Southern States Realty

Land for sale in Lincoln County, MS. Come check out this beautiful 50 acres just outside of Bogue Chitto in Lincoln County. This property conveniently sits right in the middle of Brookhaven and McComb and is only a 5-minute drive from I-55. There is an old home on the property that, once removed, will be the perfect homesite surrounded by big pecan trees. The property itself consists of 2-year-old replanted pine plantation and 2 stocked ponds on the interior of the property. There are internal roads throughout the middle of the property as well. This place is a true blank canvas that you can turn into your own weekend getaway or home relocation. If you want a great weekend getaway or a blank canvas to turn into your hunting paradise, this is the place for you.
