4 Bed 3 Bath House for sale with 125+/- acres on Kitterlin Bay in Jena, LA. The house sits on top of a hill overlooking Kitterlin Bay and offers 125 acres of hunting land with it. The house is 2,642 sq ft and was built in 2016 from the pine that were cut on this property. There is a large living room and kitchen area with glass windows overlooking the Bay. There are 30 acres of mature select cut pine around the house with the other 95 acres being 12+ year-old pine plantation. A pipeline runs through this property which is currently planted in food plots with multiple box stands and feeders for hunting. Rarely do you find a house this size with enough land to hunt and manage timber. Kitterlin Bay Hunting Club owns over 4,000 acres adjoining this property. The new owner of this house will have a chance to join this club which would give you access to duck, turkey, and deer hunting as well as fishing. There are so many opportunities that come with buying this house. The boundaries on this property will be just short of the water's edge around Kitterlin Bay. If you want to learn more and would like to look at this property, schedule your own private showing today!
