ABOUT THE PROPERTY

It doesn't get much better than this! This home features many notable updates including a beautiful kitchen, updated flooring, diamond tile metal roof, on demand hot water, and home generator hookup ready. The fully insulated double car garage comes complete with plastic tile flooring and built in cabinetry; wired with 50amp including a 240v outlet, ready for any handyman/woman. Step out of your sliding patio door from your beautiful kitchen and enjoy the serene country view from your deck.
