This Eastern Oregon home is located on a corner lot walking distance of schools, shopping, restaurants, and many of the amenities Burns has to offer. Built in 1896, this home offers plenty of character while featuring many practical updates over the years. Situated on a .23 acre lot, the property has excellent curb appeal with mature landscaping, a covered front porch, concrete sidewalks, paved driveway, chain-link fencing around the yard, and an oversized detached garage. Stepping inside, the two story home offers 1,411+/- Sq.Ft. with a comfortable floor plan featuring 3 bedrooms and 1.75 bathrooms. The living room is centered around an oil monitor stove complimented with baseboard heat throughout the remaining parts of the home. The room has lots of windows, providing mature lighting and carpet flooring.

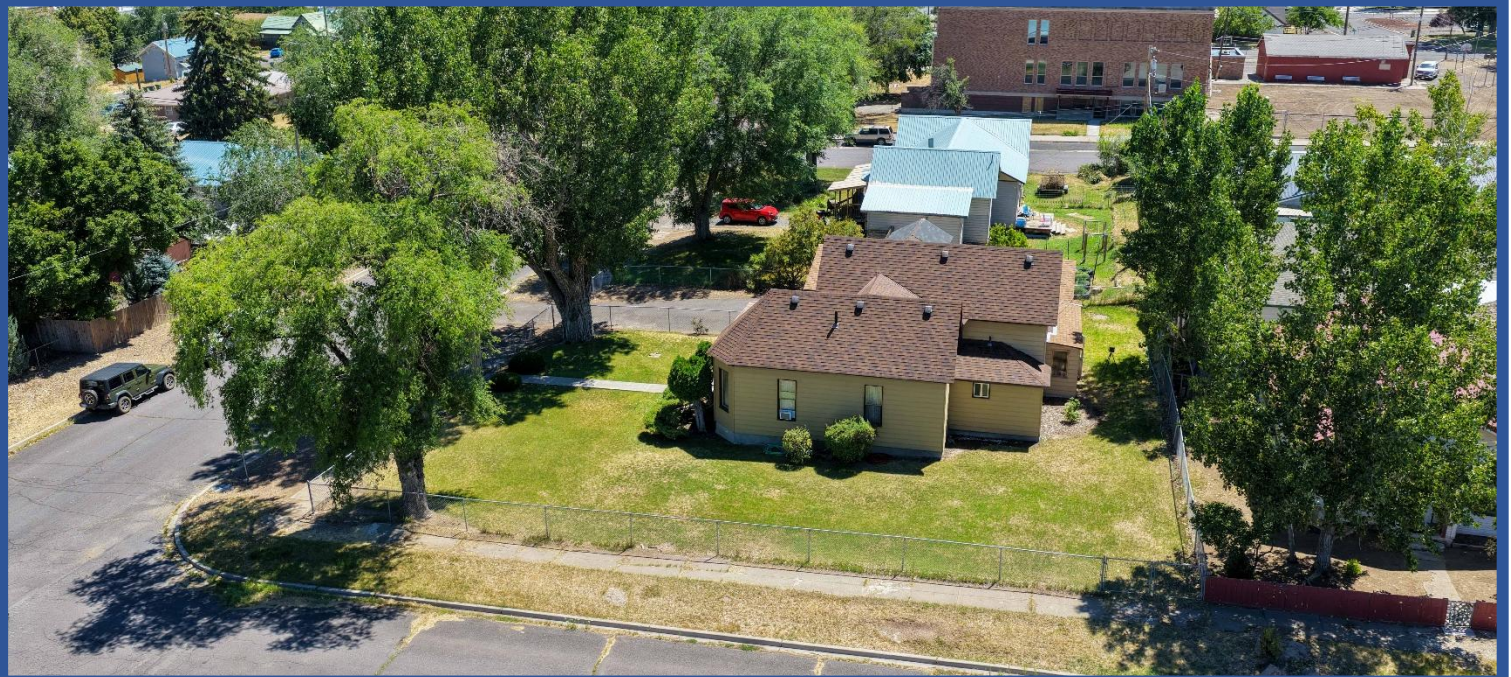

Off the living space are 2 of the 3 bedrooms and access to the kitchen. Both bedrooms have their own private bathrooms and large closet spaces. The kitchen features a pass through galley-style layout with vinyl flooring, ample storage, a pantry, built-in dishwasher, range, and a refrigerator. Just off the kitchen is the laundry room that has additional storage, access to the upstairs, and an enclosed breezeway that takes you to the garage or backyard.

Upstairs has all hardwood flooring and includes the final bedroom paired with a large space that could be used as an office space or storage.

The breezeway has a ramp and a small room for additional storage while accessing the garage. The garage is 960 Sq.Ft. with concrete floors, automatic garage doors, and some built in benches. The space could potentially fit 4+ cars and recreational vehicles or comfortably fit 2 vehicles.

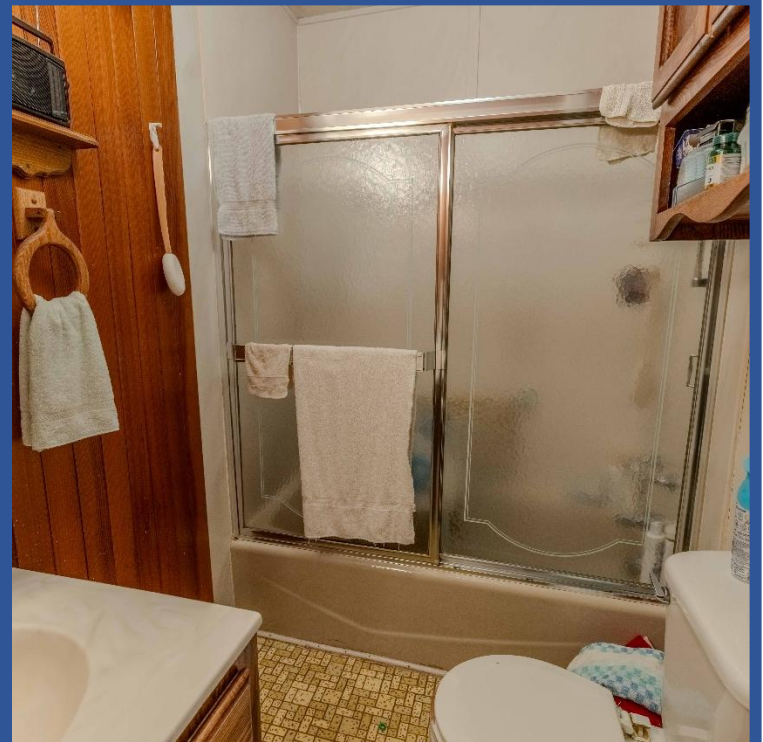

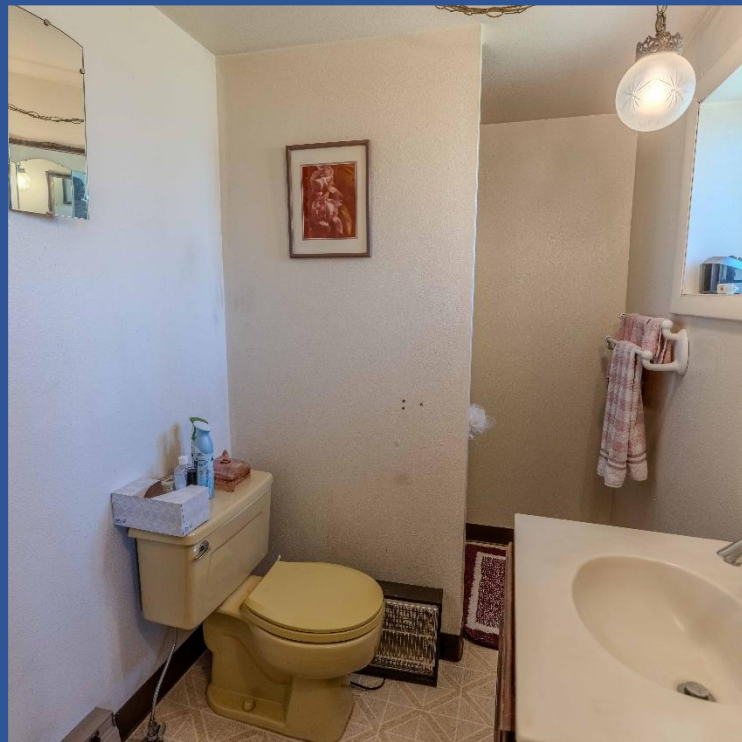

Whether you're looking for a home full of historic charm, or a property that is centrally located from downtown Burns, this well-maintained home offers a great combination of character, functionality, and location.
