The undersigned is the owner of additional lands contiguous to the lands herein described. Additional Units of WHITE MOUNTAIN MEADOWS are contemplated with a unity of development and use of the recreational Common Area with all the privileges and responsibilities of membership. The undersigned shall construct two (2) tennis courts upon the said recreational area, and shall construct the gatehouse at the gate entrance, but the future maintenance and operation thereof and/or the construction of additional facilities, and payment of ad valorem taxes and other expenses shall be the responsibility of the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION. The undersigned does hereby except and reserve, for the benefit of subsequent Units, rights of way for ingress and egress, by vehicle or foot, on, upon and over the driveways, private streets and walks in WHITE MOUNTAIN MEADOWS, UNITS 1 AND 2, and subsequent Unit, with rights to connect with, make use of, maintain as appropriate, and repair and replace utility lines, pipes, conduits, and rights of way, dedicated or otherwise. The undersigned also reserves the right, in future Units, to dedicate Common or Limited Common Areas.

B. SECURITY:

Portions of the dedicated ways may have controlled, or otherwise limited, access for the construction and maintenance of security entrances. This subdivision is intended and planned as a controlled-access, fenced security subdivision with a manned or automated security gate. All property owners, occupants, family members, guests and invitees shall cooperate with the security guard at the gate. All emergency vehicles

shall have precedence in access to the subdivision without delay. The WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION shall have the right to install electronic security devices on the fencing around the perimeter of the said Units, subject to the provisions of Paragraph F., Section 13. Perimeter fencing shall be set back a minimum of one-half (1/2) foot from the exterior boundary of any utility easement. The plans and specifications for the security fences and/or entrances shall, otherwise, be subject to the provisions of Paragraph E., Section 1 hereof, and subject to the approval of the Architectural Control Committee of WHITE MOUNTAIN DEVELOPMENT COMPANY, INC.

The cost of providing security service shall be paid out of the dues payable to WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION by all Site or Lot owners in all Units of WHITE MOUNTAIN MEADOWS, now or hereafter developed, which dues shall be payable by the respective purchasers from and after the date of closing of a sales transaction. Guard service will be provided on a daily 24-hour basis commencing from the date of occupation of a residence in this subdivision. Additional controlled (but unmanned) security entrances may be constructed by WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., at any time at its sole discretion, and at its expense. During the first five (5) years from September 1, 1982 and ending August 31, 1987, WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., shall pay the deficit, if any, between dues collected and the cost of providing for guard service, insurance, upkeep and maintenance and ad valorem taxes accruing against the recreational COMMON AREA owned by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION. Any excess of dues paid shall be reserved for building a clubhouse and/or other recreational facilities. No owner may waive or otherwise escape liability for the dues provided for by non-use of the COMMON AREA or security services.

The security guard system may be changed to an automated security system at any time, upon an affirmative vote of 60% of the members of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, with the cost thereof to be shared proportionately among all members of said Association.

No increase of more than 10% per annum shall become effective except upon the affirmative vote of 60% of the members in attendance, either in person or represented by proxy, at the annual meeting or a special meeting called for that purpose.

C. NON-DEDICATED STREETS AND WAYS:

The private ways or roads shall be maintained by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION for the use and benefit of the Townhouse Lot or Site owners, and the cost thereof shall be assessed to the townhouse associations benefiting from said private roads or ways, although the initial construction and paving shall be performed at the expense of WHITE MOUNTAIN DEVELOPMENT COMPANY, INC.

All of the Lots, Blocks and Townhouse Sites in the said Subdivision are hereby designated "residential area". No business, manufacturing, commercial enterprise, public or commercial amusement shall be conducted, operated or maintained thereon. The undersigned shall have the right, nonetheless, to maintain sales offices upon one or more of the said Units until the sale of all Units is effected. Additionally, during construction of dwelling Units, contractors may maintain temporary offices for on-site projects.

E. WHITE MOUNTAIN MEADOWS, UNIT 1, is hereby designated for multi-family use for construction of Townhouses only. This Unit consists of SITES 1 THROUGH 58, containing a total of 274 Townhouse construction Lots and the appurtenant LIMITED COMMON AREAS. The maximum density for UNIT 1 is hereby limited to the 274 Townhouse Units as shown on the plat, all of which are subject to the following restrictions:

1. The exterior design for Townhouses to be constructed on these Townhouse Lots or Sites must be submitted, in duplicate, to the Architectural Control Committee of WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., P. O. Box 55, Ruidoso, New Mexico 88345, for its approval prior to construction, further planning or design. This may be in the form of an artist's rendition or photograph and shall be accompanied by a description of the exterior materials to be used. Each Townhouse to be constructed within a particular Townhouse Site shall conform in exterior construction materials and color with all other Townhouses to be constructed on the same Site. After approval of the exterior design and construction material plan, the builder or owner of the individual Townhouse Lot or Site shall submit, in duplicate, the plans and specifications for the construction of any buildings to be erected on the Lots, along with the plot plan for such construction to the Architectural Control Committee for its approval before commencement of construction. The Architectural Control Committee and any independent architect consulted by said Committee shall be entitled to charge the then owner of any Lot upon which a Townhouse is to be constructed a sum not to exceed \$250.00 compensation for services performed relating to the approval of plans submitted for any one building, in accordance with these covenants. The Architectural Control Committee shall also regulate the size and placement of signs on the Lots or Sites upon which the Townhouses are to be constructed and such information as to the proposed signs shall be furnished to said Committee on the plot plan, or if not provided at that time, shall be submitted for written approval prior to erection of said signs. No signs shall be placed within the LIMITED COMMON AREA which shall be shared in common among all Townhouse Unit owners or within the recreational COMMON AREA.

2. The plot plan for each Townhouse Unit shall show the exact location of the residence, garage and parking areas on the Lot and shall show the exact measurements and exactly from which property lines any setback distance is measured. A grading and utility plan for each Lot within a Townhouse Site shall also be submitted for approval as hereinbefore specified. All plans shall be prepared by a licensed architect, engineer or surveyor and shall bear his seal.

3. Approval by the Committee of such exterior designs and materials and colors, plans, specifications and locations of buildings and signs shall be endorsed on both sets of plans and specifications, and one set thereof shall be returned to the person submitting the same, and the other set shall be retained by the Committee.

4. After such plans and specifications and other data submitted have been approved by the Committee, no building, garage, fence, wall, carport, sign or other structure of any kind shall be erected, constructed, placed, altered or maintained upon said property unless the same shall be in accordance with the approved plans and specifications.

5. The powers and duties of the Architectural Control Committee, on December 31, 1999, or on such sooner date as WHITE MOUNTAIN DEVELOPMENT COMPANY, INC. is no longer engaged in the development business, shall automatically become vested in the Board of Directors of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, or a committee of three members appointed by such Board.

6. If one or more Townhouses on a single Townhouse Site are to be constructed at different times, the exterior of each of these Townhouses shall be fully finished on all sides as though no further Townhouses were to be built on the Townhouse Site, and all excess building materials and debris are to be removed from the premises so that the same are left in broom-clean condition during the period of delay between construction phases, if such period of delay will extend beyond thirty (30) days from the date of completion of the first phase. Nothing herein contained shall be construed so as to prevent several different

buyers from purchasing an individual Townhouse Site upon which to build, or several different builders from constructing the individual Townhouse Units upon the various Lots within a Townhouse Site, provided that the exterior design plans submitted shall be harmonious in design and color and materials with the other Townhouses located on that particular Site. For example, if there are four Townhouse Lots within a Site, each Lot may be purchased by a different buyer and each Townhouse may be constructed by a different builder.

7. The developer is providing for installation of water, sewer, electricity, telephone and television cable to the exterior Site lines at its own expense. Each Lot owner shall be required to connect to such utilities underground, at his own expense, including trenching and backfill. Overhead connections will not be allowed.

8. Parking areas, driveways and garages or carports shall face contiguous streets or access ways and shall be paved. Parking areas shall conform with Village of Ruidoso Ordinances or Regulations.

9. All Townhouses erected upon the said Sites shall be erected on-site from the ground up. No pre-built Townhouse or major pre-built portions of a Townhouse shall be erected, constructed, placed, moved on, or maintained on any Lot or Lots unless a variance is granted by the Architectural Control Committee in its sole discretion. No garage, carport, shed, tent, trailer, mobile home, or temporary structure of any kind shall be erected, constructed, permitted or maintained on any Lot except that a construction trailer or shed and portable sanitary toilet may be used during construction if approved by the Architectural Control Committee. No garage, carport, shed, tent, trailer, mobile home, basement or temporary building shall be used for temporary or permanent residence. No camper, trailer, mobile home or boat shall be kept on a Lot or Site except within an enclosed building which is part of and attached to the main building. The trailer, mobile home, boat, camper, etc., must be fully enclosed and may not be in view from any other Lot, Site or Street.

The following Townhouse Sites are limited to one story in height: Sites 5, 21, 22, 23, 24, 42, 43, 44, 45, 46, 47, 48, 49 and 50. On all other Sites no Townhouse shall exceed two (2) stories in height.

10. Except where existing green belt or other COMMON AREAS delineated upon the plat equal or exceed twenty (20) feet from the adjoining street or right-of-way, no Townhouse, appurtenant garage or other building shall be erected or constructed upon any of the Lots or Sites nearer than twenty (20) feet to the front Lot line except upon written approval of the Architectural Control Committee, if in the opinion of the Committee a variance may be granted because of terrain, and, further, if the said variance is approved by the Planning and Zoning Commission of the Village of Ruidoso. Notwithstanding the foregoing, second story decks and building entryways may encroach into the LIMITED COMMON AREA a maximum of five (5) feet. In all multi-family Units, each Unit is conveyed with, and subject to, an easement for encroachments existing as a result of construction of the building, or which may come into existence thereafter as a result of settling or shifting of the building, or as a result of repair or reconstruction of the building after damage or destruction by fire or other casualty; provided, however, that in no event shall a valid easement for encroachment be created in favor of an owner or owners if such encroachment occurred due to the willful conduct of said owner or owners.

11. When the construction of a Townhouse is commenced upon any Lot, the owner or owners thereof shall prosecute with all reasonable diligence the completion thereof, and shall complete the construction of any Unit within six (6) months from the date of commencement, delays caused by Act of God excepted, unless the written consent of the Architectural Control Committee is obtained for a longer period of time for construction prior to the commencement of such construction.

12. Failure of the Committee to act within twenty (20) days from the date of receipt of the plans and specifications shall be deemed to constitute approval of such plans and specifications.

13. Each owner of a Townhouse Unit within the said Subdivision shall be and become a member of the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, and shall be entitled to all of the privileges and responsibilities of such membership, including the payment of dues, assessments for the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION COMMON AREA, and assessments for maintenance and upkeep of the private roads or ways, maintenance and upkeep and ad valorem taxes accruing against the LIMITED COMMON AREA set forth in Paragraph A, and any other rules and regulations of the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, including, but without limitation, the right of the said Association to file a lien for the non-payment of dues and assessments and the right to foreclose the same for non-payment thereof.

Such assessments for the LIMITED COMMON AREA shall be allocated on a pro-rata basis among the Townhouse Lot owners and the assessment Notices shall be mailed to the respective Townhouse Owners Associations who shall be responsible for collection and payment of the pro-rated assessments. Such assessments shall be considered delinquent if not paid within thirty (30) days of the date of mailing the assessment notices.

14. Each Site owner or Lot owner within a Site shall be automatically a member of each respective Site Townhouse development and shall abide by the respective Declaration and By-Laws appertaining thereto. Typical Declaration and By-Laws, applicable to all Sites, are annexed hereto as Exhibits "A" and "B". As set forth in the said Exhibits, each owner of a Townhouse Unit shall have one vote for each Lot in said Site owned by the said owner. Nothing herein shall preclude two or more Associations from merging.

15. All of the other provisions contained in the following restrictions shall also apply to the Lots and Sites for Townhouses except such provisions as may be in conflict with the purpose of Townhouse development.

F. WHITE MOUNTAIN MEADOWS, UNIT 2, is hereby designated as a "residential area" for single-family residences only and not for construction of Townhouses, Condominiums or Apartments, and all Lots and Blocks are subject to the following residential single-family restrictions:

1. That said "single-family residential area" shall be used for single-family residential purposes only, and no business, manufacturing, commercial enterprise, public or commercial amusement shall be conducted, operated or maintained thereon.

2. No animals other than domestic household pets shall be kept or maintained on said Lots. No more than two (2) adult dogs may be kept on any one Lot and all dogs shall be kept in a suitable enclosed yard or on leash. No noxious or offensive trade or activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood. No trash, junk, old vehicles not in operating condition, or any unsightly object shall be allowed upon or maintained or kept on any of the Lots, unless kept out of view. No washing machines or other appliances may be kept on the outside unless enclosed in an enclosure attached to the dwelling. All clotheslines shall be maintained on the rear of any Lot and shall be so placed as to not be visible from any adjoining Lot or Street. No television antennas shall be maintained upon any of the Lots or exterior of the buildings. Except during construction work, no large construction machinery, dump trucks, tractors, blades, etc. may be parked on any Lot. The provisions of Paragraph E.9. hereof with regard to campers, trailers, mobile homes, boats and temporary use of a construction trailer and portable sanitary toilet shall also apply to Unit 2.

3. No vehicles of any kind, other than maintenance vehicles and equipment, shall be operated upon either the LIMITED COMMON AREA or COMMON AREA set out in paragraph A hereof.

4. Each owner or purchaser shall be and become a member of the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, and shall be entitled to all of the privileges and responsibilities of such membership, including the payment of dues and assessments to the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION to provide for security, insurance, ad valorem taxes

accruing against the recreational COMMON AREA, and for the maintenance and upkeep thereof, construction of additional recreational facilities, and any other purposes, rules and regulations of the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, including, but without limitation, the right of the said Association to file a lien for the non-payment of assessments or dues and the right to foreclose the same for non-payment thereof. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to dues or assessments. All of such dues or assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment or dues is made. Each such assessment or dues, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of such property at the time when the same fell due. The responsibility for delinquent dues or assessments shall not pass to his successors in title, unless expressly assumed by them. Any owner selling his property shall advise the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, in writing, of the name and address of his buyer, and if the buyer is not to assume any delinquent dues and/or assessments, the seller, at that time, shall bring all such delinquent dues and/or assessments current. In addition, all owners shall keep the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION apprised of any change in address for billing and Notice purposes requiring mailing.

5. In order to avoid a housing development appearance, no builder or owner shall construct two (2) or more residences of similar appearance within this Unit or within view of each other. All buildings shall otherwise conform to the provisions of Paragraph E.9. hereof, and shall be completed within six (6) months of commencement thereof. Act of God excepted.

6. All residences erected on said Lots shall be erected on-site from the ground up and shall have a minimum heated floor area of 2,000 square feet, exclusive of open porches and garages. If any room in a residence has a sloping ceiling, no portion of the room measuring less than five (5) feet from the finished floor to the finished ceiling shall be included in any computation of the minimum floor area thereof.

7. No building shall be erected or maintained nearer than ten (10) feet to any side Lot line, nor nearer than twenty (20) feet to any front or back Lot line; provided, however, that if any person owns several contiguous Lots, buildings may be erected or maintained anywhere thereon, provided that said buildings shall not be nearer than the distances aforesaid to the extreme exterior Lot lines of all of said contiguous Lots taken together as a Unit. If a residence is thus constructed on two or more contiguous Lots under common ownership, the owner thereof shall be required to maintain the number of memberships in WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION equal to the number of original Lots combined for one residence, as far as the payment of dues and assessments is concerned, and shall have one vote for each original Lot.

8. If an owner constructs a residence using a mechanical or passive solar system on his property, the neighboring property owners shall not thenceforth construct or cause to be constructed, plant, grow or install any new objects, structures or trees which might cause an obstruction to their neighbor's property and the low winter sun angle which is critical for their neighbor's mechanical or passive solar system.

9. Parking areas shall conform with Village of Ruidoso Ordinances or Planning and Zoning Regulations.

10. All exterior plans for buildings to be erected shall be submitted for approval by the Architectural Control Committee appointed by WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., or its successor Committee. Should the Committee deem it advisable to refer the plans to a professional architect or engineer, the Committee shall be entitled to charge the Lot owner a fee not to exceed \$100.00 for such service. Failure of the Committee to approve or disapprove such plans within twenty (20) days from the date of submission shall be considered as approval of such plans.

11. There shall be no unnecessary removal of trees and excavation shall be limited to removal of not more than 100 cubic yards of soil without the prior written consent of the Architectural Control Committee.

12. Exterior surfaces of any structure or dwelling shall not be allowed to become shabby or unkempt, and all Lots shall be properly landscaped and maintained and weeds cut as needed. All trash containers shall be placed underground or completely enclosed. All toilets shall be located inside principal buildings and shall be connected to the Village of Ruidoso sanitary sewer system.

13. No fence or free standing wall within or bordering a front yard shall exceed a height of three (3) feet; no fence or free standing wall within or bounding a rear or side lot line shall exceed a height of six (6) feet. On a corner Lot, no fence or free standing wall over three (3) feet in height may be erected so as to come closer to the street side of the corner Lot than the required street side lot line setback. Fences may be of growth, masonry, rock, cedar, native lumber or chain link. No barbed wire or chicken wire may be used in this Subdivision, other than the outside perimeter barbed wire fence installed by WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., at the rear Lot lines of the Units.

14. No signs exceeding four (4) square feet in area shall be erected or maintained on any single-family Lot.

15. No brush, trash or other materials shall be burned except in compliance with the fire regulations of the Village of Ruidoso or other appropriate regulatory agencies.

16. No building shall be erected on natural drainage channels, nor shall any building be constructed on utility easements except as provided for construction of a residence on contiguous Lots under common ownership. (See Paragraph F.7. hereof.)

17. If the terrain of any Lot prevents compliance with any one of these restrictions, a prior written waiver must be obtained from the Architectural Control Committee.

18. Additional Units of WHITE MOUNTAIN MEADOWS may be developed by WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., with a unity of use of the COMMON AREA set out in paragraph A. hereof, and under common security without the consent of the members of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION.

Invalidation of any of the foregoing covenants contained herein shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

All of the covenants herein contained shall run with the ownership of the land and shall be binding upon the undersigned corporation and all parties claiming under them.

All of the restrictive covenants contained herein are for the benefit of any and all owners of Lots within the boundaries of the land hereinabove described, or any subsequent Units, and if the undersigned or any of its assigns or successors shall violate or attempt to violate any of said covenants, then it shall be lawful for any other person or persons owning land within said boundaries to prosecute any proceedings at law or in equity to recover damages or to enjoin such act and to have any and all further legal and equitable relief.

WITNESS its hand and seal this 2nd day of August, 1982.

ARTICLE IV

COVENANT FOR MAINTENANCE AND ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each unit owned within the properties, hereby covenants, and each owner of any unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements; (3) special assessments for the Common Area owned by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, and for the maintenance of the Limited Common Area levied by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION; and (4)

for owners of units which receive utility services that are not separately metered, monthly assessments for such utilities, as specified more fully in Section 5 hereof; all such assessments to be established and collected as hereinafter provided. All of such assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title, unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the privacy, recreation, health, safety, and welfare of the owners of the properties, to pay for utility services provided to units which are not separately metered and for the improvement and maintenance of the Common Area or Limited Common Area, or as required of the units situate upon the properties.

Section 3. Maximum Annual Assessment. Until the third Saturday of January of the year immediately following the first conveyance of a unit, the maximum annual assessment shall not exceed \$_____ per month per unit.

(a) Thereafter, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.

(b) The maximum annual assessment may be increased by more than ten percent (10%) above the maximum assessment for the previous year by the affirmative vote of two-thirds

(2/3rds) of all votes cast in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Area, or Limited Common Area, including fixtures and personal property related thereto. Special assessments will be levied to site owners for the maintenance of sites having private access roads or ways and parking areas.

Section 5. Monthly Assessments for Utility Charges: In addition to the annual and special assessments authorized above, the Association shall levy monthly assessments against each unit owner for the payment of water, gas, electricity and other similar utility services not separately metered. The total charge for such services shall be prorated among the units by the Board of Directors.

Section 6. Insurance Assessments. The Board, or its duly authorized agent, shall have the authority to and shall obtain insurance for all of the buildings, including all units, unless the owners thereof have supplied proof of adequate coverage to the Board's complete satisfaction against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering the Common Area, or Limited Common Area, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such

insurance, except on the individual units, shall be a common expense. All such insurance coverage, including insurance on individual units obtained by the Board, shall be written in the name of the Association as trustee for each of the unit owners. Insurance on individual units obtained by such unit owners may be written in the name of the individual owners. Premiums for insurance obtained by the Board on individual units shall not be part of the common expense but shall be an expense of the specific unit or units covered, and a debt owed by the owners shall be collectible by any lawful procedure permitted by the laws of the State of New Mexico. In addition, if said debt is not paid within thirty (30) days after notice of such debt, such amount shall automatically become a lien upon such owner's lot and unit and shall continue to be a lien until fully paid. This lien shall be subordinate to the lien of any first mortgage and shall be enforceable in the same way as any lien created by failure to pay any other assessment. In addition to the aforesaid insurance required to be carried by the owners of the Association, any owner may, if he wishes, at his own expense, insure his own unit for his own benefit and carry any and all other insurance he deems advisable. It shall be the individual responsibility of each owner at his own expense to provide, as he sees fit, homeowners liability insurance, theft, and other insurance covering personal property.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds contract to rebuild or repair such damaged or destroyed portions of the property to as good a condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which

bank or institution are insured by a federal government agency with the proviso agreed to by said bank or institution that such funds may be withdrawn by signature of at least one-third (1/3rd) of the members of the Board, or by an agent duly authorized by the Board. The Board shall advertise for sealed bids with any licensed contractors and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing or rebuilding in the same condition as formerly, the Board shall levy a special assessment as the Board deems fair and equitable in the light of the damage sustained by such units to make up any deficiency. A special assessment may be levied against all unit owners, to make up any deficiency for repair or rebuilding of the Common Area or Limited Common Area not a physical part of a unit. In the event such insurance proceeds exceed the costs of repair and reconstruction, such excess shall be paid over to the respective mortgagees and owners in such proportions as the Board deems fair and equitable in the light of the damage sustained by such units. Such payment shall be made to all such owners and their mortgagees in proportion to their percentage interests. In the event of damage or destruction by fire or other casualty to any unit or other property covered by insurance written in the name of an individual owner, said owner shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds contract to repair or rebuild such damaged or destroyed portions of the unit in a good and workmanlike manner in conformance with the original plans and specifications of said unit. In the event such owner refuses or fails to so repair or rebuild any and all such damage to the unit area within thirty (30)

days, the Association, by and through the Board, is hereby irrevocably authorized by such owner to repair and rebuild any such unit. The owner shall then repay the Association in the amount actually expended for such repairs and the Association shall have a lien securing the payment of the same identical to that provided above in this Section securing the payment of insurance premiums; and subject to foreclosures as above provided.

Section 7. Notice and Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting shall be sent to all members not less than fifteen (15) days or more than thirty (30) days in advance of such meeting in the manner provided in the By-Laws of the Association. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of both classes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8. Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all units and may be collected on an annual basis or other convenient basis as selected by the Board of Directors of the Association.

Section 9. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all units on the first day of the month following the conveyance of the said unit. The first annual assessment shall be adjusted according to the number of months remaining in the fiscal year (September 1 to August 31). The Board of Directors shall fix the amount

of the annual assessment against each unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified unit have been paid.

Section 10. Effect of Non-payment of Assessments:

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may do any one or all of the following:

(a) File a lien for any unpaid assessment by recording an affidavit of such fact in the office of the County Clerk of Lincoln County.

(b) Bring an action at law against the unit owner personally obligated to pay the same; or

(c) Foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or Limited Common Area or abandonment of his unit.

In the event any of the foregoing actions are taken by the Association, then the owner shall be obligated to pay to the Association reasonable attorney's fees and necessary costs incurred by the Association in enforcing its rights and taking such action.

Section 11. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any unit shall not affect the assessment lien. However, the sale or transfer of any unit pursuant to

mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Owner's Obligation to Repair. Interior Maintenance. Except for those portions which the Association is required to maintain and repair hereunder, each owner shall, at the owner's expense, keep the interior of his unit and its equipment and appurtenances in good order, condition and repair, and shall do all redecorating, painting and varnishing which may at any time be necessary to maintain the good appearances and condition of his unit. In addition to decorating and keeping the interior of the unit in good repair, the owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heaters, furnaces, lighting fixtures, refrigerators, air conditioning equipment, dishwashers, disposals or ranges that may be in or connect with the unit. In the event an owner fails to make necessary repairs or to perform necessary maintenance, then the Association shall have the right to perform such repairs or maintenance and if it performs such repairs or maintenance, then it shall bill the owner the actual cost of such work plus reasonable handling charges and such total amount billed shall accrue interest at the rate of fifteen percent (15%) per annum from the date billed and shall be and remain a continuing lien upon the owner's unit until such amount is paid.

The Association shall not be responsible to the owner for loss or damage by theft or otherwise of articles which may be stored by the owner in any portion of the Common Area or Limited Common Area or in any unit.

Section 13. Exterior Maintenance.

(a) Type of Maintenance: The Association may, if deemed necessary by the Board, provide exterior maintenance for any living unit subject to assessment under Article IV hereof as follows: paint, repair, replace, and care for roofs, gutters, downspouts, and exterior improvements.

(b) Assessment of Costs: The costs of such exterior maintenance shall be assessed against the living unit on which the maintenance is done and shall be added to and become part of the annual assessment to which such living units are subject. As part of the annual assessment, it shall be a lien on the living unit, the personal obligation of the owner, and is due and payable in the same manner as the annual assessment, and otherwise subject to the provisions of Article IV.

(c) Access at Reasonable Hours: Solely for the purpose of performing the exterior maintenance authorized by this Declaration, the Association, through its authorized agent, shall have the right after reasonable notice to the member, to enter upon the exterior of any living unit at reasonable hours on any day.

Section 14. Entry for Repairs. The Association or its agents may enter any unit when necessary in connection with any maintenance, landscaping or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the owners as practicable, and any damage caused thereby shall be repaired by the Association out of the common expense fund.

Section 15. Prohibition Against Structural Changes by Owner. WHITE MOUNTAIN MEADOWS, UNIT 3
RUIDOSO, LINCOLN COUNTY, NEW MEXICO

The undersigned, being the owner of all of the real property located in WHITE MOUNTAIN MEADOWS, UNIT 3, Ruidoso, Lincoln County, New Mexico, as shown by the plat filed in the office of the County Clerk of Lincoln County, New Mexico, on the 26 day of January, 1984, in Cabinet D, Slides No. 213, does hereby declare for itself, its successors and assigns, that all lots and blocks in said subdivision shall be subject to and encumbered by the following restrictive and protective covenants, and that all conveyances of said property or any part thereof shall be subject to said covenants whether or not the same are embodied in the conveyance or other instruments affecting title thereto.

- A. COMMON AREA: Although this Unit contains no common area, all lot owners shall have the use, in common with all lot owners in all Units of WHITE MOUNTAIN MEADOWS, of the area designated as WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION COMMON AREA situate within WHITE MOUNTAIN MEADOWS, UNIT 1, which is the recreational area containing tennis courts, putting green and driving range; and all lot owners shall have the same responsibility for future maintenance and operation thereof, including payment of dues.
- B. SECURITY: Portions of the dedicated ways may have controlled or otherwise limited, access for the construction and maintenance of security entrances. This subdivision is a controlled-access, fenced security subdivision with a security gate. All property owners, occupants, family members, guests and invitees shall cooperate with the security guard at the gate or gates. All emergency vehicles shall have precedence in access to the subdivision without delay. Perimeter fencing shall be set back a minimum of one-half (1/2) foot from the exterior boundary of any utility easement.

The cost of providing security service shall be paid out of the dues payable to WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION by all lot owners in all Units of WHITE MOUNTAIN MEADOWS, now or hereafter developed, which dues shall be payable by the respective purchasers from and after the date of closing of a sales transaction. Until August 31, 1987, WHITE MOUNTAIN DEVELOPMENT COMPANY, INC. shall pay the deficit, if any, between dues collected and the cost of providing for guard service, insurance, upkeep and maintenance and ad valorem taxes accruing against the recreational COMMON AREA owned by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION. Any excess of dues paid shall be reserved for building a clubhouse and/or other recreational facilities. No owner may waive or otherwise escape liability for the dues provided for by non-use of the COMMON AREA or security services.

The security guard system may be changed to an automated security system at any time, upon an affirmative vote of 60%

of the members of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, with the cost thereof to be shared proportionately among all members of said Association.

Dues payable to WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION may be increased annually commencing September 1, 1984, by an amount not to exceed 10% per annum by action of the Board of Directors of said Association. No increase of more than 10% per annum shall become effective except upon the affirmative vote of 60% of the members in attendance, either in person or represented by proxy, at the annual meeting or a special meeting called for that purpose.

C. WHITE MOUNTAIN MEADOWS, UNIT 3, is hereby designated as a "single-family residential area" and not for construction of town-houses, condominiums or apartments, and all lots and blocks are subject to the following residential restrictions:

1. That said "residential area" shall be used for single-family residential purposes only, and no business, manufacturing, commercial enterprise, public or commercial amusement shall be conducted, operated or maintained thereon. There shall be no "time-share" or similar type ownership of any lot.
2. No animals other than domestic household pets shall be kept or maintained on any lot. No trash, junk, old vehicles not in operating condition, or any unsightly object shall be allowed upon or maintained or kept on any of the lots, unless kept out of view. No washing machines or other appliances may be kept on the outside unless enclosed in an enclosure attached to the dwelling. All clotheslines shall be maintained on the rear of any lot and shall be so placed as to not be visible from any adjoining lot or street. No television antennas shall be maintained upon any of the lots or exterior of the buildings. Except during construction work, no large construction machinery, dump trucks, tractors, blades, etc. may be parked on any lot.

but without limitation, the right of the said Association to file a lien for the non-payment of assessments or dues and the right to foreclose the same for non-payment thereof. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to dues or assessments. All of such dues or assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment or dues is made. Each such assessment or dues, together with interest, costs and reasonable attorney's fees, shall be the personal obligation of the person who was the owner of such property at the time when the same fell due. The responsibility for delinquent dues or assessments shall not pass to his successors in title, unless expressly assumed by them. Any owner selling his property shall advise the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, in writing, of the name and address of his buyer, and if the buyer is not to assume any delinquent dues and/or assessments, the seller, at that time, shall bring all such delinquent dues and/or assessments current. 6. All residences erected on said lots shall be erected on-site from the ground up and shall have a minimum heated floor area of 2,000 square feet, exclusive of open porches and garages. 7. No building shall be erected or maintained nearer than ten (10) feet to any side lot line, nor nearer than twenty (20) feet to any front or back lot line; provided, however, that if any person owns several contiguous lots, buildings may be erected or maintained anywhere thereon, provided that said buildings shall not be nearer than the distances aforesaid to the extreme exterior lot lines of all of said contiguous lots taken together as a unit. If a residence is thus constructed on two or more contiguous lots under common ownership, the owner thereof shall be required to maintain the number of memberships in WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION equal to the number of original lots combined for one residence, as far as the payment of dues and assessments is concerned, and shall have one vote for each original lot. Buildings to be erected on Lots 2 through 8 of Block 4 shall be set back of the natural drainage easement.
8. No buildings shall be erected on natural drainage channels, nor shall any obstruction of drainage channels be permitted. For driveways constructed

over any drainage channel, the owners shall be required to install an adequate culvert so as not to impede the natural flow of water through the drainage channel.

9. If an owner constructs a residence using a mechanical or passive solar system on his property, the neighboring property owners shall not thenceforth construct or cause to be constructed, plant, grow or install any new objects, structure or trees which might cause an obstruction to their neighbor's property and the low winter sun angle which is critical for their neighbor's mechanical or passive solar system.
10. Parking areas shall conform with Village of Ruidoso ordinances or Planning and Zoning Regulations.
11. All exterior plans for buildings to be erected shall be submitted for approval by the Architectural Control Committee appointed by WHITE MOUNTAIN DEVELOPMENT COMPANY, or its successor Committee. Should the Committee deem it advisable to refer the plans to a professional architect or engineer, the Committee shall be entitled to charge the lot owner a fee not to exceed \$100.00 for such service. Failure of the Committee to approve or disapprove such plans within twenty (20) days from the date of submission shall be considered as approval of such plans.

No fence or free standing wall within or bordering a front yard shall exceed a height of three (3) feet; no fence or free standing wall within or bordering a rear or side lot line shall exceed a height of six (6) feet. On a corner lot, no fence or free standing wall over three (3) feet in height may be erected so as to come closer to the street side of the corner lot than the required street side lot setback. Fences may be of growth, masonry, rock, cedar, native lumber or chain link. No barbed wire or chicken wire may be used in this subdivision, other than the outside perimeter barbed wire fence installed by WHITE MOUNTAIN DEVELOPMENT COMPANY at the rear lot lines of the Unit.

16. No brush, trash or other materials shall be burned except in compliance with the fire regulations of the Village of Ruidoso or other appropriate regulatory agencies.
17. No building shall be constructed on utility easements except as provided for construction of a residence on contiguous lots under common ownership.

18. If the terrain of any lot prevents compliance with any one of these restrictions, a prior written waiver must be obtained from the Architectural Control Committee.
19. The powers and duties of the Architectural Control Committee, on December 31, 1999, or on such sooner date as WHITE MOUNTAIN DEVELOPMENT COMPANY, INC. is no longer engaged in the development business, shall automatically become vested in the Board of Directors of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, or a committee of three members appointed by such Board.
20. Additional Units of WHITE MOUNTAIN MEADOWS may be developed by WHITE MOUNTAIN DEVELOPMENT COMPANY, INC. with a unity of use of the COMMON AREA set out in paragraph A hereof, and under common security, without the consent of the members of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION.

Invalidation of any of the foregoing covenants contained herein shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

All of the covenants herein contained shall run with the ownership of the land and shall be binding upon the undersigned corporation and all parties claiming under them.

All of the restrictive covenants contained herein are for the benefit of any and all owners of lots within the boundaries of WHITE MOUNTAIN MEADOWS, and if the undersigned or any of its assigns or successors shall violate or attempt to violate any of said covenants, then it shall be lawful for any other person or persons owning land within said boundaries to prosecute any proceedings at law or in equity to recover damages or to enjoin such act and to have any and all further legal and equitable relief.

Every owner shall have a right and easement of enjoyment to the Common Area with the purpose for which it is intended. Site Owners shall have a right and easement of enjoyment to the Limited Common Area, with the purpose for which it is intended. The rights of each owner shall, however, be subject to the following provisions and such rules and regulations as may be adopted by the Association:

(a) No owner shall occupy or use his unit, or permit the same or any part thereof to be occupied or used for any purpose other than as a private residence for the owner and the owner's family or the owner's lessees or guests.

(b) There shall be no obstruction of the Common Area or Limited Common Area. Nothing shall be stored in the Common Area or Limited Common Area without the prior written consent of the Board.

(c) Nothing shall be done or kept in any unit or in the Common Area or Limited Common Area which will increase the rate of insurance, without the prior written consent of the Board. No owner shall permit anything to be done or kept in his unit or in the Common Area or Limited Common Area which will result in the cancellation of insurance on any unit or any part of the Common Area or Limited Common Area, or which would be in violation of any law. No waste will be committed in the Common Area or Limited Common Area.

(d) No signs exceeding four (4) square feet in area shall be displayed to the public view on or from any unit or the Common Area or Limited Common area, without the prior

consent of the Board and in accordance with the Restrictive Covenants now in force or as amended.

(e) No animals other than domestic household pets shall be kept or maintained on said lots. No more than two (2) adult dogs may be kept on any one unit, and all dogs shall be kept in a suitable enclosed yard or on leash. No animals may be bred or maintained thereon for any commercial purposes. The Association reserves the right to order the removal of any animals which may become objectionable to the residents of other units.

(f) No noxious or offensive activity shall be carried on in any unit or in the Common Area or Limited Common Area, nor shall anything be done therein which may be or become an annoyance or nuisance to the other owners.

(h) There shall be no violation of rules and regulations for the use of the Common Area or Limited Common Area adopted by the Board and furnished in writing to the owners.

(i) None of the rights and obligations of the owners created herein shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of any such encroachments so long as they shall exist; provided, however, that in no event shall a valid easement for encroachment be created in favor of an owner or owners if said encroachment occurred due to the willful conduct of said owner or owners.

(j) The Association shall have the right to suspend the voting rights and right to use of the Common Area or Limited Common Area by an owner for any period during which any assessment against his unit remains unpaid, and for a

period not to exceed sixty (60) days for any infraction of its published rules and regulations.

(k) Each owner shall be entitled to the use of the parking areas, if any, situate upon the Common Area or Limited Common Area, and/or appurtenant to his unit. Exclusive of the parking areas herein referred to, no vehicles of any kind, other than maintenance vehicles and equipment shall be operated upon either the Common Area or Limited Common Area.

Section 2. Delegation of Use. Any owner may delegate, in accordance with the By-Laws, his right of enjoyment to the Common Area or Limited Common Area and facilities to the members of his family, his guests, or his tenants.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every owner of a unit shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any unit which is subject to assessment. Quorum requirements shall be the same as set forth in Article IV, Section 7.

Section 2. The Association shall have two classes of voting membership:

Class A. Class A members shall be all owners with the exception of the Declarant and shall be entitled to one (1) vote for each unit owned. When more than one (1) person holds an interest in any unit, all such persons shall be members. The vote for such unit shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to any unit. The annual and special meetings shall be held as set forth in the By-Laws.

Class B. The Class B member shall be the Declarant and shall be entitled to three (3) votes for each lot or unit owned. The Class B membership shall cease when all lots or units, including additional units of WHITE MOUNTAIN MEADOWS are sold. The Declarant shall have the option at any time to turn over to the owners the responsibility of electing all of the members of the Board. For a further definition of memberships, refer to the Supplement to Membership Agreement recorded on the 19th day of August 1982, in Book 80 of Miscellaneous Records at pages 1182-1188, Lincoln County Clerk's office, Carrizozo, New Mexico, and the Restrictive Covenants first hereinabove referred to.

ARTICLE IV

COVENANT FOR MAINTENANCE AND ASSESSMENTS

Section 1. Creation of the Lien and Personal
Obligation of Assessments. The Declarant, for each unit owned within the properties, hereby covenants, and each owner of any unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay to the Association: (1) annual dues, assessments or charges; (2) special assessments for capital improvements; (3) special assessments for the Common

Area owned by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, and for the maintenance of the Limited Common Area levied by the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION; and (4) for owners of units which receive utility services that are not separately metered, monthly assessments for such utilities, as specified more fully in Section 5 hereof; all such assessments to be established and collected as hereinafter provided. All of such assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title, unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the privacy, recreation, health, safety, and welfare of the owners of the properties, to pay for utility services provided to units which are not separately metered and for the improvement and maintenance of the Common Area or Limited Common Area or as required of the units situate upon the properties.

Section 3. Maximum Annual Assessment. The dues, for Class A Members, for the initial year from September 1, 1982 through August 31, 1983 are hereby established at \$20.00 per month per lot or unit.

(a) Thereafter, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year without a vote of the membership.

(b) The maximum annual assessment may be increased by more than ten percent (10%) above the maximum assessment for the previous year by the affirmative vote of sixty percent (60%) of all votes cast in person or by proxy, at a meeting duly called for this purpose.

(c) The Board may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Area, or Limited Common Area (to be separately levied to site owners), including fixtures and personal property related thereto. Special assessments will be levied to site owners for the maintenance of sites having private access roads or ways and parking areas.

Section 5. Monthly Assessments for Utility Charges: In addition to the annual and special assessments authorized above, the Association shall levy monthly assessments against each unit owner for the payment of water, gas, electricity and other similar utility services not separately metered. The total charge for such services shall be prorated among the units by the Board.

Section 6. Insurance Assessments. The Board, or its duly authorized agent, shall have the authority to and shall obtain insurance for all of the improvements owned by the Association and situate upon the Common Area against loss of damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy covering the Common Area, or Limited Common Area,

and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance, as to the Common Area, shall be a common expense. Premiums for insurance for the Limited Common Area shall be separately assessed to the site owners. All unit owners shall maintain policies of fire and extended coverage with a broad form endorsement upon the improvements constructed thereon, to the full replacement cost thereof. Each unit owner shall be required to provide the Board with adequate proof of insurance. Should any unit owner fail to procure adequate insurance, as aforesaid, the Board may obtain such coverage. All insurance coverage for the Common Area and Limited Common Area shall be written in the name of the Association as trustee for each of the unit owners. Premiums for insurance obtained by the Board on individual units shall not be part of the common expense, but shall be an expense of the specific unit or units covered, and a debt owed by the owners, and shall be collectible by any lawful procedure permitted by the laws of the State of New Mexico. In addition, if said debt is not paid within thirty (30) days after notice of such debt, such amount shall automatically become a lien upon such owner's lot and unit and shall continue to be a lien until fully paid. This lien shall be subordinate to the lien of any first mortgage and shall be enforceable in the same way as any lien created by failure to pay any other assessment. In addition to the aforesaid insurance required to be carried by the owners or the Association, any owner may, if he wishes, at his own expense, carry any and all other insurance he deems advisable. It shall be the individual responsibility of each owner at his own expense to provide, as he sees fit, homeowners liability insurance, theft, and other insurance covering personal property damage and loss.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds contract to rebuild or repair such damaged or destroyed portions of the property to as good a condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal government agency with the proviso agreed to by said bank or institution that such funds may be withdrawn by signature of at least one-third (1/3rd) of the members of the Board, or by an agent duly authorized by the Board. The Board shall advertise for sealed bids with any licensed contractors and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing or rebuilding in the same condition as formerly, the Board shall levy a special assessment as the Board deems fair and equitable in the light of the damage sustained to make up any deficiency. A special assessment may be levied as appropriate against unit owners, to make up any deficiency for repair or rebuilding of the Common Area or Limited Common Area not a physical part of a unit. In the event such insurance proceeds exceed the costs of repair and reconstruction, such excess shall be paid over to the respective mortgagees, if any, and owners in such proportions as the Board deems fair and equitable. In the event of damage or destruction by fire or other casualty to any unit or other property covered by insurance written in the name of an individual owner, said owner shall, with concurrence of the mortgagee, if any, upon receipt of the

insurance proceeds contract to repair or rebuild such damaged or destroyed portions of the unit in a good and workmanlike manner in conformance with the original plans and specifications of said unit. In the event such owner refuses or fails to so repair or rebuild any and all such damage to the unit area within thirty (30) days, the Association, by and through the Board, is hereby irrevocably authorized by such owner to repair and rebuild any such unit. The owner shall then repay the Association in the amount actually expended for such repairs and the Association shall have a lien securing the payment of the same identical to that provided above in this Section securing the payment of insurance premiums; and subject to foreclosures as above provided.

Section 7. Notice and Quorum for any Action
Authorized Under Sections 3 and 4. Written notice of any meeting shall be sent to all members not less than fifteen (15) days or more than thirty (30) days in advance of such meeting in the manner provided in the By-Laws of the Association. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of both classes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8. Rate of Assessment. Both annual and special assessments shall be fixed at a uniform rate for all units and may be collected on an annual basis or other convenient basis as selected by the Board.

Section 9. Date of Commencement of Annual

Assessments: Due Dates. The annual assessments provided for herein shall commence as to all units on the date of closing. The first annual assessment shall be prorated from the date of closing to the end of the fiscal year, which commences October 1 and ends on September 30 of each year. The Board shall fix the amount of the annual assessment against each unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The dues shall be payable yearly, in advance, on September 1 of each year. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified unit have been paid.

Section 10. Effect of Non-payment of Assessments:

Remedies of the Association. Any assessment not paid within thirty (30) days after the due date, which shall be specified therein, shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may do any one or all of the following:

(a) File a lien for any unpaid assessment by recording an affidavit of such fact in the office of the County Clerk of Lincoln County.

(b) Bring an action at law against the unit owner personally obligated to pay the same; or

(c) Foreclose the lien against the property. No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or Limited Common Area or abandonment of his unit.

In the event any of the foregoing actions are taken by the Association, then the owner shall be obligated to pay to the Association reasonable attorney's fees and necessary

costs incurred by the Association in enforcing its rights and taking such action.

Section 11. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any unit shall not affect the assessment lien. However, the sale or transfer of any unit pursuant to mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Owner's Obligation to Repair. Interior Maintenance. Except for those portions which the

Association is required to maintain and repair hereunder, each owner shall, at the owner's expense, keep the interior of his unit and its equipment and appurtenances in good order, condition and repair, and shall do all redecorating, painting and varnishing which may at any time be necessary to maintain the good appearances and condition of his unit. In addition to decorating and keeping the interior of the unit in good repair, the owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heaters, furnaces, lighting fixtures, refrigerators, air conditioning equipment, dishwashers, disposals or ranges that may be in or connect with the unit. In the event an owner fails to make necessary repairs or to perform necessary maintenance, then the Association shall have the right to perform such repairs or maintenance and if it performs such repairs or maintenance, then it shall bill the owner the actual cost of such work plus reasonable handling charges and such total amount billed shall accrue interest at the rate of fifteen percent (15%) per annum from the date

billed and shall be and remain a continuing lien upon the owner's unit until such amount is paid.

The Association shall not be responsible to the owner for loss or damage by theft or otherwise of articles which may be stored by the owner in any portion of the Common Area or Limited Common Area or in any unit.

Section 13. Exterior Maintenance.

(a) Type of Maintenance: The Association may, if deemed necessary by the Board, provide exterior maintenance for any living unit subject to assessment under Article IV hereof as follows: paint, repair, replace, and care for roofs, gutters, downspouts, and exterior improvements, including landscaping.

(b) Assessment of Costs: The costs of such exterior maintenance shall be assessed against the living unit on which the maintenance is done and shall be added to and become part of the special assessment to which such living units are subject. The assessment shall be a lien on the living unit and is the personal obligation of the owner. It shall be due and payable upon presentment, and otherwise subject to the provisions of Article IV.

(c) Access at Reasonable Hours: Solely for the purpose of performing the exterior maintenance authorized by this Declaration, the Association, through its authorized agent, shall have the right after reasonable notice to the member, to enter upon the exterior of any living unit at reasonable hours on any day.

Section 14. Entry for Repairs. The Association or its agents may enter any unit when necessary in connection with any maintenance, landscaping or construction for which the Association is responsible. Such entry shall be made with as little inconvenience to the owners as practicable, and any damage caused thereby shall be repaired by the Association out of the common expense fund.

Section 15. Prohibition Against Structural Changes by

Owner. The owner shall not, without first obtaining written consent of the Board and the Architectural Control Committee of WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., make or permit to be made any structural alteration, improvement or addition in or to his unit or in or to the exterior of the buildings or other Common Area or Limited Common Area. The owner shall do no act nor any work that will impair the structural soundness or integrity of the buildings or safety of the property or impair any easement without the written consent of the Board. The owner shall not paint or decorate any portion of the exterior of the buildings or other Common Area or Limited Common Area, without first obtaining written consent of the Board.

Section 16. Declarant's Use of Premises.

Notwithstanding any provision herein contained to the contrary, it shall be expressly permissible for the Declarant to maintain during the period of construction and sale of the units upon such portion of the premises as Declarant deems necessary such facilities as in the sole opinion of the Declarant may be reasonably required, convenient, or incidental to the construction and sale of said living units, including, but without limitation, a business office, a storage shed, construction yards, signs, model units, and sales office. Such use shall not be carried on in such a manner as to unreasonably interfere with the use of the area by the other owners.

ARTICLE V

ARCHITECTURAL CONTROL

Subject to the applicable Restrictive Covenants, no building, fence, wall or other structure shall be commenced, erected or maintained upon the properties, nor shall any

exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures by the Board of the Association, who in turn shall first obtain the approval of the Architectural Control Committee of WHITE MOUNTAIN DEVELOPMENT COMPANY, INC. In the event said Board or Committee fails to approve or disapprove such design and location within twenty (20) days after said plans and specifications have been submitted (to each respective entity), approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VI

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidity of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically

extended for successive periods of twenty (20) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by unit owners representing not less than ninety percent (90%) of all votes entitled to be cast, and thereafter by an instrument signed by unit owners representing not less than sixty-six percent (66%) of all votes entitled to be cast. Any such amendment must be recorded.

Section 4. Failure of Association to Insist on Strict Performance: No Waiver. The failure of the Association to insist in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment for the future, of such term, covenant, condition or restriction but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from an Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board.

Section 5. Subsequent Development. Declarant acknowledges that WHITE MOUNTAIN DEVELOPMENT COMPANY, INC., a New Mexico corporation, is the owner of additional lands contiguous to the real properties commonly known as WHITE MOUNTAIN MEADOWS, UNITS 1 & 2, and that subsequent units are contemplated with a unity of use and development. Accordingly, Declarant agrees that no action shall be taken by Declarant, its successors or assigns, that will impede the development of future units approved by the Village of

Ruidoso, or impair easements for development set forth in the Restrictive Covenants.

Section 6. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development, use and operation. In the event of a conflict between this Declaration, or any amendment thereto, and the Restrictive Covenants of Record, the latter shall control.

Said home owners association is hereinafter called the Association. One owner or purchaser of each residential unit or townhouse unit of White Mountain Meadows shall be and become a member of the Association subject to the provisions of this Supplemental Agreement and subject to the provisions contained in the Contract of Sale signed by the purchaser at the time of purchase of the residential unit, and subject to the Articles and By-Laws of the Association. The primary purpose of the Association shall be to acquire the recreational facilities and open land to be developed by White Mountain in all units of White Mountain Meadows, to operate and maintain them for the benefit, security and recreation of the members, to add facilities thereto at the option of the membership, and to pay for the employment of security guards (or automated security measures) to control access to the subdivision for the purpose of providing security. Said Association shall also acquire as Trustee for the townhouse associations the Limited Common Area surrounding the townhouse sites.

White Mountain shall further convey to the Association, as Trustee for the townhouse owners, the Limited Common Area surrounding and appurtenant to Sites 1 through 58 of White Mountain Meadows, Unit 1, and any Limited Common Areas hereafter developed in further units of White Mountain Meadows. If additional green belt common areas are developed in future units, White Mountain shall convey such additional common areas to the Association under the same terms.

2. Optional Facilities Association:

At the discretion of the membership, the Association, at its expense, may elect to construct additional recreational facilities on such Common Area, such as, but not limited to, a clubhouse and/or swimming pool. Every Owner shall have a right and easement of enjoyment to the Common Area with the purpose for which it is intended. Owners of Site Lots shall have a right and easement of enjoyment to the Limited Common Area, with the purpose for which it is intended. The rights of each Owner shall, however, be subject to the following provisions and such rules and regulations as may be adopted by the Association:

No Owners shall permit anything to be done or kept in his Lot or in the Common Area or Limited Common Area which will result in the cancellation of insurance on any Lot or any part of the Common Area or Limited Common Area, or which would be in violation of any law. No waste will be committed in the Common Area or Limited Common Area.

(d) No signs exceeding four (4) square feet in area will be displayed to the public view on or from any Lot or the Common Area or the Limited Common Area, without the prior consent of the Board and in accordance with this Amended Declaration.

The Association shall have the right to order the removal of any animals which may become objectionable to the Owner of any other Lots.

(f) No obnoxious or offensive activity shall be carried on in any Lot or in the Common Area or Limited Common Area, nor shall anything be done therein which may be or become an annoyance or nuisance to the other Owners.

(g) Nothing shall be altered or constructed in or removed from the Common Area or Limited Common Area, except upon the written consent of the Board.

(h) There shall be no violation of rules and regulations for the use of the Common Area or Limited Common Area adopted by the Board and furnished in writing to the Owners.

(i) None of the rights and obligations of the Owners created herein shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of any such encroachment so long as such encroachments shall exist; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful conduct of said Owner or Owners.

(j) The Association shall have the right to suspend the right to use of the Common Area or Limited Common Area by an Owner for any period during which any assessment against his Lot remains unpaid, and for a period not to exceed sixty (60) days for any infraction of its written rules and regulations.

(k) Each Owner shall be entitled to the use of the parking areas, if any, situate upon the Common Area or Limited Common Area, and/or appurtenant to his Lot. Exclusive of the parking areas herein referred to, no vehicles of any kind, other than maintenance vehicles and equipment shall be operated upon either the Common Area or Limited Common Area.

(l) No commercial type vehicles shall be stored or parked on any Lot, nor parked on any street except while engaged in transport to or from a residence. No recreational vehicle, camper, trailer, mobile home, boat or similar item shall be kept on a Lot except within an enclosed building. (m) The Association, or any Owner, shall have the right to prevent any Owner from hindering or encroaching upon the lawful rights of other Owners.

(n) There shall be no "time-share" or similar type ownership of any Lots, buildings, dwellings or units thereof in the Properties.

(o) No trash, junk, old vehicles not in operating condition, or unsightly object shall be allowed upon or maintained or kept on any of the Lots. No washing machines or other appliances may be kept on the outside of any dwelling unless enclosed in an enclosure attached to the dwelling. No television antennas or satellite television reception dishes or similar devices shall be maintained upon any of the Lots or exterior of the buildings. Except during construction work, no large construction machinery, dump trucks, tractors, blades, etc. may be parked on any Lot.

(p) No garage, carport, shed, tent, trailer, mobile home or temporary structure of any kind for use as a temporary or permanent residence shall be erected, constructed, permitted or maintained on any Lot except that a construction trailer or shed and portable sanitary toilet may be used during construction if approved by the Architectural Control Committee.

(q) In order to avoid a housing development appearance, no builder or Owner shall construct two (2) or more buildings of similar appearance within view of each other in the Properties.

(r) White Mountain Meadows, Units 2 & 3 are hereby designated as "single-family housing residential areas" and not for the construction of townhouses, condominiums or apartments.

(s) All residences erected on Lots in single-family housing residential areas shall be erected on-site from the ground up and shall have a minimum heated floor area of 2,000 square feet, exclusive of open porches and garages. If any room in a residence has a sloping ceiling, no portion of the room measuring less than five (5) feet from the finished floor to the finished ceiling shall be included in any computation of the minimum floor area thereof.

(t) All buildings shall be of all new first class construction and shall be completed within six (6) months from commencement thereof, Act of God excepted.

(u) No building on any Lot shall have any exposed concrete or cement block and if such materials are used in construction, they shall be coated with stucco or similar covering.

(v) In single-family housing residential areas, no building shall be erected or maintained nearer than ten (10) feet to any side lot line, nor nearer than twenty (20) feet to any front or back lot line; provided, however, that if any person owns several contiguous Lots, buildings may be erected or maintained anywhere thereon, provided that said buildings shall not be nearer than the distances aforesaid to the extreme exterior lot lines of all of said contiguous Lots taken together as a single lot. If a building is thus constructed on two or more contiguous Lots under common ownership, the Owner thereof shall be required to maintain a Class A membership in the Association for each residence and/or guest house located on such contiguous Lots and shall maintain a Class A-1 membership for each original contiguous Lot upon which an auxiliary building (such as a garage) is built or which remains vacant, as far as the payment of assessments is concerned, and shall have only one vote for the applicable class for each original Lot. Buildings to be erected on Lots 2 through 8 of Block 4 of Unit 3 shall be set back of the natural drainage easement.

(w) No buildings shall be erected on natural drainage channels, nor shall any obstruction of drainage channels be permitted. For driveways constructed over any drainage channel, the Owners shall be required to install an adequate culvert so as not to impede the natural flow of water through the drainage channel.

(x) If an Owner constructs a residence using a mechanical or passive solar system on his Lot, the neighboring Lot Owners shall not thenceforth construct or cause to be constructed, plant, grow or install any new objects, structures or trees which might cause an obstruction to their neighbor's Lot and the low winter sun angle necessary for their neighbor's mechanical or passive solar system.

(y) Parking area, driveways and garages or carports shall face contiguous streets or access ways and shall be paved. Parking areas shall conform with Village of Ruidoso ordinances or Planning and Zoning Regulations.

(z) There shall be no unnecessary removal of trees and excavation or fill shall be limited to not more than 100 cubic yards of soil without the prior written consent of the Architectural Control Committee.

(aa) Exterior surfaces of any structure or dwelling shall not be allowed to become shabby or unkempt, and all Lots shall be properly landscaped and maintained and weeds cut as needed. All trash containers shall be placed underground or be completely enclosed. All toilets shall be located inside principal buildings and shall be connected to the Village of Ruidoso sanitary sewer system.

(bb) No fence or free standing wall within or bordering a front yard shall exceed a height of three (3) feet; no fence or free standing wall within or bordering a rear or side lot line shall exceed a height of six (6) feet. On a corner lot, no fence or free standing wall over three (3) feet in height may be erected as to come closer to the street side of the corner lot than the required street side lot setback established by the Village of Ruidoso. Fences may be of growth, masonry, rock, cedar or native lumber. Chain link fence may be used only with the express written consent of the Architectural Control Committee. No barbed wire or chicken wire may be used in White Mountain Meadows, other than the outside perimeter barbed wire fence installed by the Developer at the rear lot lines of Unit 3 or Contiguous Properties added by any Subsequent Amendment.

(cc) No brush, trash or other materials shall be burned except in compliance with the fire regulations of the Village of Ruidoso or other appropriate regulatory agencies.

(dd) No building shall be constructed on utility easements except as provided for construction of a residence on contiguous Lots under common ownership.

(ee) In townhouse, condominium or apartment residential areas, all of the private roads and ways, including, but not limited to Site Lot access, shall be constructed by the Developer only and may be relocated from the position set out on the plat to provide access to individual Sites in accordance with the topography and sound engineering practices; except that they shall not encroach upon the Site Lots. The private ways or roads shall be maintained by the Association for the use and benefit of the Site Lot Owners, and the cost thereof shall be assessed to the townhouse associations benefitting from said private roads or ways, although the initial construction and paving of the private roads and ways shall be performed at the expense of the Developer.

(ff) No business, manufacturing, commercial enterprise, public or commercial amusement shall be conducted, operated or maintained on the Properties. The Developer shall have the right, nonetheless, to maintain sales offices upon one or more of the Lots until the sale of all Lots is effected including Lots which may be added by Subsequent Amendment. Additionally, during construction of dwellings, contractors may maintain temporary offices for on-site projects.

(gg) White Mountain Meadows, Unit 1, is hereby designated for multifamily use for construction of townhouses only. This Unit consists of Sites 1 through 58 (each a "Site"), containing a total of 274 Site Lots and the appurtenant Limited Common Area. The maximum density for Unit 1 is hereby limited to the 274 Site Lots as shown on the plat.

(hh) If one or more townhouses on a single Site are to be constructed at different times, the exterior of each such townhouse shall be fully finished on all sides as though no further townhouses were to be built on the Site, and all excess building materials and debris are to be removed from the premises so that the same are left in broom-clean condition during the period of delay between construction phases, if such period of delay will extend beyond thirty (30) days from the date of completion of the first phase. Nothing herein contained shall be construed so as to prevent several different buyers from purchasing an individual Site Lot upon which to build, or several different builders from constructing the individual townhouse units upon the various Site Lots within a Site; provided that the exterior design plans submitted shall be harmonious in design and color and materials with the other townhouses located on that particular Site. For example, if there are four Site Lots within a Site, each Site Lot may be purchased by a different buyer and each townhouse may be constructed by a different builder.

(ii) The Developer has provided for installation of water, sewer, electricity, natural gas, telephone and television cable to the public street or utility easement at its own expense. Each Lot Owner shall be required to connect to such utilities underground, at his own expense, including trenching and backfill. Overhead connections will not be allowed.

(jj) All townhouses erected upon the Sites shall be erected on-site from the ground up. No pre-built townhouse or major pre-built portions of a townhouse shall be erected, constructed, placed, moved on, or maintained on any Site or Sites unless a variance is granted by the Architectural Control Committee in its sole discretion.

(kk) The following Sites are limited to one story in height: Sites 5, 21, 22, 23, 24, 42, 43, 44, 45, 46, 47, 48, 49 and 50 as delineated on the plat of Unit 1. On all other Sites delineated on the plat of Unit 1 no building shall exceed two (2) stories in height.

(ll) Except where existing green belt or other Common Areas delineated upon the plat equal or exceed twenty (20) feet from the adjoining street or right-of-way, no townhouse, appurtenant garage or other building shall be erected or constructed upon any of the Site Lots or Sites nearer than twenty (20) feet to the front Site Lot line except upon written approval of the Architectural Control Committee, if in the opinion of the Committee a variance may be granted because of terrain, and, further, if the said variance is approved by the Planning and Zoning Commission of the Village of Ruidoso. Notwithstanding the foregoing, second story decks and building entryways may encroach into the Limited Common Area a maximum of five (5) feet. In all multifamily units, each unit is conveyed with, and subject to, an easement for encroachments existing as a result of construction of the building, or which may come into existence thereafter as a result of settling or shifting of the building, or as a result of repair or reconstruction of the building after damage or destruction by fire or other casualty; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if such encroachment occurred due to the willful conduct of said Owner or Owners.

(mm) When the construction of a townhouse is commenced upon any Site Lot, the Owner or Owners thereof shall prosecute with all reasonable diligence the completion thereof, and shall complete the construction of any townhouse within six (6) months from the date of commencement, delays caused by Act of God excepted, unless the written consent of the Architectural Control Committee is obtained for a longer period of time for construction prior to the commencement of such construction.

(nn) If the terrain of any Lot prevents compliance with any one of these restrictions, a prior written waiver must be obtained from the Architectural Control Committee.

(oo) No Lot as originally platted shall be subdivided without the express written consent of the Architectural Control Committee and/or to eliminate an inadvertent encroachment on a neighboring Lot.

Section 2. Delegation of Use. Any Owner may delegate, in accordance with the Bylaws, his right of enjoyment to the Common Area or Limited Common Area and facilities to the members of his family, his guests, or his tenants.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Every person or entity who is the record Owner of a fee or undivided fee interest in any Lot subject to this Amended Declaration shall be deemed to have a membership in the Association. Membership shall be appurtenant to and may not be separated from such ownership.

Section 2. The Association shall have three classes of membership:

Class A. Class A members shall be all Owners of Improved Lots, with the exception of the Developer, and shall be entitled to one (1) vote for each Improved Lot owned. When more than one (1) person holds an interest in any Improved Lot, all such persons shall be members. The vote for such Improved Lot shall be exercised as they among themselves determine, but

in no event shall more than one (1) vote be cast with respect to any Improved Lot.

Class A-1. Class A-1 members shall be all Owners of Unimproved Lots, with the exception of the Developer, and shall be entitled to one (1) vote for each Unimproved Lot owned. When more than one (1) person holds an interest in an Unimproved Lot, all such persons shall be members. The vote for such Unimproved Lot shall be exercised as they among themselves may determine, but in no event shall more than one (1) vote be exercised with respect to any Unimproved Lot. The Class A-1 membership shall be upgraded to a Class A membership upon undertaking of building or construction activity on the Unimproved Lot sufficient to qualify the Unimproved Lot as an Improved Lot and the Class A-1 membership for each such Lot shall thereupon automatically terminate and expire.

Class B. The Class B member shall be the Developer and shall be entitled to three (3) votes for each Lot owned by the Developer. The Class B membership shall cease when all Lots, including Lots in any Contiguous Properties which may hereafter be annexed and developed, are sold by the Developer.

Section 3. The Association shall have the right to suspend the voting rights of a Member for any period during which any assessment against his Lot remains unpaid, and, for a period not to exceed sixty (60) days, for any infraction of its published rules and regulations. Any Member's vote(s) which is in suspension shall not be eligible for any purpose.

ARTICLE IV

MAINTENANCE AND ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Except for Lots owned by the Developer, each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association: (1) annual assessments for Common Expenses; (2) special assessments for capital improvements; (3) for Owners of Site Lots, special assessments for the ad valorem taxes, maintenance, insurance, administration, repair or replacement of the Limited Common Area appurtenant to his Site Lot and levied by the Association; and (4) for Owners of Site Lots which receive utility services that are not separately metered, monthly assessments for such utilities, as specified more fully in Section 5 hereof; all such assessments to be established and collected as hereinafter provided. All such assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title, unless expressly assumed by them.

Site Lots and Unimproved Lots owned by the Developer shall not be subject to annual or special assessments. Improved Lots owned by the Developer shall be subject to annual and special assessments. The Association is specifically authorized to enter into subsidy contracts with the Developer or other entities for the payment of some portion of the Common Expenses. Such contract or contracts shall be for the benefit of and enforceable by the Association. The Developer shall be under no obligation to offer or enter into any such contract.

Notwithstanding anything to the contrary herein, the Developer may contribute assessments due from it in service or materials or a combination of services and materials, rather than in money, (herein collectively called "in kind

contribution"). The amount by which monetary assessments shall be decreased as a result of any in kind contribution shall be the fair market value of the contribution. If the Developer and the Association agree as to the value of any contribution, the value shall be as agreed. If the Association and the Developer cannot agree as to the value of any contribution, the Developer shall supply the Association with a detailed explanation of the service performed and material furnished, and the Association shall acquire bids for performing like services and furnishing like materials from three (3) independent contractors approved by the Developer who are in the business of providing such services and materials. If the Association and the Developer are still unable to agree on the value of the contribution, the value shall be deemed to be the average of the bids received from the independent contractors.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used to promote the privacy, security, recreation, health, safety, welfare, common benefit, and enjoyment of the Owners, to pay Common Expenses, to pay for utility services provided to Site Lots which are not separately metered, and for the improvement and maintenance of real and personal property on the Common Area or Limited Common Area, and as required, of the Lots situate upon the Properties.

Section 3. Maximum Annual Assessment. The annual assessment, for Class A Members, for the year from January 1, 1988 through December 31, 1988 is hereby established at \$85.00 per month per Improved Lot (effective September 1, 1988). The annual assessment, for Class A-1 Members, for the year from January 1, 1988 through December 31, 1988 is hereby established at \$20.00 per month per Unimproved Lot.

(a) Thereafter, the annual assessment for Class A and Class A-1 membership may be increased each year not more than ten percent (10%) above the assessment for such class for the previous year without a vote of the membership subject to such assessments.

(b) The maximum annual assessment for Class A and Class A-1 membership may be increased by more than ten percent (10%) above the assessment for the previous year by the affirmative vote of sixty percent (60%) of the votes of each of the Class A or Class A-1 membership in attendance, as applicable, cast in person or by proxy, at a meeting duly called for the purpose of increasing either or both Class A or Class A-1 annual assessments.

(c) The Board may fix the annual assessment for either Class A or Class A-1 memberships at an amount not in excess of the maximum annual assessment.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of capital improvements upon the Common Area, or Limited Common Area (to be separately levied to Owners of Site Lots), including fixtures and personal property related thereto. Special assessments will be levied to Owners of Site Lots for the maintenance and upkeep of Sites having private access roads or ways and parking area. No special assessment shall be levied for new construction or acquisition of capital improvements without the affirmative vote of sixty percent (60%) of the votes of the Class A and Class A-1 membership in attendance (limited to Owners of Site Lots if the capital improvements are located on the Limited Common Area), cast in person or by proxy, at a meeting duly called for the purpose of approving special assessments for new construction or acquisition of capital improvements.

Section 5. Monthly Assessments for Utility Charges. In addition to the annual and special assessments authorized above, the Association may levy monthly assessments against each Site Lot for the payment of water, gas, electricity, cable television, and other similar utility services not separately metered. The total charge for services not separately metered shall be prorated among the Site Lots benefitted thereby by the Board.

Section 6. Insurance Assessments. The Board, or its duly authorized agent, shall have the authority to and shall obtain insurance for all of the improvements owned by the Association and situate upon the Common Area against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost of any repair or reconstruction work in the event of damage or destruction from any hazard, and shall also obtain a broad form public liability policy, if reasonably available, covering the Common Area and Limited Common Area, and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. Premiums for all such insurance, as to the Common Area, shall be a Common Expense. Premiums for insurance for the Limited Common Area shall be separately assessed to the Site Lots. All Improved Lot Owners shall maintain policies of fire and extended coverage with a broad form endorsement upon the improvements constructed thereon, to the full replacement cost thereof. Each Improved Lot Owner shall be required to provide the Board with adequate proof of insurance. Should any Improved Lot Owner fail to procure adequate insurance, as aforesaid, the Board may, but shall not under any circumstances be obligated to, obtain such coverage. All insurance coverage for the Common Area and Limited Common Area shall be written in the name of the Association as trustee for each of the Lot Owners. Premiums for insurance, if any, obtained by the Board on any individual Improved Lot shall not be part of the Common Expense, but shall be an expense of the specific Improved Lot or Lots covered, and a debt owed by the Owners thereof, and shall be collectible by any lawful procedure permitted by the laws of the State of New Mexico. In addition, if said debt is not paid within thirty (30) days after notice of such debt, such amount shall automatically become a lien upon such Owner's Improved Lot and shall continue to be a lien until fully paid. This lien shall be subordinate to the lien of any first mortgage and shall be enforceable in the same way as any lien created by failure to pay any other assessment. In addition to the aforesaid insurance required to be carried by the Owners or the Association, any Owner may, if he wishes, at his own expense, carry any and all other insurance he deems advisable. It shall be the individual responsibility of each Owner at his own expense to provide, as he sees fit, homeowners liability insurance, theft, and other insurance covering personal property damage and loss.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board shall, with concurrence of the first mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the property to as good a condition as formerly. All such insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal government agency, with the proviso agreed to by a said bank or institution that such funds may be withdrawn by signature of at least one-third (1/3rd) of the members of the Board, or by an agent duly authorized by the Board. The Board shall advertise for sealed bids with any licensed contractors and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction or rebuilding of such destroyed building or buildings. In the event the insurance proceeds are insufficient to pay all the costs of repairing or rebuilding in the same condition as

formerly, the Board shall levy a special assessment as the Board deems fair and equitable in the light of the damage sustained to make up any deficiency. A special assessment may be levied, as appropriate, against Lot Owners or Site Lot Owners, to make up any deficiency for repair or rebuilding of the Common Area or Limited Common Area not a physical part of a Lot. In the event such insurance proceeds exceed the costs of repair and reconstruction, such excess shall be paid over to the respective mortgagees, if any, and Owners in such proportions as the Board deems fair and equitable. In the event of damage or destruction by fire or other casualty to any structure or other property covered by insurance written in the name of an individual Owner, said Owner shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds contract to repair or rebuild such damaged or destroyed portions of the structure in a good and workmanlike manner in conformance with the original plans and specifications of said structure. In the event such Owner refuses or fails to so repair or rebuild any and all such damage to the structure within thirty (30) days, the Association, by and through the Board, is hereby irrevocably authorized by such Owner to repair and rebuild any such structure or to raze and remove the damaged structure and to make efforts to restore the Lot to as near as possible its original unimproved condition, whichever is deemed most advisable by the Board. The Owner shall then repay the Association in the amount actually expended for such repairs or razing and restoration and the Association shall have a lien securing the payment of the same identical to that provided above in this Section securing the payment of insurance premiums; and subject to foreclosure as above provided.

Section 7. Notice and Quorum for any Action Authorized Under Sections 3 and 4 of this Article IV. Written notice of any meeting shall be sent to all Members not less than fifteen (15) days or more than thirty (30) days in advance of such meeting in the manner provided in the Bylaws. At the first such meeting called, the presence of Members or of proxies entitled to vote equal to sixty percent (60%) of all votes of all classes of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meetings shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 8. Collection of Assessments. Assessments may be collected on an annual basis or other convenient basis as selected by the Board.

Section 9. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to each Lot on the date of closing of the sale of such Lot to a third party by the Developer. The first annual assessment shall be prorated from the date of closing to the end of the fiscal year of the Association. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

Section 10. Effect of Non-payment of Assessments: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date, which shall be specified therein, shall bear interest from the due date at the rate of fifteen percent (15%) per annum. The Association may do any one or all of the following:

(a) File a lien against the Lot for any unpaid assessment by recording an affidavit of such fact in the office of the County Clerk of Lincoln County;

(b) Bring an action at law against the Lot Owner personally obligated to pay the same; or

(c) Foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or Limited Common Area or abandonment of his Lot.

In the event any of the foregoing actions are taken by the Association, then the Owner shall be obligated to pay to the Association reasonable attorney's fees and necessary costs incurred by the Association in enforcing its rights and taking such action.

Section 11. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage but not subordinate to any mortgages or encumbrances inferior to the first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to first mortgage foreclosure shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Owner's Obligation to Repair; Interior Maintenance. Except for those portions which the Association is required to maintain and repair hereunder, each Owner shall, at the Owner's expense, keep the interior of his dwelling and its equipment and appurtenances in good order, condition and repair, and shall do all redecorating, painting and varnishing which may at any time be necessary to maintain the good appearances and condition of his dwelling. In addition to decorating and keeping the interior of the dwelling in good repair, the Owner shall be responsible for the maintenance, repair or replacement of any plumbing fixtures, water heaters, furnaces, lighting fixtures, refrigerators, air conditioning equipment, dishwashers, disposals or ranges that may be in or connect with the dwelling. In the event an Owner fails to make necessary repairs or to perform necessary maintenance, the Association shall have the right to perform such repairs or maintenance, and if it performs such repairs or maintenance, then it shall bill the Owner the actual cost of such work plus reasonable handling charges and such total amount billed shall accrue interest at the rate of fifteen percent (15%) per annum from the date billed and shall be and remain a continuing lien upon the dwelling until such amount is paid.

The Association shall not be responsible to the Owner for loss or damage by theft or otherwise of articles which may be stored by the Owner in any portion of the Common Area or Limited Common Area or in any Lot or dwelling.

Section 13. Maintenance.

(a) Type of Maintenance: The Association may, if deemed necessary by the Board, provide maintenance for any Lot subject to assessment under Article IV hereof as follows: paint, repair, replace, and care for roofs, gutters, downspouts, chimneys, siding and other exterior improvements, including landscaping.

(b) Assessment of Costs: The costs of such maintenance shall be assessed against the Lot on which the maintenance is done and shall be added to and become part of the special assessment to which such Lot is subject. The assessments shall be a lien on the Lot and is the personal obligation of the

Owner. It shall be due and payable upon presentment, and otherwise subject to the provisions of Article IV.

(c) Access at Reasonable Hours: Solely for the purpose of performing the maintenance authorized by this Amended Declaration, the Association, through its authorized agent, shall have the right after reasonable notice to the Member, to enter upon any lot or the exterior of any Improved Lot at reasonable hours on any day.

Section 14. Entry for Repairs. The Association or its agents may enter any Lot when necessary in connection with any maintenance, landscaping or construction for which the Association may be responsible. Such entry shall be made with as little inconvenience to the Owners as practicable, and any damage caused thereby shall be repaired by the Association out of the Common Expense fund.

Section 15. Prohibition Against Structural Changes by Owner. The Owner shall not, without first obtaining written consent of the Architectural Control Committee, make or permit to be made any structural alteration, improvement or addition in or to his dwelling or in or to the exterior of the buildings in the Common Area or Limited Common Area. The Owner shall do no act nor any work that will impair the structural soundness or integrity of the buildings or safety of the property or impair any easement without the written consent of the Architectural Control Committee. The Owners shall not paint or decorate any portion of the exterior of the buildings in the Common Area or Limited Common Area, without first obtaining written consent of the Architectural Control Committee.

Section 16. Developer's Use of Premises. Notwithstanding any provision herein to the contrary, it shall be expressly permissible for the Developer to maintain, during the period of sale of the Lots, upon such portion of the Properties as Developer deems necessary, such facilities as in the sole opinion of the Developer may be reasonably required, convenient, or incidental to the sale of said Lots, including, but without limitation, a business office, a storage shed, construction yards, signs, model dwellings, and sales office. Such use shall not be carried on in such a manner as to unreasonably interfere with the use of the area by the other Owners.

ARTICLE V ARCHITECTURAL CONTROL

Section 1. Single-Family Residences. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted, in duplicate, to and approved in writing as to harmony of external design and location in relation to surrounding structures by the Architectural Control Committee. Should the Architectural Control Committee deem it advisable to refer the plans to a professional architect or engineer, the Architectural Control Committee shall be entitled to charge the Owner a fee not to exceed \$100.00 for such service. In the event Architectural Control Committee fails to approve or disapprove such design and location within twenty (20) days after said plans and specifications have been submitted to it, approval will not be required and this Section will be deemed to have been fully complied with.

Section 2. Site Development Approvals. The exterior design for townhouses to be constructed on Site Lots or Sites must be submitted, in duplicate, to the Architectural Control Committee for its approval prior to construction, further

planning or design. This may be in the form of an artist's rendition or photograph and shall be accompanied by a description of the exterior materials to be used. Each townhouse to be constructed within a particular Site shall conform in exterior construction materials and color with all other townhouses to be constructed on the same Site. After approval of the exterior design and construction material plan, the builder or Owner of the individual Site Lot or Site shall submit, in duplicate, the plans and specifications for the construction of any buildings to be erected on the Site, along with the plot plan for such construction to the Architectural Control Committee for its approval before commencement of construction. The Architectural Control Committee and any independent architect consulted by said Committee shall be entitled to charge the then Owner of any Site Lot upon which a townhouse is to be constructed a sum not to exceed \$250.00 compensation for services performed relating to the approval of plans submitted for any one building. The Architectural Control Committee shall also regulate the size and placement of signs on the Site Lots or Sites upon which the townhouses are to be constructed and such information as to the proposed signs shall be furnished to said Committee on the plot plan, or if not provided at that time, shall be submitted for written approval prior to erection of said signs.

The plot plan for townhouses shall show the exact location of the residence, garage and parking areas on the Site or Site Lots and shall show the exact measurements and exactly from which property lines any setback distance is measured. A grading and utility plan for each Site Lot within a Site shall also be submitted for approval as hereinbefore specified. All plans shall be prepared by a licensed architect, engineer or surveyor and shall bear his seal.

Approval by the Architectural Control Committee of such exterior designs and materials and colors, plans, specifications and locations of buildings and signs shall be endorsed on both sets of plans and specifications, and one set thereof shall be returned to the person submitting the same, and the other set shall be retained by the Committee.

After such plans and specifications and other data submitted have been approved by the Architectural Control Committee, no building, garage, fence, wall, carport, sign or other structure of any kind shall be erected, constructed, placed, altered or maintained upon the Site or Site Lots unless the same shall be in accordance with the approved plans and specifications.

Failure of the Committee to act within twenty (20) days from the date of receipt of the plans and specifications shall be deemed to constitute approval of such plans and specifications.

Section 3. No Liability. Neither the Architectural Control Committee, nor any member thereof, nor the Association, nor the members of the Board, nor the Developer, their respective heirs, successors, or assigns, shall be held liable for damages for anyone submitting plans to them for approval, or to any Owner affected by this Amended Declaration by reason of approving such plans, mistake in judgment, negligence, or failure to approve such plans. Every Owner or other person who submits plans to the Architectural Control Committee agrees, by submission of such plans, that he will not bring any action or suit against the Architectural Control Committee, its members, the Association, or members of the Board or the Developer.

Section 4. Termination. The powers and duties of the Architectural Control Committee, on December 31, 1999, or on such sooner date as the Developer is no longer engaged in the development business, shall automatically become vested in the Board of Directors of the Association, or a committee of three members appointed by such Board.

ARTICLE VI

GENERAL PROVISIONS

Section 1. Enforcement. The Association, the Board, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Amended Declaration. Failure by the Association, the Board or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to enforce thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision which shall remain in full force and effect.

Section 3. Duration. The covenants, conditions and restrictions of this Amended Declaration shall run with and bind the land, for a term of twenty (20) years from July 30, 1988, after which time they shall be automatically extended for successive periods of twenty (20) years, unless prior to the end of the initial term or any extension thereof, there is filed for record with the Clerk of Lincoln County, New Mexico, an instrument stating that such extension is not desired, signed by the Owners representing not less than sixty-six percent (66%) of all votes entitled to be cast.

Section 4. Amendment. Until December 31, 1999, this Amended Declaration may be amended unilaterally at any time and from time to time by Developer (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is reasonably necessary to enable any reputable title insurance company to issue title insurance coverage with respect to the Lots subject to this Amended Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on the Lots subject to this Amended Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on the Lots subject to this Amended Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Lot Owner shall consent thereto in writing. Further, so long as the Class B membership exists, Developer may unilaterally amend this Amended Declaration for any other purpose; provided, however, any such amendment shall not materially adversely affect title to any Lot without the consent of the affected Lot Owner.

In addition to the above, this Declaration may be amended during the first twenty (20) year period by an instrument signed by Owners representing not less than ninety percent (90%) of all votes entitled to be cast, and thereafter by an instrument signed by Owners representing not less than sixty-six percent (66%) of all votes entitled to be cast. Any such amendment must be recorded.

Section 5. Failure of Association to Insist on Strict Performance: No Waiver. The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the covenants, conditions or restrictions of this Amended Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment

for the future, of such term, covenant, condition or restriction but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from any Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Board.

Section 6. Subsequent Development. The Association acknowledges that the Developer is the Owner of Contiguous Property and that subsequent subdivisions and units of White Mountain Meadows are contemplated with a unity of use and development of the Common Area, roads and ways and all other amenities with White Mountain Meadows, Units 1, 2 & 3 by unilateral adoption and recordation by the Developer (without a requirement of consent of the Association, the Board or any Members) of a Subsequent Amendment. Accordingly, the Association agrees that no action shall be taken by the Association, its Board, officers, successors or assigns, that will impede the development by the Developer of future subdivision units approved by the Village of Ruidoso, or impair easements for development set forth in this Amended Declaration.

Section 7. Security.

(a) Portions of the dedicated ways may have controlled, or otherwise limited, access for the construction and maintenance of security entrances. White Mountain Meadows is intended and planned as a controlled-access, fenced security subdivision with a manned or automated security gate. Owners, occupants, family members, guests and invitees shall cooperate with the security guard at the gate. All emergency vehicles shall have precedence in access to White Mountain Meadows without delay. The Association shall have the right to install electronic security devices on the fencing around the perimeter of White Mountain Meadows. Perimeter fencing shall be set back a minimum of one-half (1/2) foot from the exterior boundary of any utility easement. The plans and specifications for the security fences and/or entrances shall be subject to the approval of the Architectural Control Committee. Additional controlled (but unmanned) security entrances may be constructed by the Developer at any time at its sole discretion, and at its expense. The security guard system may be changed to an automated security system at any time, if allowed by state and federal law, upon an affirmative vote of 60% of the members of the Association.

Such security, whether manned or automated, shall be provided only so long as it is not found to be in violation of law by a court of competent jurisdiction or the Association is not otherwise prohibited from providing such security by applicable law.

(b) Neither the Association, the Developer, the Board nor the Architectural Control Committee shall in any way be considered insurers or guarantors of security within the Properties and neither the Association, the Developer, the Board nor the Architectural Control Committee shall be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. All Owners, lessees and guests of any Owner, as applicable, acknowledge that the Developer, the Association, the Board and the Architectural Control Committee do not represent or warrant that any security system designated, operated or contracted for by the Developer, the Association, the Board or the Architectural Control Committee, may not be compromised or circumvented, that any security systems will prevent loss by burglary, theft, hold-up, or otherwise nor that security systems will in all cases provide the protection for which the system is designed or intended. Each Owner, lessee and guest of an Owner, as applicable, acknowledges and

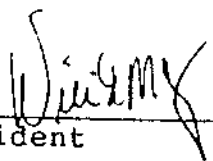

understands that the Developer, the Association, the Board and the Architectural Control Committee are not insurers and that each Owner, lessee and guest assumes all risks for loss or damage to persons, to Lots, to the contents of dwellings and to personal property and further acknowledges that Developer, the Association, the Board and the Architectural Control Committee have made no representations or warranties nor has any Owner, lessee or guest relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any security measures undertaken within the Properties. Every Owner, lessee and guest, by entering onto the Properties, agrees that he will not bring any action or suit against the Developer, the Association, the Board or the Architectural Control Committee for failure of any security measures undertaken within the Properties.

Section 8. Interpretation. The provisions of this Amended Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development, use and operation of White Mountain Meadows.

Section 9. Effective Date. This Amended Declaration shall take effect upon recording.

IN WITNESS WHEREOF, the undersigned, being the Board of the Association herein, have caused this Amended Declaration to be executed by its duly authorized officers this 1st day of September, 1988.

SUPPLEMENT TO MEMBERSHIP AGREEMENT

WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION

PARTIES

This is a supplement to that certain WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION MEMBERSHIP AGREEMENT which is contained in each Contract of Sale executed by White Mountain Development Company, Inc., a New Mexico Corporation, as Seller, together with its successors and assigns, hereinafter called the Developer, and each new member of WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION, named as Purchaser in said contract. This supplement entirely supercedes and amends the previous Supplement to Membership Agreement recorded in the office of the County Clerk of Lincoln County, New Mexico on August 19, 1982, in Book 80 of Miscellaneous Records at pages 1182 through 1188 by virtue of a vote of more than 75% of the members of the Association voting in favor of this amending supplement, taken at a duly called and held meeting of the Association on July 30, 1988. A form contract is attached hereto.

RECITALS

1. White Mountain Meadows Subdivision:

White Mountain Development Company, Inc. is developing, and intends to continue developing, controlled access (security) and recreational residential subdivision units under the common name of White Mountain Meadows, located in Ruidoso, Lincoln County, New Mexico. The Developer will develop residential single-family lots and site lots for construction of townhouses to be constructed and/or sold by the purchasers of certain multi-family sites within White Mountain Meadows. White Mountain Meadows Subdivision will include all units of White Mountain Meadows, now or hereafter designated by the Developer to be a part of the Association, by instrument recorded in the office of the County Clerk of Lincoln County, New Mexico.

2. Name:

A home owners association has been organized to be known as WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION. One owner or purchaser of each unimproved lot or improved lot of White Mountain Meadows shall be and become a member of the Association subject to the provisions of this Supplemental Agreement and subject to the provisions contained in the Contract of Sale signed by the purchaser at the time of purchase of the lot, subject to the Bylaws of the Association and subject to the Amended Declaration of Conditions, Covenants and Restrictions applicable to the lot. The primary purpose of the Association shall be to acquire the recreational facilities and open land to be developed by the Developer in all units of White Mountain Meadows, to operate and maintain them for the benefit, welfare, security and recreation of the members, to add facilities thereto at the option of the membership, to pay for the employment of security guards (or automated security measures, if deemed necessary by the Association) to control access to the subdivision for the purpose of providing security, so long as providing such security is not held by a court of competent jurisdiction to be in violation of applicable law or the Association is not otherwise prohibited by law from providing such security, and to provide any other services deemed necessary by the Association. Said Association shall also acquire as Trustee for the townhouse associations the Limited Common Area surrounding the townhouse sites.

FACILITIES

1. To Be Provided by the Developer:

Firm Commitments by the Developer: the Developer has constructed a security fence around the perimeter of the units which are presently a part of White Mountain Meadows, and a gatehouse and gate to provide for controlled access to the units of the subdivision; and has constructed two tennis courts and a golf putting and driving range upon the site known as WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION COMMON AREA in Unit 1. The Developer has conveyed to the Association the gatehouse and the WHITE MOUNTAIN MEADOWS HOME OWNERS COMMON AREA, free of encumbrances and at no cost to the Association. The Developer shall further convey to the Association, as Trustee for the townhouse owners, the Limited Common Area surrounding and appurtenant to Sites 1 through 58 of White Mountain Meadows, Unit 1, and any Limited Common Areas hereafter developed in further units of White Mountain Meadows. If additional green belt common areas are developed in future units, the Developer may convey such additional common areas to the Association under the same terms.

2. Optional Facilities Association:

At the discretion of the membership, the Association, at its expense, may elect to construct additional recreational facilities on such Common Area, such as, but not limited to, a clubhouse and/or swimming pool. At the discretion of the townhouse owners or their associations, recreational facilities may be constructed at their expense on the Limited Common Area provided that ninety percent (90%) of all site lot owners concur by affirmative vote at a meeting called for such purpose. Such facilities must conform to the Amended Declaration of Covenants, Conditions and Restrictions; must be approved by the Architectural Control Committee; and, unless otherwise specified in said vote, open to the common use of all site lot owners who will share, as appropriate, the assessments for the same. Failure to pay any assessments shall entitle the WHITE MOUNTAIN MEADOWS HOME OWNERS ASSOCIATION to impose a lien upon the individual lots, and to foreclose the same, together with the interest that accrues, costs and reasonable attorney's fees.

NOW THEREFORE, in consideration of the premises, this Agreement WITNESSETH:

MEMBERSHIP

(a) One Class A Membership shall be issued to one of the buyers or owners of each Improved Lot in all units of White Mountain Meadows now or hereafter developed. Each such membership shall entitle the owner and his or her spouse, and their unmarried children under 21 years of age, to the privileges of such membership, subject to the payment of assessments as herein provided. In the event that the Improved Lot is sold or transferred by the Member to a new buyer or buyers, the membership shall be transferred to one of the new buyers by written notice to the Association.

(b) Class A-1 Memberships: One Class A-1 membership shall be issued to one of the buyers or owners of each Unimproved Lot in all units of WHITE MOUNTAIN MEADOWS, now or hereafter developed. Each such membership shall entitle the owner and his or her spouse, and their unmarried children under 21 years of age, to the privileges of such membership, subject to the payment of assessments as herein provided. In the event that an Unimproved Lot is sold or transferred by the member to a new buyer or buyers, the membership shall be transferred to one of the new buyers, by written notice to the Association. The Class A-1 membership shall be upgraded to a Class A

membership upon undertaking the building or construction of a residence on the Unimproved Lot and the Class A-1 membership for such Unimproved Lot shall thereupon automatically terminate and expire.

(c) Class B Membership: the Developer shall be entitled to three (3) Class B memberships for each Lot owned by the Developer or its successors in all units of WHITE MOUNTAIN MEADOWS now or hereafter developed, until each of said Lots is sold.

(d) At the discretion of the members, the Association may elect to sell memberships to non-residents of WHITE MOUNTAIN MEADOWS, and may establish their own terms for such sales.

ASSESSMENTS

(a) Class A and Class A-1 Members: Every member of these classes of membership shall pay annual assessments payable annually in advance by January 1 of each year, with the assessments for the year of purchase being prorated and paid as of the date of closing said member's contract to purchase the Lot. The annual assessments for Class A Members for the year from January 1, 1988 through December 31, 1988 are hereby established at \$85 per month, subject to increase as set out below in paragraph (c) (effective September 1, 1988). The annual assessments for Class A-1 Members for the year from January 1, 1988 through December 31, 1988 are hereby established at \$20.00 per month, subject to increase as set out below in paragraph (c).

(b) Class B Member: Site Lots and Unimproved Lots owned by the Developer shall not be subject to annual or special assessments imposed by the Association. Improved Lots owned by the Developer shall be subject to annual and special assessments the same as if such Improved Lots were owned by a Class A Member. The Developer may enter into subsidy contracts with the Association for payment of a portion of the common expenses to be paid by the Association. Further, the Developer may contribute assessments due from it in service or materials or a combination of services and materials, rather than in money.

(c) The annual assessments for Class A and Class A-1 memberships shall be subject to increase in an amount not to exceed 10% per annum for each class by action of the Board of Directors of the Association effective January 1 of any year commencing January 1, 1989; or may be increased more than 10% per annum by affirmative vote of 60% of the members of each class in attendance, either in person or represented by proxy, at the annual meeting or a special meeting called for that purpose.

(d) The townhouse associations shall be subject to assessment on a prorata basis for the maintenance and upkeep of the LIMITED COMMON AREA and for the ad valorem taxes accruing against said LIMITED COMMON AREA; and such townhouse associations as benefit from private roads or ways providing access to their townhouse areas shall be subject to assessment for the maintenance and repair of such private roads or ways. Notice of said assessments shall be mailed by the Association to each such townhouse association at the address shown on the books of the White Mountain Meadows Home Owners Association; and the townhouse associations shall assess their members for their pro-rata share of such assessments and shall be responsible for the collection and payment thereof. All assessments shall be considered delinquent if not paid within thirty (30) days of the date of said notices.

Failure to pay such assessments within thirty (30) days of the due date shall constitute a default under the purchase contract and such payment shall be secured by a lien to be filed by the Association against the Lot, as provided in the recorded Amended Declaration of Covenants, Conditions and Restrictions governing each unit of White Mountain Meadows and as provided by purchaser's Contract of Sale and Membership Agreement, by this Supplement and by the Bylaws of the Association.

Each Class A and Class A-1 member in good standing shall have one vote for each Lot, owned by such member.

The Class B Member, the Developer or its successors, shall have three (3) votes for each Lot owned by it.

All dues and assessments shall be payable to the WHITE MOUNTAIN MEADOWS HOME OWNER ASSOCIATION, c/o P.O. Box 55, Ruidoso, New Mexico, 88345, or to the Association at the address of the Association, as the same may be changed from time to time.

AMENDMENTS

This Supplement to Membership Agreement may be amended by affirmative vote of 66% of the membership of the Association present in person or represented by proxy at the annual meeting or at a special meeting called for that purpose.

- A. **COMMON AREA:** Although this Unit contains no common area, all lot owners shall have the use, in common with all lot owners in all Units of WHITE MOUNTAIN MEADOWS, of the area designated as WHITE MOUNTAIN MEADOWS HOMEOWNERS ASSOCIATION COMMON AREA situate within WHITE MOUNTAIN MEADOWS, UNIT 1, which is the recreational area containing tennis and basketball courts, and other sports activities for members; along with a picnic Pavilion for members' use; and all lot owners shall have the same responsibility for future maintenance and operation thereof, including payment of membership dues in the same amount as charged all other Class A members (currently \$20.00 per month per lot or tract, payable annually in advance in January of each year).
- B. **LOT 5 of WHITE MOUNTAIN MEADOWS, UNIT 4,** is a holding pond for excess rain runoff and shall be conveyed to the Village of Ruidoso without cost and not subject to membership or payment of Dues. This pond shall be maintained by the Village as needed. If additional holding ponds are found necessary, the developer shall establish such ponds prior to sale of the lot(s) concerned. An easement is now reserved on Lots 1, 2 & 3, for a future holding pond.
- C. **MEMBERSHIP:** All purchasers of Lots in Unit 4 shall be and become members of the WHITE MOUNTAIN MEADOWS HOMEOWNERS ASSOCIATION, subject to the same terms, conditions and rules as all other Class A members. The Class B member (the developer) is not responsible for payment of dues on unsold lots.
- D. **FIRE ESCAPE ROAD:** A 20-foot-wide fire escape road has been graded and graveled where shown on the recorded plat of Unit 4, partly located on Lots 21 and 22; which will require annual maintenance by all lot owners in Unit 4. The maintenance, which consists of gravel and use of a grader, will be assessed to the Unit 4 lot owners by White Mountain Meadows Homeowners Association, at an approximate charge of \$20.00 per lot per year. The owners of Lots 21 and 22 may use part of the fire escape easement as their driveway, but at no time shall block access.
- E. Some of the Lots in Unit 4 may require a water-pressure pump to be installed for better water pressure; or in some cases, a pressure-reducing valve to reduce excessive water pressure through the Village of Ruidoso lines. These shall be installed at buyer's expense.

F. All Lots in WHITE MOUNTAIN MEADOWS , UNIT 4, are hereby designated as a single family residential area, and not for construction of town-houses, condominiums or apartments, and all such lots shall be subject to the following residential restrictions:

1. None of the lots in Unit 4 shall be divided into smaller lots or tracts. Only one single-family residence, together with necessary and appurtenant garages, or servant and/or guest quarters shall be constructed on any lot. The principal residence shall contain a minimum of 2000 square feet of heated floor area, not including garages or porches, and shall be constructed on site from the ground up.
2. Architectural control in Unit 4, including driveway and site placement, shall be the responsibility of the Architectural Control Committee appointed by White Mountain Development Company, Inc. until July 15, 2022; unless sooner turned over to the White Mountain Meadows Homeowners Association committee. Buyers shall deliver to the committee a copy of their exterior building plans and a site improvement plan showing the proposed location, for approval prior to any construction.
3. All other restrictions, including building requirements for single-family residences, and the Supplement to Membership Agreement and By-Laws of White Mountain Meadows Homeowners Association are made a part hereof by reference as though fully set out herein. These documents are the Amended Declaration of Covenants, Conditions and Restrictions of White Mountain Meadows Units 1, 2 and 3, recorded in Lincoln County Records, Book 1988-12, pages 20 through 48; Supplement to Membership Agreement and By-Laws recorded in Book 1988-12, pages 49 through 53; copies of which are attached hereto, with Amendments One and Two; insofar as the Amendments may be applicable to single-family residential lots.

All of the covenants herein contained, or made a part hereof by reference, shall run with the ownership of the land and shall be binding upon the undersigned corporation and all parties claiming under them.

All of the restrictive covenants contained herein are for the benefit of any and all owners of lots within the boundaries of WHITE MOUNTAIN MEADOWS, UNIT 4, and if the undersigned or any of its assigns or successors shall violate or attempt to violate any of said covenants, then it shall be lawful for any other person or persons owning land within said boundaries to prosecute any proceedings at law or in equity to recover damages or to enjoin such act and to have any and all further legal and equitable relief.

**DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS
OF WHITE MOUNTAIN MEADOWS, UNIT 5**

The undersigned, being the owner of all of the real property located in WHITE MOUNTAIN MEADOWS, UNIT 5, Ruidoso, Lincoln County, New Mexico, as shown by the plat filed in the office of the County Clerk of Lincoln County, New Mexico, on the 19th day of May, 2008, in Cabinet J, Slide No. 117 does hereby declare for itself, its successors and assigns, that all lots and parcels in said subdivision shall be subject to and encumbered by the following restrictive and protective covenants, and that all conveyances of said property or any part thereof shall be subject to said covenants whether or not the same are embodied in the conveyance of other instruments affecting title thereto.

A. COMMON AREA: All lot owners in Unit 5 shall have the use in common with all lot owners in all Units of WHITE MOUNTAIN MEADOWS of the area designated as WHITE MOUNTAIN MEADOWS HOMEOWNERS ASSOCIATION COMMON AREA situate within WHITE MOUNTAIN MEADOWS, UNIT 1; which is the recreational area containing tennis and basketball courts, the picnic pavilion, and the bathroom facilities; and all lot owners shall have the same responsibility for future maintenance and operation thereof, including payment of membership dues in the same amount as charged all other Class A members.

B. MEMBERSHIP: All purchasers of Lots in Unit 5 shall be and become members of the WHITE MOUNTAIN MEADOWS HOMEOWNERS ASSOCIATION, subject to the same terms, conditions and rules as all other Class A members. The Class B member (the developer) is not responsible for payment of dues on unsold lots.

C. FIRE ESCAPE ROAD: A fire escape road has been graded and graveled in Units 4 and 5, which will require annual maintenance of lot owners in both Units 4 and 5. The maintenance, which consists of gravel and use of a grader, will be assessed to these lot owners by White Mountain Meadows Homeowners Association, at an approximate charge of \$20.00 per lot per year. If necessary the lot owners may use part of the fire escape easement as their driveway, but at no time shall block access. The subdivision is located in wooded areas that pose a wildfire hazard potential. Lot owners must immediately coordinate with the Village Forester to ensure that their lot conforms to fire-wise standards. The Village Forester will require lot cleanup as a part of building permits for homes, at the owner's expense.

D. STORMWATER PROTECTION: Each lot shall detain on-site all drainage water created by driveway and home construction. This shall be a minimum of 2,000 cubic feet of holding pond or planters, or equal water control methods per 1.0 acre feet of lot.

Each lot owner shall be required to build a water-holding pond and the lot owner shall be solely responsible for employing an experienced engineer or surveyor for this purpose. However, such holding ponds must be shown on the proposed building plans presented to the Architectural Control Committee. White Mountain Development Company and White Mountain Meadows Homeowners Association do not have the expertise to approve or determine the location, design or type of any water-holding ponds built by the lot owners.

E. WATER CONSERVATION: Each lot owner shall be required to install an underground cistern for the collection of rainwater runoff. The cistern shall have the capacity to hold not less than 5,000 gallons of water. Two cisterns may be installed at 2,500 gallons each to meet the required total of 5,000 gallons. If the terrain of any lot prevents compliance with this restriction, a prior written waiver must be obtained from the Architectural Control Committee of White Mountain Development Company.

F. WATER PRESSURE: Pressure varies throughout the subdivision. Each lot owner may need to install a pressure pump or pressure-reducing valve to obtain desirable water pressure for a home.

G. All homes must be constructed within 300 feet of a fire hydrant.

H. SINGLE-FAMILY HOMES: All Lots in WHITE MOUNTAIN MEADOWS, UNIT 5, are hereby designated as a single family residential area, and not for construction of townhouses, condominiums or apartments, and all such lots shall be subject to the following residential restrictions:

1. None of the lots in Unit 5 shall be divided into smaller lots or tracts. Only one single-family residence, together with necessary and appurtenant garages and/or guest quarters shall be constructed on any lot. The principal residence shall contain a minimum of 2000 square feet of heated floor area, not including garages or porches, and shall be constructed on site from the ground up.

2. In addition to the preceding restrictions listed in item 1 above, any principal residence constructed on Lots 26 through 31 shall be further restricted to one story, measured from the top plain of Topside Court, and shall be restricted to a maximum of 4000 square feet of heated floor area, not including garages or porches. Said lots shall be accessed by Topside Court, a private common driveway for the mutual benefit and use of the owners of Lots 26 through 31 only. The individual owners of such lots shall be jointly responsible for the maintenance of Topside Court.

3. Lots 42 and 43 shall be accessed by a private driveway at the north end of Charlie McClellan Drive in Unit 4. Said driveway is for the mutual benefit and use of lots 42 and 43, Unit 5, and lots 20 and 21, Unit 4. The individual owners of such lots shall be jointly responsible for the maintenance of this private driveway.

4. The private common driveway easement located on the south end of lots 14 through 22 is for the exclusive benefit and use of such lots and the Bill McCarty Tract. Said private common driveway easement also serves as part of the fire escape route for Units 4 and 5. Maintenance of this common driveway shall be the responsibility of all the owners of Units 4 and 5, as detailed in paragraph C (Fire Escape Road) of these restrictions.

5. All owners in Unit 5 are prohibited from storing any type of recreational vehicle, boat, trailer, etc. on any lot. Further, storing such items in a wholly enclosed garage on any lot in Unit 5 is not permitted.

6. Architectural Control in Unit 5, including driveway and site placement, shall be the responsibility of the Architectural Control Committee appointed by White Mountain Development Company, Inc, until July 15, 2025; unless sooner turned over by the developer to the White Mountain Meadows Homeowners Association. Lot owners shall deliver to the committee a copy of their exterior building plans and a site improvement plan showing the proposed location, for approval prior to any construction.

7. All other restrictions, including building requirements for single-family residences, and the Supplement to Membership Agreement and By-Laws of White Mountain Meadows Homeowners Association are made a part hereof by reference as though fully set out herein. These documents are the Amended Declaration of Covenants, Conditions and Restrictions of White Mountain Meadows Units 1, 2, and 3, recorded in Lincoln County Records, Book 1988-12, pages 20 through 48; Supplement to Membership Agreement and By-Laws recorded in Book 1988-12, pages 49 through 53; with Amendments One and Two; and the restrictions of Unit 4, recorded April 11, 2003 in Book 312, at pages 483-485, copies of which shall be furnished to Purchasers prior to sale.

Invalidation of any of the foregoing covenants contained herein shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

All of the covenants herein contained, or made a part hereof by reference, shall run with the ownership of the land and shall be binding upon the undersigned corporation and all parties claiming under them.

All of the restrictive covenants contained herein are for the benefit of any and all owners of lots within the boundaries of WHITE MOUNTAIN MEADOWS, UNIT 5, and if the undersigned or any of its assigns or successors shall violate or attempt to violate any of said covenants, then it shall be lawful for any other person or persons owning land within said boundaries to prosecute any proceedings at law or in equity to recover damages or to enjoin such act and to have all further legal and equitable relief.
