

This spacious split-level residence offers the perfect combination of comfort, entertainment, and convenience. Featuring a BRAND NEW ROOF as well as a 2 year old HVAC system, this home 3 bed/3 bath home also boasts a finished basement complete with a pool table—ideal for gatherings or game nights. The inviting living room showcases a cozy wood-burning fireplace, creating a warm atmosphere for family and friends. Step outside to enjoy the large, fenced backyard that provides plenty of space for pets, play, or outdoor entertaining. Conveniently located, this home offers easy access to shopping, dining, and schools, making it a practical choice without sacrificing charm and character.
