

127.5+/- acres in Amite County, MS. This 127.5+/- acres is located in SE Amite County on Luther Road. This is a great area of Amite County for deer and turkey hunting. This tract would also be very private and secluded as Luther Road dead ends at this property. There's about 1300' of road frontage and electricity is available. The timber consist mostly of a well managed stand of 7 year old pine plantation. There's also a few hardwoods and a couple of small ponds on the property. The interior roads are well maintained and there are a few food plots as well. This tract is a multi use property that can serve as a great recreational hunting tract as well as a land/timber investment, and a great place to build your dream cabin, weekend getaway, or your future retirement home. There is also additional acreage available. This area just off of Upper Glading Road is a great part of Amite County that is always desirable. Call Kyle Bass for maps and additional information.
