the use of less-up-to-date recent coordinates of that station (about 1900) instead of its actual location as being listed on Figure 2 at 11° 10' N, 81° 46' W. Instead of an error of about 1 km as stated by the author, it was actually 7 km. The use of the more recent coordinates would have placed the station at 11° 10' N, 81° 46' W, which is 7 km from the actual position.
