Revised on 11/4/23

Revised on 5/24/24

1. Annual fee of \$125.00, per boat slip/hoist member must be paid in full by May 1st. The fee must accompany a copy of the boater's insurance and a valid registration sticker must be affixed on the vessel prior to entering the lift.
2. Annual fee of \$50.00, per jet ski/hoist member must be paid in full by May 1st. The fee must accompany a copy of the boater's insurance and a valid registration sticker must be affixed on the vessel prior to entering the lift.
*The location of the hoist is determined by the Boating Committee/Chairperson prior to mooring to ensure a safe and secure watercraft.
3. Annual fee of \$25.00 for any non-motorized watercraft must be paid in full by May 1st.
*The location of your watercraft is determined by the Boating Committee/Chairperson prior to mooring to ensure a safe and secure watercraft.
4. Any hoist storage fee at Holiday Park, in the amount of \$25.00, must be paid in full by May 1st.
5. The aforementioned annual fees (items #1, #2, #3, and #4) will be solely for the installation and removal of all docking and hoists at Holiday Park. Further, all docking (except catwalk docks) is exclusive property of Holiday Park Association. Review of said items #1, #2, #3 and #4 will be subject to review and membership approval. Checks to be made out to Holiday Park Association.
6. If boater slip/hoist member, jet ski/hoist member, or non-motorized member fails to pay in full said annual fees by said date or neglects to follow boaters by laws will be considered not in good standing and will forfeit their right to a slip for a period of (1) year. For future consideration, the member must apply in writing to the Boating Committee/Chairperson requesting to be placed back on the boater's waiting list.
7. All boats/jet ski insurance and registration papers must be registered to the deeded property owner of Johnson Subdivision and must be submitted to Boating Committee/Chairperson no later than May 1st.
8. Only one boat slip per Holiday Park deeded property owner of Johnson Subdivision in good standing. If deeded property owner changes hands, you must contact the Boating Committee/Chairperson to have their name placed on the boaters' waiting list.
9. Upon a member refusing an opening on the boater's waiting list, strikes them from the list. The member must resubmit in writing to the Boating Committee/Chairperson to have their name placed back on the boaters waiting list.
10. Upon a member accepting an opening on the boating wait list they will have a period of fourteen (14) days to supply boat/hoist or paperwork for said items.

11. All boats at the dock must be on a hoist and all jet ski's must be on a hoist (at the owner's expense) and all hoists must have the owner's name on it. The catwalk must be a shared expense between the adjoining boat owners/members and must be secured to the main dock and must have owner's name on it. All catwalk docking will be uniform three (3) foot wide aluminum sections, utilizing an eleven (11) foot wide slip per dock. All dock layouts will be maintained by the Boating Committee/Chairperson.
12. If additional boat slips become available and nobody is on the waiting list, then a current boat slip/hoist owner can request the use of a second boat slip/hoist in the amount listed above in item 1. The request must be presented in writing to the Boating Committee/Chairperson.
13. As stated in number twelve (12), if a second boat slip is occupied by a member and a request is made by a non-occupying boat slip member the current boat slip member will forfeit his/her second boat slip at the beginning of the following year.
14. The waiting list is available upon request and will be made public at the membership meeting(s).
15. It is prohibited to moor or tie a vessel to any dock. It is also prohibited for any vessel to use the swim area.
16. All docks and hoists will be installed and removed at the earliest weekend available in May and the latest weekend in September, based on scheduling by the Boating Committee/Chairperson. Ample notice will be given for support from the membership.
17. A vacant boat slip will be first occupied by the seniority of the current boat slip member. A shift in a slip location will be managed by the Boating Committee/Chairperson based on seniority.
18. Mooring of boats is allowed, provided the boat(s) is removed one day prior to the installation of the dock system and can be moored one day after the removal of the dock system. Thus not, intruding of the efforts of work performed by the Boating Committee/Chairperson. Mooring must be both from the bow and stern of the boat.
19. All members are responsible for the action of their guests.
20. Safety is the overriding priority; common sense will be our passion.
21. Family members and/or friends of property owners, who are visiting or staying overnights, may launch their watercraft at Holiday Park boat launch. Family members and/or friends are not permitted to moor their watercraft for more than seven (7) days without prior approval from the boating committee chairperson. The watercraft size must not exceed 14' bow to stern and a 4' beam, and the quantity of moored watercraft is limited to one. These restrictions are to protect slip owners' access to the waterways. The mooring location and method will be at the direction of the boat committee chairperson.
22. These by laws cannot be changed, waived, or modified unless agreed to by the Holiday Park Association and Boating Committee/Chairperson.

The current Holiday Park watercraft by laws have been updated and amended for the use of Johnson Subdivision property owners/members.
