

Welcome to 575 S. Gordon. This property is located in a great area in Centreville, MS. There are some great renovations done on the interior, and when you step inside, you feel right at home. Sitting on a corner lot, a little over a quarter of an acre, there's a ton of space in the yard. This home is perfect for first-time homebuyers, or even investors looking to add to their rental portfolio. There's a garage workshop and an additional brand new storage building, also. Conveniently, the roof is just a year old. If you are looking for a small home in the Centreville area that has been very well taken care of, check out this home.
