- (3) It may be necessary for a buyer to have the permit to operate an on-site sewer facility transferred to the buyer.

**D. INFORMATION FROM GOVERNMENTAL AGENCIES:** Pamphlets describing on-site sewer facilities are available from the Texas Agricultural Extension Service. Information in the following table was obtained from Texas Commission on Environmental Quality (TCEQ) rules in 30 TAC 285.91(3) on 09/05/2025. The table estimates daily wastewater usage rates. Actual water usage data or other methods for calculating may be used if accurate and acceptable to TCEQ.

| <u>Facility</u>                                           | <u>Usage (gal/day)<br/>without water-<br/>saving devices</u> | <u>Usage (gal/day)<br/>with water-<br/>saving devices</u> |
|-----------------------------------------------------------|--------------------------------------------------------------|-----------------------------------------------------------|
| Single family dwelling (1-2 bedrooms; less than 1,500 sf) | 225                                                          | 180                                                       |
| Single family dwelling (3 bedrooms; less than 2,500 sf)   | 300                                                          | 240                                                       |
| Single family dwelling (4 bedrooms; less than 3,500 sf)   | 375                                                          | 300                                                       |
| Single family dwelling (5 bedrooms; less than 4,500 sf)   | 450                                                          | 360                                                       |
| Single family dwelling (6 bedrooms; less than 5,500 sf)   | 525                                                          | 420                                                       |
| Mobile home, condo, or townhouse (1-2 bedroom)            | 225                                                          | 180                                                       |
| Mobile home, condo, or townhouse (each add'l bedroom)     | 75                                                           | 60                                                        |

This document is not a substitute for any inspections or warranties. This document was completed to the best of Seller's knowledge and belief on the date signed. Seller and real estate agents are not experts about on-site sewer facilities. Buyer is encouraged to have the on-site sewer facility inspected by an inspector of Buyer's choice.
