Estimate details
Estimate no.: 1008
Estimate date: 06/23/2024

#	Date	Product or service	Description	Qty	Rate	Amount
1.		ReRoof	<p>When we start , we will tear off the current layer of shingles ,and when we have the roof exposed we do a walk around and make sure there's no damage and if so we take care of that before laying down new shingles . We will install new Synthetic Felt , 30 Year Certaineed Landmark Tier 4 Shingles , new pipe boots and new valley flash . We will clean up and haul off all of the debris that is caused from the roof , as well as doing a nail pickup all around the home with a magnet . We will leave the home clean before leaving when all is finished .</p> <p>We have a 3 year warranty on our labor meaning that if any leaks were to occur within the time frame we will go and fix it free of charge . It doesn't include heavy winds and severe storms since that is something that is out of our hands .</p> <p>I will also send an email for each payment made for both parties to keep on record . We do require half before starting and the other half when the job is complete .</p>	1	\$10,260.00	\$10,260.00

Ways to pay

Total \$10,260.00
