

Welcome to 944 Liberty Road, sitting on over 5+- acres. This property is great for someone wanting a very affordable home in Natchez, just minutes from downtown, but with the feel that you're in the country. The home features 3 beds and 2 baths, and has a great layout too. The laundry room features a huge closet, making laundry very efficient and easy. The master suite is down the half stair, offering great seclusion and privacy from the rest of the home. There is also direct access to the master suite from outside via the carport. Sitting well off the road, you can enjoy peace and quiet on the porch. The carport has storage above, making it very easy to hide clutter. The yard is frequently visited by wildlife. Deer and other small game are abundant on this property. Properties at this price point are super hard to come by, especially with the acreage.
