted offers will be presented to the Seller in a timely manner. Seller may accept or reject such offer at their sole and absolute discretion. When a pre-auction offer is submitted, all properly registered online bidders will be notified that "an offer" has been submitted and on which specific property, however the amount of the offer shall remain confidential. All pre-auction offers must allow a minimum of 24 hours for seller's acceptance. A Broker Referral Fee of 2% (of High Bid Price) is offered to a cooperating NC State Licensed Real Estate Broker or Salesperson on any pre-auction offers that are properly completed and submitted on the appropriate forms provided by the auction company.

ZONING INFORMATION - RMD

4.2.3. RMD – RESIDENTIAL MEDIUM DENSITY

- A. **Intent.** The Residential Medium Density (RMD) district is intended to implement the suburban land use character area as defined in the Forward Monroe plan. RMD allows for a neighborhood development pattern and is intended to allow for a mix of housing types, including single family detached, townhouses/attached single family, and may permit compatible uses as permitted in Section 7: Permissible Uses and Standards.
- B. **Standards.** The standards that apply to RMD districts, which are intended to promote a neighborhood development pattern, including a mixture of single family detached and attached homes, are defined in Table 4.2.3. below.
- C. **Density.** Maximum permitted density is three (3) dwelling units per acre, by-right. A maximum four (4) dwelling units per acre may be approved if an applicant qualifies for Cluster Development.
- D. **Cluster Development.** Cluster development within the RMD district is permitted if an applicant consents in writing to the single-family design guidelines as defined in Section 8.7.2: Single Family Design Guidelines. Cluster development shall be a minimum five (5) acres in size. Cluster development allows an applicant to qualify for reduced minimum lot sizes per Table 4.2.3.1 and an increase in permitted density to a maximum of four (4) dwelling units per acre. In accordance with Section 3.4.15: Major Subdivision Preliminary Plat, cluster developments shall meet all requirements for a subdivision, site plan and all other applicable City ordinances and this UDO. A cluster development shall be reviewed as a Conditional Rezoning as outlined in section 4.6 “Conditional Zoning” following the Zoning Map Amendment process outlined in section 3.4.6 “Zoning Map Amendment (Rezoning)”.
 - 1. **Open Space.** Cluster developments shall designate at least 30% of the site for contiguous open space as defined in Section 8.8.E. The locations of the open space shall be reviewed at the time of rezoning and be dependent upon the internal layout of the project and the adjacent uses. Where properties do not require rezoning, open space shall be reviewed as part of the subdivision preliminary plat. Internally located open space may be needed to compliment a conservation subdivision form, while perimeter open space may be needed to provide a transition or separation from an adjacent lower density residential or agricultural use. Open space areas may be used for the buffering required in Section 4.2.3.D.4 of this UDO.

2. **Connectivity.** Neighborhoods are to be interconnected and connect to adjacent neighborhood. Flexibility for connections shall be provided to preserve on-site environmental resources and preservation areas. Internal connections shall occur through streets and multimodal connections.
3. **Mixture of Housing (Lot) Types.** Each cluster development shall contain at least three (3) different housing types from Table 4.2.3.1. No less than 20% and no more than 60% should be provided of one housing type or lot size out of the housing types to be provided:

Table 4.2.3.1. Mix of Housing Types

Type	Lot Size	Minimum Lot Width	Lot Arrangement/Placement
Perimeter Lot/Estate House	20,000 Square Feet - 1 Acre	150'	
Single-Family Residential Type 1	10,000 – 20,000 Square Feet	75'	
Single-Family Residential Type 2	8,000 - 10,000 Square Feet	70'	Internal to site (i.e. not on periphery of boundary of development)
Single-Family Residential Type 3	6,500 – 8,000 Square Feet	60'	Internal to site; no more than 20% of the total housing units
Single-Family Attached Residential	N/A for single-family attached (townhome – 3 or more attached units) and two family residential duplex/villa (2 attached units).		Internal to site; no more than 20% of the total housing units

4. **Buffering.** See Section 8.3.

4.2.4. RHD – RESIDENTIAL HIGH DENSITY

- A. **Intent.** The Residential High Density (RHD) district allows for a more dense development pattern and is intended to allow for a mixture of housing types, including multifamily. The RHD zoning district is intended to be utilized in areas that feature a design and scale that encourage townhouse/attached single family, duplex/triplex/quadplex, and multifamily development and may permit compatible uses as permitted in Section 7: Permissible Uses and Standards.
- B. **Standards.** The standards that apply to RHD districts, which are intended to promote more dense development featuring attached residential and multifamily, are defined in Table 4.2.4. below.
- C. **Density.** Maximum permitted density is ten (10) dwelling units per acre.

Buyer will indemnify and hold Seller harmless from all loss, damage, claims, suits or costs, which shall arise out of any contract, agreement, or injury to any person or property as a result of any activities of Buyer and Buyer's agents and contractors relating to the Property except for any loss, damage, claim, suit or cost arising out of pre-existing conditions of the Property and/or out of Seller's negligence or willful acts or omissions. This repair obligation and indemnity shall survive this Contract and any termination hereof. Buyer may conduct a walk-through inspection of the Property prior to Closing.

7. **SPECIAL ASSESSMENTS:** If the Property is subject to any pending or confirmed governmental or owners' association special assessments, then they shall be the sole obligation of Buyer to pay.

Absent agreement to the contrary in this Contract or any subsequent modification thereto, if one party is ready, willing and able to complete Closing on the Closing Date ("Non-Delaying Party") but it is not possible for the other party to complete Closing by the Closing Date ("Delaying Party"), the Delaying Party shall be entitled to a delay in Closing and shall give as much notice as possible to the Non-Delaying Party and closing attorney. If the Delaying Party fails to complete Closing within seven (7) days of the Closing Date (including any amended Closing Date agreed to in writing by the parties), then the Delaying Party shall be in breach and the Non-Delaying Party may terminate this Contract and shall be entitled to enforce any remedies available to such party under this Contract for the breach.

Residential Property And Owners' Association Disclosure Statement

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: 1002 N. Hayne St., Monroe, NC 28112

Owner's Name(s): Teresa P. Grimes , Jeffrey W. Parker

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA).

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge.
• If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem.
• If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
• If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: "Dwelling" means any structure intended for human habitation, "Property" means any structure intended for human habitation and the tract of land, and "Not Applicable" means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. Buyers are strongly encouraged to:

- Carefully review the entire Disclosure Statement.
• Obtain their own inspections from a licensed home inspector and/or other professional.

DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign.

- Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.
• Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.

Residential Property And Owners' Association Disclosure Statement

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: 106 Penn St., Monroe, NC 28112

Owner's Name(s): Teresa P. Grimes , Jeffrey W. Parker

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase. There are limited exemptions for completing the form, such as new home construction that has never been occupied. Owners are advised to seek legal advice if they believe they are entitled to one of the limited exemptions contained in N.C.G.S. 47E-2.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA). An owner is not required to disclose any of the material facts that have a NR option, even if they have knowledge of them. However, failure to disclose latent (hidden) defects may result in civil liability. The disclosures made in this Disclosure Statement are those of the owner(s), not the owner's broker.

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge. If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.
• If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem. If the owner selects N and the owner knows there is a problem or that the owner's answer is not correct, the owner may be liable for making an intentional misstatement.
• If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
• If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: "Dwelling" means any structure intended for human habitation, "Property" means any structure intended for human habitation and the tract of land, and "Not Applicable" means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract. An owner is responsible for completing and delivering the Disclosure Statement to the buyer even if the owner is represented in the sale of the property by a licensed real estate broker and the broker must disclose any material facts about the property that the broker knows or reasonably should know, regardless of the owner's response.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem. Note that some issues, even if repaired, such as structural issues and fire damage, remain material facts and must be disclosed by a broker even after repairs are made.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. Buyers are strongly encouraged to:

- Carefully review the entire Disclosure Statement.
• Obtain their own inspections from a licensed home inspector and/or other professional.

DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign. All brokers shall (1) review the completed Disclosure Statement to ensure the seller responded to all questions, (2) take reasonable steps to disclose material facts about the property that the broker knows or reasonably should know regardless of the owner's responses or representations, and (3) explain to the buyer that this Disclosure Statement does not replace an inspection and encourage the buyer to protect their interests by having the property fully examined to the buyer's satisfaction.

- Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.
• Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.

**Residential Property And Owners'
Association Disclosure Statement**

Protecting the Public Interest in Real Estate Brokerage Transactions

Property Address/Description: **1102 N. Hayne St., Monroe, NC 28112**

Owner's Name(s): **Teresa P. Grimes , Jeffrey W. Parker**

North Carolina law N.C.G.S. 47E requires residential property owners to complete this Disclosure Statement and provide it to the buyer prior to any offer to purchase. There are limited exemptions for completing the form, such as new home construction that has never been occupied. Owners are advised to seek legal advice if they believe they are entitled to one of the limited exemptions contained in N.C.G.S. 47E-2.

An owner is required to provide a response to every question by selecting Yes (Y), No (N), No Representation (NR), or Not Applicable (NA). An owner is not required to disclose any of the material facts that have a NR option, even if they have knowledge of them. However, failure to disclose latent (hidden) defects may result in civil liability. The disclosures made in this Disclosure Statement are those of the owner(s), not the owner's broker.

- If an owner selects Y or N, the owner is only obligated to disclose information about which they have actual knowledge. If an owner selects Y in response to any question about a problem, the owner must provide a written explanation or attach a report from an attorney, engineer, contractor, pest control operator, or other expert or public agency describing it.
- If an owner selects N, the owner has no actual knowledge of the topic of the question, including any problem. If the owner selects N and the owner knows there is a problem or that the owner's answer is not correct, the owner may be liable for making an intentional misstatement.
- If an owner selects NR, it could mean that the owner (1) has knowledge of an issue and chooses not to disclose it; or (2) simply does not know.
- If an owner selects NA, it means the property does not contain a particular item or feature.

For purposes of completing this Disclosure Statement: **“Dwelling”** means any structure intended for human habitation, **“Property”** means any structure intended for human habitation and the tract of land, and **“Not Applicable”** means the item does not apply to the property or exist on the property.

OWNERS: The owner must give a completed and signed Disclosure Statement to the buyer no later than the time the buyer makes an offer to purchase property. If the owner does not, the buyer can, under certain conditions, cancel any resulting contract. An owner is responsible for completing and delivering the Disclosure Statement to the buyer even if the owner is represented in the sale of the property by a licensed real estate broker and the broker must disclose any material facts about the property that the broker knows or reasonably should know, regardless of the owner's response.

The owner should keep a copy signed by the buyer for their records. If something happens to make the Disclosure Statement incorrect or inaccurate (for example, the roof begins to leak), the owner must promptly give the buyer an updated Disclosure Statement or correct the problem. Note that some issues, even if repaired, such as structural issues and fire damage, remain material facts and must be disclosed by a broker even after repairs are made.

BUYERS: The owner's responses contained in this Disclosure Statement are not a warranty and should not be a substitute for conducting a careful and independent evaluation of the property. **Buyers are strongly encouraged to:**

- Carefully review the entire Disclosure Statement.
- Obtain their own inspections from a licensed home inspector and/or other professional.

DO NOT assume that an answer of N or NR is a guarantee of no defect. If an owner selects N, that means the owner has no actual knowledge of any defects. It does not mean that a defect does not exist. If an owner selects NR, it could mean the owner (1) has knowledge of an issue and chooses not to disclose it, or (2) simply does not know.

BROKERS: A licensed real estate broker shall furnish their seller-client with a Disclosure Statement for the seller to complete in connection with the transaction. A broker shall obtain a completed copy of the Disclosure Statement and provide it to their buyer-client to review and sign. All brokers shall (1) review the completed Disclosure Statement to ensure the seller responded to all questions, (2) take reasonable steps to disclose material facts about the property that the broker knows or reasonably should know regardless of the owner's responses or representations, and (3) explain to the buyer that this Disclosure Statement does not replace an inspection and encourage the buyer to protect their interests by having the property fully examined to the buyer's satisfaction.

- **Brokers are NOT permitted to complete this Disclosure Statement on behalf of their seller-clients.**
- Brokers who own the property may select NR in this Disclosure Statement but are obligated to disclose material facts they know or reasonably should know about the property.
