Atlanta, MI 49709

ASSOCIATION RULES

As of December 2025

Since the founding of the Canada Creek Ranch Association, principles of conduct have been established to provide its' members "use guidelines" that allow the maximum benefits and enjoyment in the use of the Ranch facilities by the entire membership. From time to time these principles or rules are revised to reflect changes required to keep current with constantly evolving changes.

Enforcement of the Rules

As provided in the By-laws, the Board of Directors establish all rules for the Association.

The Manager and staff are responsible for enforcing the rules.

Violation of Association rules may result in fines, a warning to be sure the member understands the rule violation, or if the violation is of a more serious nature, referral to the Safety and Security Committee for evaluation and determination.

After investigation of violations or incidents, the Safety and Security Committee may recommend to the Board of Directors to assign points to the member violating the rule(s).

Accumulation of 10 or more points in a 2-year period requires the member to appear before the Board of Directors.

As stated in Article IX, Section 1 of the Bylaws: Any Member, or any Member's family or guest, whose conduct is deemed by the Board to be improper or likely to endanger the welfare, safety, or good order of the Association or its Members, may be reprimanded, fined, suspended or expelled from the Association by Board action.

As stated in Article IX, Section 3 of the Bylaws: The General Manager, his/her designee or the President may immediately suspend a Member, a Member's family or guest temporarily when he determines, in his sole discretion, that such person's conduct, if repeated or continued, would pose a threat to the welfare and safety of the Association or its Members.

Association Rules of Canada Creek Ranch

The Rules of Canada Creek Ranch Association are made so that all members may obtain the maximum benefit and enjoyment from the use of the Ranch facilities. Strict observation of all Rules by each member and guest is necessary for the accomplishment of this purpose. A point system was drafted in 1993 and approved by the Board of Directors. Violation of a rule may result in points assigned to that member for that rule(s) along with a monetary fine of up to \$50 per point.

1. Guests

Points

- | | | |
|------|---|---------|
| 1.01 | Members will inform their guests of all Ranch rules and regulations and will be responsible for all actions of their guests. If asked to sponsor a guest of another member, the sponsoring member assumes responsibility for the actions of the guest. All family guests 18 years and over, who are specifically defined as: grandparents, parents, siblings and their spouses, children and their spouses and grandchildren and their spouses, must be pre-registered with the ranch office to be on the property when the sponsoring family member is not on the property. Family guests cannot have guests with them. An inactive member cannot be sponsored by any other active member. All non-family guests and guests under 18 must have a sponsoring member on the property at all times. (12/2010) | 5 to 10 |
|------|---|---------|

2. Ranch Property

- | | | |
|------|---|------------|
| 2.01 | Members shall be personally liable for any property damage or personal injury resulting from careless, willful or negligent acts committed by themselves, their children or their guests. Members may be ordered to pay the Association restitution for the cost of such damage or personal injury. | 6 to 10 |
| 2.02 | No trees or shrubs on Ranch property shall be cut or removed except in approved areas with permit from the office for transplanting within Ranch boundaries. Downed timber can be collected for firewood. <i>Standing dead trees may not be cut.</i> Note: Minor inconspicuous trimming/cutting as described under Hunting Rule 19.10 is permitted to help facilitate hunting blind sites in the Hunting Area. (7/2014) | 5 per tree |
| 2.03 | All trash, leaves and brush must be deposited in designated places on the Ranch. Ranch members may not deposit refuse at the campground, rental cabins or common property (this includes greenbelt). | 3 to 10 |
| 2.04 | Canada Creek Ranch Association property shall not be used for the landing, takeoff or storage of aircraft. | 3 to 10 |
| 2.05 | Sub-division of Ranch property provides a strip of land extending around the perimeter of the lakes and along the streams. This strip (green belt) belongs to all members of the Ranch. All docks constructed on this strip may be used by any member or their guest. Any Member who currently owns or installs a dock accepts the responsibility of maintenance, safety, and liability of the dock. Members must report ownership of said dock to the Canada Creek Ranch office and label dock with member number. Any <u>unclaimed</u> docks left in any lakes after November 1, 2008 shall become the sole property and liability of CCR. No docks will be constructed without the approval of the Board of Directors. Approval will depend on, but not limited to, the placement, design and material of the proposed dock. (10/2008) | 6 to 10 |

- 2.06 Careless use of any weapon by a member within the confines of Canada Creek Ranch shall subject such member to suspension, expulsion or any other action, as the Board of Directors deems advisable. 10
- 2.07 The out back area west of the Creek is closed to Members and their guest from 12:30 a.m. to 5:00 a.m. unless prior approval has been given by the Board of Directors or the Manager's Office. This rule is for the period starting the Friday of Memorial weekend and ends the Tuesday after Labor Day 3 to 10
- 2.08 Members owning lots adjacent to any Common areas **may**: 3 to 10
- 1.) Maintain an area intrusive of the Common Area, parallel with the property line being either 25' in width or 30% of the width of the distance from the midpoint of the property line to the shoreline as measured perpendicularly from the property line to the shoreline, whichever is less. Except for an area being inclusive in the Common Area, commencing at the property corner to a point 15 feet interior of the lot line then extended obtusely at a 105 degree angle to the property line and as projected to the lake shore. (as specified for Zone 3 in the Common Area Study Guide and Toolkit of 2009).
 - 2.) Maintain shrubbery in Zone 1 and 2 (as specified in the Common Area Study Guide and Toolkit of 2009) at a height not less than 4 feet above the natural grade (measured on the landside) and within the Common Area inside the members lot line extended to the lake or common area and outside of Zone 3 (as described in the Common Area Study Guide and Toolkit of 2009);
 - 3.) Prune existing trees over 6" in diameter (measured at chest height) to 8 feet above natural grade, except as may be located in Zone 3 (as described in the Common Area Study Guide and Toolkit of 2009);
 - 4.) Remove trees with approval of the Manager for safety reasons.

Members **may not** cut, prune, mow or otherwise disturb or improve the common areas of the Association and its plats, beyond the allowances provided herein, without approval of the Board of Directors. Note: Minor inconspicuous pruning of live branches as described under Hunting Rule 19.10 is permitted to help facilitate hunting in both the Hunting Country and Cull Areas. (7/2011)

Members desiring to implement any other work within the Common Area shall gain approval from the Board of Directors. Said work will be approved completely at the discretion of the BOD.

Those found in violation of this rule may be subject to the following penalties:

- a.) The cost of reclaiming the site to its natural condition including but not limited to on a time and material basis: excavation, grading, soil enhancement, seeding, fertilizing, mulch;
- b.) The cost, on a time and material basis of replanting and establishing any removed tree or trees in equal diameter to that removed in the violation with a minimum diameter of 6" at chest height;
- c.) The cost, on a time and material basis of any demolition and or removal and disposal of physical improvement placed on common property;
- d) Potential reduction or loss of membership rights and privileges.
(12/2009)

- 2.09 The use by Members of undeveloped roadways, lots and common areas is with permission, not possession. Such use does not create a lease, an easement or any other interest in real property, but merely creates a temporary license that is terminable at any time by the Canada Creek Ranch Association. All Members, by using undeveloped roadways, lots and common areas, waive any claim of occupancy rights other than those of a temporary licensee, including, but not limited to, claims of adverse possession or prescriptive easement. (8/2018) ---

- 17.04 All boats, paddle boats, canoes etc. must have a CCR boat sticker on it so the owner can be identified if left on Ranch property. Unstickered boats may be removed by Ranch personnel and retained for a fee. 3
- 17.05 Members must follow rules posted at Tibbits Landing. They are as follows: 3 to 7
- i. Please, do not park vehicles or store watercraft between the Tibbits service drive and the Lake Geneva water's edge.
 - ii. Limited temporary storage of all watercraft will be in a designated area at the south end of Tibbits Landing.
 - a. Storage will be on a "first come, first serve" basis. However, in consideration of the limited space, members are asked to avoid storing or leaving watercraft abandoned for an extended time period (longer than 1 week).
 - b. All watercraft must be stored off the ground on racks or stands provided.
 - c. All stored watercraft must display a numbered "Boat CCR" sticker.
 - iii. Watercraft may not be stored at Tibbits Landing between November 15th and April 1st
 - iv. Launch boats only at the single designated launch site provided (Exception: The small, sandy beach area may be used to launch kayaks or canoes.)
 - v. Dogs, under control of owner, are welcome at Tibbits Landing, please pickup any droppings.

18. Minor Children

- 18.01 A member of Canada Creek Ranch is responsible for any violations of the Ranch rules or actions by his children or his guest's children. 3 to 10
- 18.02 Members' children under 21 years of age who come onto Ranch property must be accompanied by the member unless prior approval is obtained from the Manager and they may not have guests with them. 3 to 7

19. Hunting

Canada Creek Ranch hunting permits are valid until February 15 of each given year.

- 19.01 All members must obtain a permit to hunt on CCR property. Individuals may receive a permit after paying the established fee and the CCR Release and Indemnification Agreement is signed and on file at the office. Children requiring any state license must have a CCR permit. 5 to 10
- 19.02 Hunters, carrying a weapon, who do not having a hunting permit may not be transported through the hunting area of the Ranch during hunting season even though they intend to hunt outside of the Ranch property. 6 to 10
- 19.03 Hunters shall report their harvest and harvest data to the office within 24 hours, whether the kill was made on or off the CCR property. (05/2023) 10
- 19.04 Carrying a weapon while under the influence of alcohol or any careless use of weapons is prohibited. 6 to 10
- 19.05 No hunting or trapping of any kind is permitted east of the Canada Creek except south of the wire running from east wire to the Canada Creek south of Fish Creek except areas as designated by the Board of Directors. 6 to 10
- 19.06 All applicable State of Michigan and Federal hunting laws and regulations shall be observed. Certain more restrictive Ranch rules or regulations must also be observed. (08/2009) 3 to 10
- 19.07 Guns shall be encased during vehicle transport on Ranch property at all times. 6 to 10

- 19.08 **Permanent deer blinds:** Construction will be limited to natural materials only. 3 to 10
- Temporary blinds:** Construction is limited to cloth materials (canvas, burlap, netting). They may be set up no earlier than August 1st and must be removed no later than March 1st. Blinds erected under the above artificial material rules must be identified with the name of the responsible member. (06/2017)
- Tree stands/blinds:** The state of Michigan regulations as specified for construction, attachment, etc. on public land shall apply to Canada Creek Ranch. They may be set up no earlier than August 1st and must be removed no later than March 1st. (06/2017)
- Turkey Season Blinds:** Blinds for Turkey Hunting can be setup 3 days prior to the start of turkey season. These blinds must be removed a day after the hunter's season ends and must be identified with a blind tag issued from the Ranch House. (5/2016)
- Blind and Trail Identification:** All artificial materials (ribbons, blind tags, trail markers, etc.) used to identify a blind, hunting area, or hunting path may not be placed earlier than August 1st and must be removed no later than March 1st. Trails cameras are excluded from this rule. (09/2025)
- The Association assumes no responsibility for the construction and use of blinds on its property. Hunters are advised to use caution in erecting, removing and using blinds. (11/2010)
- 19.09 Minor trimming/cutting of live branches, small saplings (less than 1 ½ inch diameter; cut at ground level), and small dead trees (less than 4-inch diameter) is permitted to accommodate shot openings, at hunting blinds sites. Hunters are encouraged to keep this trimming/cutting activity to a minimum. Minor is defined as trimming/cutting that does not alter the landscape in a way that would be obvious to other members casually passing through the area. Any question of a violation for excess trimming/cutting will be evaluated by a process determined by Ranch management. This trimming control rule applies to all hunting area hunting sites, ground blinds and tree stands. (7/2014) 3 to 10
- 19.10 Turkey hunting is allowed on Canada Creek Ranch. Hunters must have State of Michigan hunting permit and all hunting laws apply. Host member must activate extra membership for guest. If guest's permit was obtained by lottery then host member must also have a valid state permit for Canada Creek Ranch and must accompany guest hunter. If guest's permit was not obtained by lottery then formal guest hunting rules apply. 3
- 19.11 All antlered bucks harvested on Canada Creek Ranch (bow and firearms) must have a minimum of 3 points on at least one beam. A point is defined by antler growth at least 1 inch from the adjoining antler structure. Any bucks mistakenly harvested without meeting this minimum antler size requirement must be registered (ref. rule #19.04) privately with the Ranch manager. The hunters' names will not be publicly posted or published. (11/2010) 3 to 10
