New Construction Home in Lancaster, SC

New Construction Home in Lancaster, SC with 100% financing available through the USDA program. This new home, built by the Harland Building Group, is complete and ready for its new owner. As you enter the home, you will notice the large kitchen with lots of cabinets and an oversized kitchen island! Granite countertops, quality cabinets, and stainless-steel appliances add to the custom feel of this kitchen. The large Great Room (or family room) is open to the kitchen with nice views of the patio and back yard. The upstairs has a primary bedroom/bath with a walk-in shower, double vanity sinks, and great closet space. The secondary bedrooms are spacious and have easy hallway access to the secondary bathroom.
