

Timber Investment opportunity in Jackson Parish! This meticulously re-planted 5-year-old pine plantation offers an exceptional blend of recreational and investment potential. With abundant deer and turkey populations, it's a hunter's haven. Plus, its well-maintained timber promises a solid return on investment in the years to come. This tract was replanted in 2019 and there is a recent timber cruise available upon request. Don't miss your chance to make this 40 acres yours!
