At settlement, Seller shall execute and deliver (i) the Deed (defined below), (ii) a mechanic's lien affidavit acceptable to Buyer's title insurance company and (iii) such certificates or agreements as may be required by state and federal authorities for tax and residency purposes. Settlement will take place no later than 30 days of confirmation of the bids at the office of Purchaser's Attorney. If Settlement does not occur within 30 days of confirmation of the bids and Seller is ready and able to convey clear title, Purchaser will be charged a \$200.00 per calendar day penalty for every calendar day that the Property does not close. If Purchaser has not closed within 10 calendar days the Seller reserves the right to sell Property and retain Purchaser's deposit unless an agreement is made in writing by all parties.

The Consumer Real Estate Settlement Protection Act in the Code of Virginia § 6.1-2.22 provides for the following:

Choice of Settlement Agent: Virginia's Consumer Real Estate Settlement Protection Act provides that the Buyer has the right to select the settlement agent to handle the closing of this transaction. The settlement agent's role in closing this transaction involves the coordination of numerous administrative and clerical functions relating to the collection of documents and the collection and disbursement of funds required to carry out the terms of the contract between the parties. If part of the purchase price is financed, the lender for the Buyer will instruct the settlement agents as to the signing and recording of loan documents and disbursement of loan proceeds. No settlement agent can provide legal advice to any party to the transaction except a settlement agent who is engaged in the private practice of law in Virginia and who has been retained or engaged by a party to the transaction for the purpose of providing legal services to that party.

Variation by agreement: The provisions of the Consumer Real Estate Settlement Protection Act may not be varied by agreement, and rights conferred by this chapter may not be waived. The Seller may not require the use of a particular settlement agent as a condition of the sale of the Property.

Escrow, closing and settlement service guidelines: The Virginia State Bar issues guidelines to help settlement agents avoid and prevent the unauthorized practice of law in connection with furnishing escrow, settlement or closing services. As a party to a real estate transaction, the Buyer is entitled to receive a copy of these guidelines from the settlement agent, upon request, in accordance with the provisions of the Consumer Real Estate Settlement Protection Act.

Buyer and Seller each authorize their respective attorneys, and /or the settlement agent, to furnish to the Listing Firm and Selling Firm, copies of the draft and final, true and complete settlement Statement in connection with this transaction.

DEED AND TITLE: At settlement, Seller shall convey to Purchaser good and marketable fee simple title to the Property by deed of general warranty containing English covenants of title, free of all liens, tenancies, defects and encumbrances, except as otherwise indicated herein, and subject only to such restrictions and easements as shall then be of record which do not affect the use of the Property or render the title unmarketable. If, prior to settlement, Purchaser identifies a defect other than the permitted encumbrances, Seller shall have the opportunity, but not the obligation, to attempt to cure the title defect and Seller shall be able to extend the settlement date accordingly. If Seller does not elect to attempt to cure the title defect, or if Seller attempt but are unsuccessful in curing the title defect, Purchaser shall have the option to void this Agreement, in which case Seller shall instruct the Auction Firm to return the Deposit to the Purchaser and neither party will have any further obligation or liability to the other. If Seller elects to attempt to cure the title defect, Seller shall, at Seller's expense, promptly take such action as is necessary to cure the defect. If Seller, acting in good faith, is unable to have such defect corrected within 60 days after notice of such defect is given to Seller, then this Contract may be terminated by either Seller or Purchaser. Purchaser may extend the date for settlement to the extent necessary for Seller to comply with this Paragraph but not longer than 60 days unless both parties agree in writing otherwise. If an owner's title insurance policy can be obtained without exception to the title defect or with affirmative protection over the title defect, Purchaser agrees to waive its objection to the title defect.

EMINENT DOMAIN: In the event of a taking of the Property or any portion thereof by eminent domain after the date hereof, but before settlement, Purchaser will within ten (10) days of the taking either (i) terminate this Contract by written notice to Seller, in which event Purchaser will be entitled to the return of the Deposit and neither party will have any further liability to the other or (ii) elect to proceed to settlement without a reduction in the Purchase Price in which Seller will convey to Purchaser the portion of the Property not taken and will assign to Purchaser all of the Seller's rights, title and interests in any condemnation award arising from and pertaining to the taking of the Property.

STANDARD PROVISIONS:

Land Use Assessment. In the event the Property is taxed under land use assessment and this sale results in disqualification from land use eligibility, Purchaser shall pay, when assessed, whether at or after Settlement, any rollback taxes assessed. If the Property continues to be eligible for land use assessment, Purchaser agrees to make application, at Purchaser's expense, for continuation under land use, and to pay any rollback taxes resulting from failure to file or to qualify.

Risk of Loss. All risk of loss or damage to the Property by fire, windstorm, casualty or other cause, or taking by eminent domain, is assumed by Seller until Settlement.
