

Electric

- Provider: Steele-Waseca Cooperative Electric (SWCE)

This is the rural electric cooperative serving Deerfield Township and other unincorporated areas of Steele County.

- Phone: (507) 451-7340 (outages/reporting)
- Website: swce.coop
- Address: 2411 W Bridge St, Owatonna, MN 55060

Garbage / Trash & Recycling

- No mandatory township curbside service (typical for rural Deerfield Township). Residents usually arrange private haulers or self-haul to the Steele County Landfill.

- Common local providers:

- Skjeveland Enterprises Sanitation & Recycling (Owatonna-based, serves Steele County rural areas including Deerfield) — (507) 528-9900 or (507) 214-8727
- Waste Management (WM) — serves Deerfield Township area with curbside options.
- Steele County Landfill (self-haul option): 9420 SE 64th Ave, Blooming Prairie, MN. Open to Steele County residents. Hours: Mon–Fri 7:30am–4:30pm, Sat 8am–1pm. Phone: (507) 583-7766.

Contact Skjeveland or WM directly for service quotes and schedules at this address.

Internet

Several providers serve the broader Owatonna / Deerfield Township area (availability varies by exact address — recommend checking by full address on provider sites):

- Satellite: Starlink (widely available in rural areas, up to 400 Mbps)
- Fixed Wireless / 5G: AT&T, T-Mobile Home Internet, Verizon
- Cable / Fiber options (may reach parts of the township): Spectrum, possibly others like Frontier or local fiber where available.

For the most accurate info on internet, electric connection details, or to set up service, I recommend:

1. Call SWCE for electric.
2. Contact Skjeveland Enterprises or Waste Management for garbage.
3. Run an address-specific check on Starlink.com, Spectrum.com, att.com, etc. for internet.
