Inside, you'll appreciate the fresh look and durability of new laminate vinyl plank flooring that flows through the living room, bedrooms one and two, the bathroom, and hallway, creating a clean, cohesive feel throughout much of the home. The kitchen has been tastefully updated with a new granite countertop and stylish backsplash for a modern touch. Major improvements include a metal roof (2014), furnace (2016), hot water heater (2023), and recently added attic insulation for improved efficiency. The third bedroom, converted from a former garage, offers versatile space that could be used as a bedroom, office, hobby room, or extra living area.
