Privately positioned off the living room, the large master suite offers an oversized walk-in closet and an expansive full bathroom complete with double vanities, a walk-in shower, and garden tub.

Surrounding Area

Harney County, located in the wide-open high desert of Eastern Oregon, is the 10th largest county in the United States, encompassing more than 10,000 square miles of diverse landscapes and abundant wildlife. The region is known for its sweeping valleys, sagebrush plains, mountain ranges, and scenic waterways that provide a unique blend of agricultural productivity and outdoor recreation.

At the southern end of the county stands Steens Mountain, one of Oregon's most dramatic natural landmarks, offering breathtaking views overlooking the Alvord Desert and the Trout Creek Mountains. To the north, the landscape transitions into the Malheur National Forest, the Silvies River corridor, and timbered country that provides excellent habitat for wildlife.

Wildlife is plentiful throughout the region, with species such as elk, mule deer, pronghorn antelope, upland birds, and a wide variety of other native wildlife commonly found across the county. The primary community of Burns, along with the neighboring town of Hines, serves as the county's hub for agriculture, services, and local commerce. Conveniently located along U.S. Highway 20, Burns sits roughly two hours east of Bend and approximately two hours west of the Idaho border and the Treasure Valley, providing access to larger regional markets while maintaining the quiet rural lifestyle Harney County is known for.
