

Completely Renovated 4 Bed, 2 Bath Country Home on 2.5 Acres with Workshop & Barn Welcome to peaceful country living! This beautifully renovated 4 bedroom, 2 bath home is tucked away on a quiet road and sits on 2.45+/- picturesque acres. Inside, you'll find fresh paint, new flooring, and light fixtures, as well as updated kitchen and baths. The spacious layout includes a cozy breakfast room that opens to a huge 16x20 covered back porch- also accessible through French doors from the private primary suite. Outside, enjoy a stunning yard adorned with mature trees and blooming flowers. A large workshop, barn, and additional storage shed provide ample space for hobbies, animals, or equipment. This move-in-ready property is perfect for those seeking tranquility, functionality, and room to roam.
