Broker Info

Welcome to this exceptional small farm nestled within the city limits of Burns, Oregon. This unique property boasts many remarkable features and offers a blend of rural charm and urban convenience. Situated on over 1.3 acres of tree-lined land, the main house, constructed at the turn of the century, has been well maintained. Adorned with large living spaces, custom wood cabinets, ample storage including cedar-lined closets, a spacious kitchen, and a cozy breakfast nook leading to a covered back porch, this home exudes warmth and character. Additionally, the property includes a city livestock permit, allowing for the keeping of horses or other farm animals within the large, fenced pastures. With ample off-street parking accommodating various vehicles, including large RVs or trailers, this property offers both practicality and comfort!

FINANCING: Cash or conventional bank financing

Home:

YEAR BUILT: 1919

SQ. FT.: 2,322 sq ft (+/-); one and half story home

HEAT/COOL: Older oil furnace forced air; fireplace insert; no cooling

MAIN ENTRY: Wood floor, oversized wood frame windows, coat closet, and covered entry from outside

LIVINGROOM: Located off the kitchen and main entry; carpet flooring, high ceilings, crown molding, large wood frame storm windows, built-in custom wood cabinets with shelves, fireplace insert, separate seating area; access to the dining area

- DINING:** Located off the main entryway and living room; Brazilian teak wood floor, high ceilings, crown molding, large wood frame storm windows, ceiling fan, built-in custom wood cabinets with shelves
- KITCHEN:** Custom wood cabinets with additional storage, granite countertops with custom tile backsplash, vinyl wood floor, duel farm sink, wood frame storm windows, and breakfast nook (currently used as office space)
- APPLIANCES:** Kitchen - Refrigerator, dishwasher, older Frigidaire electric stove with ovens; no garbage disposal
- BEDROOMS:** 3 bedrooms
- All bedrooms have older carpets, wallpaper, closet spaces with built-in storage, and wood-framed storm windows
 - One bedroom has dual closets with one being cedar-lined and the other closet having built-in show storage. The second bedroom has a cedar-lined closet while the third bedroom has a small walk-in closet but no cedar-lined closet
- BATHROOMS:** 2 bathrooms
- First Floor Bathroom – tile floor, single sink vanity with wood cabinets, mirror medicine cabinet, shower, and additional storage
 - Second Floor Bathroom – linoleum floor, single sink vanity with wood cabinets, tub, and additional storage
- LANDING:** Located off the living room, kitchen, office, and staircase to the second floor; older carpet flooring, custom molding woodwork and wainscoting, built-in shelving, cedar-lined closet, wood frame storm windows
- STAIRCASE:** The staircase to the second floor is wide with built-in cupboard storage. There are two landings. The stairs are covered with older carpet and there are large windows in the second landing area
- HALLWAY:** The second-floor hallway is wide with older carpet flooring and hosts a cedar-lined closet. Access to the attic
- OFFICE:** Located off the back porch and first-floor landing area; tile floor with electric floor heat, wood frame storm windows, storage cabinets, closet space that hosts oil furnace and hot water tank
- LAUNDRY:** Separate room located off the kitchen providing access to covered back porch area; vinyl wood flooring, Formica countertops, farm sink, electric washer and dryer hookups, additional storage
- ROOF:** Metal roof
- SIDING:** Wood siding; needs paint
- WINDOWS:** Wood frame storm windows
- FOUNDATION:** Concrete

Outdoor Spaces

- PARKING:** Abundant off-street parking. The property hosts a gravel driveway between homes. The main house garage has a concrete parking area (broken and needs repaired)
- LANDSCAPING:** Large yard spaces give the property a wonderful, secluded feel at the edge of town. Large legacy trees surround the front part of the property. There are built-in flower bed planters along one side of each home. There are no in-ground sprinkler systems for the yard spaces although there are frost-free standpipes that provide lawn water.
- OUTBUILDINGS:** House Garage – (40ftX24ft) – The building is constructed on a slab foundation, has a metal roof, Hardi plank siding, and has power. There are three bays accessed through small/older garage doors (7ftX6ft). Inside the building, there are separate spaces for storage and shop areas. One bay hosts a walk door and has lots of built-in storage cabinets and shelving spaces. No heat.
- Greenhouse (10ftX10ft) – wood building with clear siding. Built-in plant shelves. There is water and power installed in the building
- Backlot Storage Building – Smaller older wood building with wood floors and metal roof. There is power to the building. Used primarily for firewood storage.
- LIVESTOCK PASTURES:** The property featured a unique City of Burns livestock permit which allows for keeping livestock like cattle/horses within the city limits of Burns. Four separate pasture areas are fenced with post/pole rail fence (fencing needs work). Pasture gates and walk gates are metal. There is a fenced-off area which makes for secure hay storage. Frost-free faucets provide water for livestock. There is a small wood frame building with a submersible pump in 6-inch well casing; well used for pasture irrigation.
- FENCING:** The back and side portions of the property are fully fenced with a combination of wood posts and pole fencing, chain link fencing, and some welded wire fencing.
- WATER:** City of Burns
- SEWER:** City of Burns
- POWER:** Oregon Trail Electric Cooperative
