

# NS Permitted Uses Table from MUNICODE, Flowery Branch

5531 Radford Road Notes (reference only, not to be relied upon by purchaser)

## **Sec. 9.3. - NS, Neighborhood Shopping District.**

(a)

*Purpose and Description.* This zoning district is intended to implement the "commercial" designation of the future land use plan contained within the comprehensive plan of the City of Flowery Branch. It is also intended to implement the "neighborhood commercial" character area established in the comprehensive plan.

(b)

*Character.* Neighborhood commercial districts are intended to provide areas for limited, small-scale commercial uses of a convenience nature serving nearby residential neighborhoods as opposed to a regional market. This district provides for attractive, non-auto related neighborhood businesses and services, with distinctive architectural features and a scale compatible with pedestrians and connected to adjacent residential neighborhoods. Uses within neighborhood commercial character areas generally occur within enclosed buildings with no outside storage and limited outdoor display of goods and merchandise. Pedestrian accessibility is promoted via sidewalks connected to nearby neighborhoods but uses are mostly reliant on the automobile for access. Nonetheless, buildings and developments are scaled to be compatible with and promote pedestrian activity. Entrances, frontages, and building facades are softened with landscaping and low-lying identification signs.

(c)

*Permitted and Conditional Uses.* Permitted and conditional uses shall be as provided in Table 9.1, "Permitted and Conditional Uses in Nonresidential Zoning Districts." Auto-related, highway-oriented commercial uses are not permitted. Neighborhood commercial districts are not intended to permit or accommodate automotive uses or other types of more intensive highway business activities, or those uses that generate excessive traffic, noise, odors, pollution, safety hazards, or other adverse impacts which would detract from the desirability of adjacent properties for residential use.

(d)

*Dimensional Requirements.* Dimensional requirements shall be as provided in Table 9.2, "Dimensional Requirements in Nonresidential Zoning Districts." Business establishments do not exceed 2,500 square feet in any one tenant space, to keep the bulk and intensity in scale with the needs of adjacent neighborhoods. Open space is limited to suburban plazas or small open spaces. A three-story height limit is imposed.

---

See following pages for Screenshots from MUNICODE Table 9.1. The column for NS is the current reference. The city may allow other types, like mixed-use, but that would be a due diligence item for a buyer to discover if their use is allowable with the City. No warranty for usability of the property is given here by providing this information or screenshots. All information is believed to be accurate but is not warranted and may change without notice.
