

Stunning 4-Bedroom Brick Home with Pool in Prime Location! Welcome to this 2019-built traditional split-plan beauty, perfectly situated on a corner lot in one of McComb's most sought-after walking neighborhoods. With a parklike setting and luxury homes all around, this executive-style retreat is truly a standout! Step inside to a bright, open floor plan where the great room steals the show—featuring an electric fireplace flanked by elegant French doors that lead straight to your backyard paradise. The spacious kitchen offers fantastic pool views, plenty of prep space, and is perfect for entertaining. The primary suite is a dream, with private pool access, a generous layout, and an inviting atmosphere to unwind. With four bedrooms, two baths, and over 2,000 square feet, there's room for everyone to spread out and feel at home. Outside, enjoy your own private oasis—an inground pool with a relaxing patio, all completely fenced-in for ultimate privacy. This home has been lovingly maintained and is move-in ready! Minutes from I55 makes it super convenient as well. 1.5 hours from NOLA Don't miss this rare find—schedule your showing today!
