ADVISORY TO SELLER:

Seller acknowledges that Broker will disclose to any prospective buyer all adverse material facts actually known by Broker, including but not limited to adverse material facts pertaining to the physical condition of the Property, any material defects in the Property, and any environmental hazards affecting the Property. These types of disclosures may include such matters as structural defects, soil conditions, violations of health, zoning or building laws, and nonconforming uses and zoning variances.

The information contained in this Disclosure has been furnished by Seller, who certifies it was answered truthfully, based on **Seller's CURRENT ACTUAL KNOWLEDGE**.
