Jason Small, Broker

Love of the land comes honestly, as I grew up on the family farm in rural Scotland County. Hunting and farming have always been a part of my life. Shortly after graduation from high school in 2001, I received my FFA American Farmer degree. In September 2001, I entered the Marine Corp, where I did 2 tours in Iraq. I met my wife Kim while in the service, and we married in 2004. We moved back to Missouri in June 2006, where we currently live with our two boys. I received my real estate license in March 2013, and also have an AA degree from Central Texas College. I now work with my dad doing construction along with selling real estate. In my spare time I like to hunt turkey, deer, or coyote. Give Jason a call at (660) 342-3819.
